

STATE TRACK MEET A GREAT SUCCESS.

Turnout of Athletes from Utah
Schools More Satisfactory
Than Ever.

U. OF U. PILED UP BIG SCORE.

Maddock Pleased With Showing of
His Team, and Will Leave at
Once for Michigan.

Coch Joseph Maddock of the University of Utah, formerly of the Michigan track and football teams, and of the All-American football team, finished his first year as a professional coach Saturday last. Today he packed his trunk, and will leave Utah for his home in Michigan. With much speedier men against her than ever before the U. of U., under Maddock's training, won the field meet Saturday by a score of 15 points more than last year. The victory is the last of a series for which Maddock is responsible, and which place him in the front rank of successful coaches. His visit to Michigan is only for the summer, and he will be back in September.

The final showing of his team was of a kind to make sportsmen grateful to him for building up a sort of amateur sport that has never before been approached. The scores of the field meet tell the story. Utah got 15 points; Michigan, 29; Iowa, 25; and the U. of U. 1. Utah's score passes her opponents combined by 15 points. Logan finished his promise of taking second place from Provo, although she did it by only half a point.

The meet was an excellent one from start to finish. The crowd, which came up to keep the crowd back, and who usually have a stand at the baseball, giving for a permanent audience to field meets. Large bodies of spectators pressed each man up to do his best, while on the other hand, the U. of U. placed a more heroic nature. Utah's first place meeting after the hardest kind of effort.

MEET WAS SATISFACTORY.

The meet had many satisfactory features. Logan wanted to beat Provo after being defeated in dual meets, and did it. Utah wanted to win by the largest margin, and did it. Moore wanted to win the 100-yard dash, and did it. The U. of U. wanted to win the 100-yard dash, and did it. The U. of U. wanted to win the 100-yard dash, and did it.

MOORE THE HERO.

The interest in the meet centered about the sprint. In the preliminary race, Moore entered in Whitney's place, and took first in a splendid preliminary race, at 10.10. Moore, McAllister and Provo took places early and when the final was called the four men, with Moore in the lead, came down before the grandstand shoulder and shoulder. It was anybody's race till the last 15 yards, when Moore pulled ahead and turned the Utah runner by winning. McAllister, Provo and Park finished the race in the order named.

The twenty-two-foot was expected to bring the same result, but Moore, while he led to within the last dozen feet, was finally overtaken by McAllister. A hard sprint, and they finished abreast. One judge, Anderson, said Moore won, but Moore won, while the other thought it was McAllister's race, and Harvey called it a tie. The time was called, but they could not hear the calling while many roared who were near the finish line. The decision, when it was finally announced, was that Moore won. The relay made a pretty race, in which Spencer and Pitt led their team for some distance, which were not closed up by other runners.

BROKE STATE RECORD.

In the running broad jump Swamp outdid his best previous mark, and made a new state record over that of Adams of Provo, winning at 10 feet 10 inches. Stephens of Utah picked another state record from Adams by defeating him in the high jump, taking the event at 5 feet 10 inches, an inch and a half better than Adams has done.
