THE SEMI-WEEKLY NEWS,

THE GREAT COUNTRY PAPER OF THE WEST.

is issued Mondays and Thursdays and contains all the cream of the Daily and Saturday News.

LOCAL BRIEFS.

H. G. Aldridge of Ogden has filed a petition for voluntary bankruptcy in the federal court.

Arthur Holmes, the driver of the fatal sleighing party of Sunday night, and whose skull was fractured, is better and will recover.

Bids will be opened and contracts let tomorrow for the dam, headgates and several sections of canal for the Twin Falls Irrigation and Land company.

Ex-Senator Frank J. Cannon has so far recovered from the effects of the operation for appendicitis that it is thought he will soon be able to return home.

"The Plastic Art" will be the subject of a lecture by Dr. A. Brodbeck at the Conservatory of Music, 34 Richards street, tonight. A general invitation is extended.

The estate of Max Peters has been settled with for losses in the Atlas block fire, the settlement being $2,600. The actual loss amounted to nearly $3,400 as it was total.

Local lumber men say that the new price lists for the seagon have just been completed, and will shortly be issued. While there are numerous minor changes, there is not any material advance.

The big glass window plates are being put into position today, in the Keith block, and the new company that is to occupy the premises has a warehouse full of goods ready to begin early next month.

The funeral of Annie Snedden Cook will take place Thursday at 2 p. m. from the Twentieth ward meetinghouse. The remains may be viewed at 437 Eighth street, between 11 a. m. and 1 p. m., the day of the funeral.

General Superintendent Read of the street railway left yesterday for Syracuse, N. Y., to attend a meeting of the executive committee of the National Street Car association of which he is a member. He will be absent two weeks.

Insurance men are ready to recognize the fact that Z. C. M. I. has done everything possible in the way of provision against fire, and that the management is always ready to consider suggestions in the way of improvement in such provision.

On Thursday evening the Ladies' Auxiliary of the Caledonian club will hold a meeting at the Federation of Labor hall, No. 2, at which time the proposition will be considered of merging the auxiliary with the Caledonian club proper. All interested are invited.

The injured victims of Sunday night's sleighing accident are all reported to be doing nicely at the hospitals, none being as severely hurt as was at first thought. The funeral of Miss Qualis, the young lady killed at the time, was held from the Burlington chapel in Poplar Grove this afternoon.

General Manager D. S. Murray of the Rocky Mountain Bell Telephone company has returned from San Francisco, where he went to escort Mrs. Murray home from a pleasant trip to the coast. Mr. Murray found some difficulty in keeping warm as the weather was raw, damp and chilly in San Francisco.

Cashier George M. Cannon of the Zion's Savings Bank & Trust company has a curiosity in the shape of an auxiliary bank that went through the Atlas block fire. It went through all right, and retained intact and uninjured $18.65 in coin that was deposited therein. Mr. Cannon shows the coin with considerable interest.

A pleasant evening was spent by the Meatcutters' and Meatworkers' union at Federation hall last night. Cards, cigars and refreshments were the features, and all present seemed to enjoy themselves thoroughly. The committee was composed of Charles Smith, Charles Herman, Herman Ficke and George Smithen.

Gen. Thomas J. Stewart, commander-in-chief of the Grand Army of the Republic, and party, are en route from Chicago to San Francisco, and will arrive in Ogden next Saturday morning at 10:25. On the return the party will go via the southern route, leaving San Francisco, Feb. 25. The party is traveling in a chartered Pullman.

The Rochester, N. Y., capitalists who have been stopping over at the Knutsford, en route to the Pacific coast, and looking over the local field with a view to investment for the Home Telephone company, left for the west this evening, well pleased with their visit here. Mr. Jones has showed them all the attractions of the city and vicinity, including Fort Douglas.

A certified copy of the articles of incorporation of the Boxelder Power and Light company, of Evanston, Wyoming, has been filed in the secretary of state's office. Its capital stock is $100,000, divided into shares of the par value of $100 each. The company will operate in Boxelder county. Joseph M. Jensen is president and John Pingree, secretary. The latter is also designated as resident agent for Utah.

Chairman P. P. Christensen of the Elks library committee has sent out a circular letter to the local members of the order requesting them to individually present the library with at least one book. Special attention is called to the concert to be given on the night of the 24th inst. at the clubhouse by the Orpheus club, and that the clubhouse will be thrown open during the afternoon and evening of that day to ladies and visitors.

Col. Matt A. Daugherty took possession of the treasurer's desk in the Salt Lake postoffice this morning, taking the place of the late James Adams. Treasurer Daugherty was formerly assistant-postmaster at Brookfield, O., and later at Crete, Neb. He was also receiver of the land office at Sidney, Neb. He has been a resident of this city for two years, removing here from Nebraska, and is secretary of the Wabash Mining company. The colonel is a prominent Elk.

The street railway company will send out a new homemade car today or tomorrow, in the place of Rapid Transit car 23, which ran for so many years on the Murray line. All that remains of the old car is the roof, the remainder being new. Rapid Transit car 25, the companion of 23, is being entirely rebuilt in the carpenter shop. The new car looks very well. The company is also building a new nine window car from one and a half of the old Stephenson single truck cars.

Mrs. Eliza Turner died at her home, 164 north Third West street, yesterday, the cause of death being old age and general debility. Deceased was an old-time resident of this city, and was born at Willenhall, England, in 1838. She leaves four daughters, Mrs. Joseph Haynes, Mrs. William Ray, Mrs. T. A. Bussman and Mrs. J. A. Whyte, and 13 grandchildren to mourn her loss. The funeral will be held at the family residence Thursday at 2 p. m. The remains may be viewed at the home from 11 a. m. to 1 p. m.

F. E. McGurrin's hip artillery was unearthed this morning, from the Atlas block ruins, in the shape of a six shooter in a demented looking condition. The weapon had been loaded, but was not loaded when found, the cartridges all having exploded, and splintered up the desk containing it. One of Mr. McGurrin's typewriters was also fished out of the ruins and looked as though it had just been dug out of the ruins of Nippur, which was founded 7,000 B. C. The mortality of typewriters in that fire was something distressing to contemplate.

Funeral services over the remains of Phineas Howe Young were held in the Forest Dale meetinghouse at noon yesterday. Sweet music was furnished by a quartet composed of Margaret Summerhays, Mrs. M. W. Pratt, Theodore Tobiason and James T. Dunbar, with accompaniment by Sadie Powers, and feeling addresses eulogistic of deceased were made by President Angus M. Cannon, Elder B. J. Stewart and Bishop James Jensen. A long line of carriages followed the remains to their last resting place in the city cemetery. Elder C. M. Cannon dedicated the grave.

Fred N. Sorenson came in from Delamar, Nev., yesterday nursing a wounded hand as a result of a shooting scrape in that camp several days ago. The shooting was done by a companion named Fred Dowe, and was precipitated by a saloon row in which Dowe, Sorenson and several others engaged. Sorenson was acting as peacemaker and jumping between Dowe and a man named Jenkins, for whom the shot was intended, he got the charge in his right hand, causing a very severe wound. Dowe was arrested and tried, but liberated on the defense that the shooting was accidental. The wounded man is doing nicely at St. Mark's hospital.

The Lyceum and Debating club held a reunion and banquet last night in the parlors of the First Congregational church as a testimonial to Rev. Dr. C. T. Brown, who has resigned from the First church pulpit. The following toasts were responded to: "Fraternity and Early Days of Lyric," Rollin W. Dole; "The Lyceum in Maturity," Hinman D. Folsom; "The Lyceum in Debate," William H. Folland; "The Lyceum in Business," Malcolm McAllister; "The Lyceum in Professions," William McCrea; "Absent, But Not Forgotten," Harry Fulton; "What of the Future," A. B. Young; "Our Counselor," Horace H. Smith; response, Rev. C. T. Brown. The club presented Dr. Brown with a gold watch chain, and cross charm at the close of the evening.

ADVANCEMENTS ON SHORT LINE.

W. S. McCarthy Resigns and E. V. Maze and R. V. Cobb Promoted.

TRAFFIC MAN FOR BIG FIRM

Contracting Agent Accepts a Position With the Salt Lake Hardware Co. March 1st.

The many friends of W. S. McCarthy, contracting agent for the Oregon Short Line in this city, will be surprised and gratified to learn that on March 1, he will leave the service of the Harriman road to accept the position of traffic manager for the Salt Lake Hardware company at a decided advance in salary, to say nothing of the position.

It is understood that the company, which handles an immense tonnage every season, has had its eye on Mr. McCarthy for some months past as being just the man to look after its shipments and freight matters generally, with the result that finally that gentleman was induced to leave the railroad service. Acting Traffic Manager T. M. Schumacher of the Short Line was loth to let him go, but did not feel justified in standing in his way. Accordingly on March 1, the Oregon Short Line will lose, to quote one of the fraternity, "one of the best street men that have ever looked after a railroad's interests in Salt Lake." Mr. McCarthy leaves the service with the best wishes of all his old associates.

Mr. McCarthy on the same date will be succeeded by E. V. Maze, the chief clerk for General Agent D. R. Gray, while R. V. Cobb, secretary to the traffic manager, will be appointed chief clerk.

W. S. McCARTHY.

Although still a young man W. S. McCarthy has had over 20 years of railroad experience which amply qualifies him for the important position which has fallen to his lot, two-thirds

of the time being spent in the employ of the Union Pacific and the Oregon Short Line. He is thoroughly conversant with the details of the work which comes under the jurisdiction of a traffic man and his friends will undoubtedly concur in the opinion that the selection is a good one. Mr. McCarthy entered railway service in Detroit, Mich., in 1881, with Grand Trunk railway. Later was in service of Michigan Central and Wabash railroads, leaving latter company in March, 1887, to go with Union Pacific railway as operator at Ord, Neb. Appointed agent same place in 1889, and served in that capacity until May, 1897, when appointed contracting agent, Union Pacific railway, Salt Lake City. Same capacity Oregon Short Line since Dec. 1, 1900.

ED V. MAZE.

Ed V. Maze is a well known railroad man who started in the employ of the Union Pacific as an operator at Butte in 1883, to be later made city ticket agent and at the time of leaving the company to enter the service of the Anaconda Copper Mining company in 1898 he was general agent for the Union Pacific in Butte. He has been with the Oregon Short Line company for the past two years, and has a large circle of acquaintances in this city.

UTAH BOY PROMOTED.

Rufus V. Cobb is essentially a Utah boy, having been born in this city. Prior to entering the freight department of the Oregon Short Line he was a stenographer in the employ of the then county attorney, Putnam. Upon Mr. Schumacher coming to Utah he selected Cobb for his secretary, with the result that he is now in line to work to the top of the ladder ultimately. This is the third case within a week that a Utah boy has received a good position in local railroad service.

RIO GRANDE BONDS.

Additional $2,200,000 Four Per Cent Western Debentures Issued.

Denver, Colo., Feb. 17.—Application has been made to the New York stock exchange to list $2,200,000 additional Rio Grande Western 4 per cent bonds. Accompanying the application was a statement of the earnings for the six months ending Dec. 31. These are gross earnings of $3,000,869 and expenses of $1,596,406, or net earnings of $1,404,463.

Treasurer Gilluly stated today that he presumed the money was to be used in covering improvements on the Rio Grande Western during the past year, and other improvements now under way. The road near Salt Lake City has been ballasted, heavy rails laid, a few cut-offs made and otherwise brought up to a first class condition.

Announcement was made today direct from George J. Gould, chairman of the board of the Rio Grande system, that the main line from Colton, Utah, at the east base of the Wasatch range, to the west base of the Rocky mountains in Colorado, will be carefully considered during the next three years in appropriations for grade and curve reductions. Surveys will be ordered at once to reduce the line between these points to a maximum grade of 8 per cent. The work will be started from Colton eastward.

Rio Grande Firemen.

Denver, Colo., Feb. 17.—A conference was held today between General Superintendent Coughlan and Master Mechanic Mertheimer of the Denver & Rio Grande, and the grievance committee of the firemen on that system, at which all differences were adjusted. The question of an increase in wages was not brought up. An appointment was made for a conference with the engineers tomorrow, when their differences will be discussed. A time has not yet been named for the joint meeting of the firemen and engineers, at which the wage question will be submitted.

The executive board of the Denver & Rio Grande trainmen and conductors announced today that the head officers of the national committee would be in Denver as soon as the troubles were adjusted with the Santa Fe men at Topeka. It was stated positively that the demands of the men had been submitted to Manager Edson, that they had been refused and that the matter should be taken up in St. Louis.

MONTPELIER TO THE FRONT.

New Round House, Machine Shops And Depot to be Put Up in Spring.

If the present plans of the Oregon Short Line are caried out there will be a number of improvements at Montpelier this spring. The plans that are being under consideration include the erection of a new roundhouse, shops, depot and some cottages for the trainmen. Besides these improvements the company will construct several miles of sidetrack for use at that point, thereby avoiding the blockade of trains that sometimes occurs. The plans call for a roundhouse and small machine shop, in which will be a drop pit, with new and improved machinery for doing a much heavier class of work. At the rear of this is to be built a blacksmith shop. The entire structure is to be of brick and stone and will be erected at the rear of the present roundhouse. The depot will be of stone and pressed brick, after the pattern of the one at Logan. The proposition of building some dwelling houses for the men is being considered owing to the inability of trainmen to get suitable quarters for their families.

SPIKE AND RAIL.

Supt. McKenzie of the Monida and Yellowstone Park Stage line, is in Salt Lake today.

All the Union Pacific passenger trains are now out of the snow blockade and are again running. They are all marked up today as being on time.

J. F. Mahoney, hertofore connected with the Denver & Rio Grande, has been appointed general superintendent of the Laurel & Northwestern, with office at Laurel, Miss.

A. B. Mosely, traveling freight and passenger agent for the Oregon Short Line at Butte, is in Salt Lake today and will cross the burning sands at the Mystic Shriners' doin's this evening.

Messrs Evans and Rowe of Malad valley are in Salt Lake. Among other visits they have made is one to General Manager Bancroft on matters connected with the Malad Valley branch, work on which is to commence in the near future.

Tendency of the Times.

The tendency of medical science is toward preventive measures. The best thought of the world is being given to the subject. It is easier and better to prevent than to cure. It has been fully demonstrated that pneumonia, one of the most dangerous diseases that medical men have to contend with, can be prevented by the use of Chamberlain's Cough Remedy. Pneumonia always results from a cold or from an attack of influenza (grip), and it has been observed that this remedy counteracts any tendency of these diseases toward pneumonia. This has been fully proven in many thousands of cases in which this remedy has been used during the great prevalence of colds and grip in recent years, and can be relied upon with implicit confidence. Pneumonia often results from a slight cold when no danger is apprehended until it is suddenly discovered that there is fever and difficulty in breathing and pains in the chest, then it is announced that the patient has pneumonia. Be on the safe side and take Chamberlain's Cough Remedy as soon as the cold is contracted. It always cures. For sale by all druggists.

ONLY A SUGGESTION.

But It Has Proven of Interest and Value to Thousands.

Common sense would suggest that if one wishes to become fleshy and plump it can only result from the food we eat and digest and that food should be albuminous or flesh forming food, like eggs, beefsteak and cereals; in other words the kinds of food that make flesh are the foods which form the greater part of our daily bills of fare.

But the trouble is that while we eat enough and generally too much, the stomach, from abuse and overwork does not properly digest and assimilate it, which is the reason so many people remain thin and under weight; the digestive organs do not properly digest the flesh forming beefsteak and eggs and similar wholesome food.

There are thousands of such who are really confirmed dyspeptics, although they may have no particular pain or inconvenience from their stomachs.

If such persons would lay their prejudices aside and make a regular practice of taking after each meal one or two of Stuart's Dyspepsia Tablets the food would be quickly and thoroughly digested, because these tablets contain the natural peptones and diastase which every weak stomach lacks, and by supplying this want the stomach is soon enabled to regain its natural tone and vigor.

Stuart's Dyspepsia Tablets digest every form of flesh-forming food, meat, eggs, bread and potatoes, and this is the season they so quickly build up, strengthen and invigorate thin, dyspeptic men, women and children.

Invalids and children, even the most delicate, use them with marked benefit as they contain no strong irritating drugs, no cathartic or any harmful ingredient.

Stuart's Dyspepsia Tablets is the most successful and most widely known of any remedy for stomach troubles because it is the most reasonable and scientific of modern medicines.

Stuart's Dyspepsia Tablets are sold by every druggist in the United States and Canada as well as in Great Britain, at 50 cents for complete treatment.

Nothing further is required to cure any stomach trouble or to make thin, nervous dyspeptic people strong, plump and well.

The Windsor European Hotel, location most central, rates reasonable, special rates by week or month.—J. G. Scott.

On account of Atlas block fire, the office of the Utah Collection Agency has been removed to 156 South West Temple Street.

AT REST IN MOTHER EARTH.

Remains of Miss Mary Woodruff, Daughter of the Late President Wilford Woodruff, Brought From Provo For Interment in City Cemetery.

MISS MARY WOODRUFF.

The remains of Miss Mary Woodruff, daughter of the late President Wilford Woodruff, whose demise occurred at Provo on Sunday last, were brought to Salt Lake at 9:35 this morning over the Short Line, accompanied by a number of sorrowing relatives and friends. From the depot they were taken direct to the City cemetery, where deceased was laid to rest in the family burying ground, Elder Abraham O. Woodruff, a brother, offering the dedicatory prayer. Miss Woodruff was well known in this city, where she lived for many years, and many acquaintances, together with members of the family, followed her remains to their last resting place.

FUNERAL SERVICES AT PROVO.

Provo, Feb. 18.—Impressive funeral services were held in the Tabernacle yesterday afternoon over the remains of Miss Mary Woodruff. There was a large attendance of relatives and friends, among them Elder Abraham O. Woodruff and wife, and the faculty and students of the Brigham Young academy. The stand and organ were draped in white and ornamented with wreaths, evergreens, potted plants and flowers, and many beautiful floral offerings covered the casket. Bishop Moroni Snow of the Fifth ward presided.

The opening prayer was offered by President J. R. Keeler and the following speakers addressed the congregation: President B. Cluff, Jr., Prof. Walter Cluff, Prof. O. W. Andelin, Dr. J. M. Tanner and Bishop Moroni Snow. Each paid a high tribute to the worth of the departed, dwelling on her faith in the Gospel, purity of life, love for her mother and associates, and her faithful performance of every duty. Many expressions of the great loss sustained by the academy by reason of her departure and the deep personal loss felt by the speakers and the students were made, and words of loving sympathy for the bereaved mother and relatives were spoken. The benediction was offered by Prof E. S. Hinckley. Beautiful musical selections were rendered by the academy choir.

Convalescence.

Convalescence is sometimes merely apparent, not real, and especially is this true after such diseases as pneumonia, typhoid fever and the grip. To make it real and rapid, there is no other tonic so highly to be recommended as Hood's Sarsaparilla.

This great medicine cleanses and renews the blood, strengthens all the organs and functions, and restores health. Take Hood's. 8
