The Route Extended.

The Great Salt Lake & Hot Springs Railway company, has made a number of important amendments to its original articles of incorporation.

The route is now extended to Ogden and from there to a point near Goshen, in Weber county, thence east through Weber, Morgan and Rich counties to the Wyoming State line. Another amendment allows a branch line to be built from or near Centerville, westerly to and through Lake Park to the eastern shore of Antelope Island, a distance of 130 miles in length.

The amendments include the increase in the capital stock from $500,000 to $2,000,000.
