IN VARIOUS COURTS.

$7500 Damages Claimed for Using Violence and Threatening Language.

A SUIT FOR DIVORCE.

Other Items, Including County Court Affairs, Suits for Legal Services and for Injuries.

THREATENING LANGUAGE, $7500 DAMAGES CLAIMED.

A suit was instituted by Anale Chapman and Jerome Chapman against Christian Hoolman in the Third district court yesterday for damages. The plaintiffs state they are husband and wife, and that on October 18, 1892, the defendant in an unlawful, rude, angry and threatening manner assaulted Mrs. Chapman, and threatened to do great violence upon her body. Mrs. Chapman was at the time in a delicate condition, and the fright given her by the defendant caused her great prostration with nervous excitement, since which time she has been under the constant care of a physician. Hence the claim for damages.

SUIT FOR DIVORCE.

A suit was filed yesterday by Sidney Tomney for a divorce from her husband, Peter Tomney. They were married in Salt Lake City ten years ago and have one child eight years of age. The reason for the application for divorce is that the defendant deserted her about one year ago, and had treated her in a cruel manner previous to the separation. She also prays for the custody of the child and such other relief as the court may think proper.

FOR SERVICES LEGAL.

F. E. Barker has begun suit against Samuel H. Smith and Eliza J. Smith to recover $50 alleged to be due for legal services. A piano is in the hands of the officers as part of the attachment proceedings. It appears that some months ago Mrs. Smith brought suit against her husband for divorce on the grounds of habitual drunkenness and constant cruelty. The case was heard before Judge Anderson as referee and on January 12th a decision was rendered by him granting the decree. Since the decree of divorce was given the parties have resumed their relations as husband and wife, and now Mr. Barker wants his fee as if the parties had secured the divorce absolutely.

A MERCHANDISE BILL.

The J. R. Rosenthal Milling company has entered suit in Justice Whitehorn's court to collect $240.55 alleged to be due them for merchandise by J. F. C. Corbin.

$250 FOR INJURIES.

The case of Benjamin Fullmer against the Salt Lake City Railway company was up in Justice Whitehorn's court yesterday. It will be remembered that the plaintiff's buggy was struck by one of the defendants' cars on East Temple and Fourth South street, which resulted in injury to himself and damage to his horse and buggy. The court after hearing the case rendered judgment in favor of the plaintiff for $250. Notice of appeal was given by the defendants.

FIVE DOLLARS FOR EACH CAUSE.

In Commissioner Meyer's court the case of B. F. Hodgson vs. the Utah Normal College and Conservatory of Music came up for investigation. It may occupy several days. The plaintiff sues for $155.55 on twenty-six causes of action, it being alleged that the defendants agreed to instruct pupils in music under certain teachers and that the contract had been broken by the defendants after the pupils had paid for tuition.

AGAINST THE CITY.

In the case of George W. Naylor vs. Salt Lake City and the Mountain Stone company, the jury returned a verdict of $2,000 in favor of the plaintiff, with no cause of action against the Mountain Stone company.

COUNTY COURT.

Judge Blair and the selectmen of the Salt Lake County court were in session yesterday afternoon, considering affairs within their jurisdiction.

J. D. Hunter appeared in answer to a citation to show cause why he should not support his father, John Hunter, now in the infirmary. After an explanation of the affairs, Mr. Hunter, Jr., was excused on agreeing to continue the payment of $4 per month.

A communication of Nicol Hood, asking relief for John Yeas and family of Sugar House ward, was referred to Mr. Bamberger.

A communication from John R. Smith in relation to the road near Twelfth South and Eleventh East streets, was referred to the committee of the whole.

W. L. Pickard appeared as committee from the West Growers' association, and asked for the designation of streets upon which sheep could be driven, from west to east. He suggested that Twelfth South and Ninth North streets be designated. Selectman Calder was appointed to act as a committee from the court, in conjunction with like committees from the City council on the subject.

The petition of Vincent Shurtliff, asking for a change in the boundary of a school district, was referred to County Superintendent Allen.

The communication of J. H. Whitehead, Jr., with regard to a break in and the overflow of the surplus canal was laid over for the present.

The application and bond of Edward Waterall for a Beer House were received and approved.

The report of Coroner Taylor respecting the inquest on the body of a child found, dead, was filed.

COUNTY PATIENTS.

The county physician reported the patients in the city hospitals as follows: Deseret, 67, St. Mark's, 8, St. Mary's, 1; total, 71. Filed.

BOARD ELECTION JUDGES.

Joel F. Allen sent in a communication stating that the following changes had been made in judges of the bond election.

OF INTEREST TO STOCKMEN.

Second Annual Meeting of the Inter-Mountain Stock Growers' Association.

The Inter-Mountain Stock Growers' association, through its secretary, H. L. Armstrong, is sending circulars, of which the following is a copy, to all of the stockmen of the West:

Dear Sir—The second annual meeting of the Inter-Mountain Stock Growers' association will be held at Ogden, Utah, on the 20th, 21st and 22nd of April, 1893. This organization includes in its membership live stock growers and handlers and local live stock associations. Its territory comprises all the states and territories west of the Missouri and Mississippi rivers. Its objects are to consolidate the strength and influence of all live stock interests for mutual aid and protection. Such matters as markets, transportation, range regulations, a general register of brands, with means of inter-communication for the recovery of stray stock and detecting and preventing theft, etc., etc., are a part of its work and benefits. The policy of the organization is broad and liberal. It not only opens its doors to all persons, but to all companies or associations, who are in any way connected with any branch of the growing and handling of any kind of live stock. We not only make it possible but we hope to make it necessary and profitable for each and all to join us and share in the benefits of our work.

Our first meeting was at Ogden, last April, 24th, 25th, and was well attended by representatives from all sections from the Missouri river to the Pacific coast. We are assured by many communications that the coming session will be much larger in numbers and more important in its practical work, as there are many important matters to be considered and regulated. The small stock grower has come to be as much in the importance and consideration of our session which will close its work on the 22d, leaving its members free to attend that congress. It has been decided by the executive committee that each and all members of the association as well as all delegates shall be admitted and entitled to a vote at the next session to be held as above called. You are therefore invited to attend.

Please answer as the committee may know about how many to provide for.

Yours sincerely,

H. L. ARMSTRONG, Secretary.

P. S.—For benefit of parties wishing to join, the life membership fee has been fixed at one dollar, if paid at any time before the session opens.
