Political Meetings.

The First precinct Republican League club held a meeting last evening and elected the following officers: D. H. McAllister, president; C. W. Symons, first vice president; L. Dalquist, second vice president; Theodore Lovenskjold, secretary, and Fred J. Lamard, treasurer.

A rally of the First precinct Republicans was held last evening in the annex to the Ninth ward meeting house. C. W. Symons acted as chairman, and speeches were made by J. M. Tanner, Miss S. Johnson, A. F. Lewis, Mrs. Emma J. McVicker and Mrs. Eliza L. Smith.

The Scandinavian Republicans met in the Opjirth club rooms last night and organized a club with the following officers: A. E. Eklund, president; Jens C. Sanberg, first vice president; John Hansen, second vice-president; A. S. Buckman, secretary; L. Lawson, assistant secretary, and Gus Johnson, treasurer. The club will meet again on next Monday evening.

A Republican open air meeting is being arranged for Wednesday night at the "Uncle Ben" Whitemore. It will take place in front of the Union Pacific, where a large platform will be built and speakers will be made by Hon. C. W. Bennett, Judge C. S. Zane, C. E. Stanton, Arthur Brown, M. M. Margan, Theodore Meyer, E. M. Anderson and John Henry Smith. The Lincoln club orator, the Bamberg club and the Thompson orchestra will also take part in the affair.

DEMOCRATIC RATIFICATION.

General Jubilication Over State Ticket Nominations to be Held Tomorrow Night.

The Territorial Democratic committee are busy as bees in making arrangements for the general ratification meeting of their party to be held in the Salt Lake Theater tomorrow night. Brief speeches will be made by all the state ticket nominees and a number of stirring political lights. The Theater will be profusely decorated, music will fill the air and party enthusiasm will do the rest.

Judicial Convention.

The Democratic judicial convention for this district will be held in the Salt Lake Theater tomorrow morning beginning at 10 o'clock. The district comprises three counties, but one—Salt Lake—will probably secure all the nominations as Summit and Tooele delegations will not, it is said, pose their claims very strongly. The candidates spoken of most freely are Judge Howat, Ogden Hiles, Judge Cherry, LeGrand Young, Judge McNally and Walter Murphy.

Political Bicycle Races.

Connected with the inter-state bicycle meet which takes place at Buck's Hot Springs next week on October 5th, will be a novel affair for which the newsboys are responsible. It is a newsboys' bicycle race on political lines.

H. M. Wells, the Republican gubernatorial candidate and the Tribune will be defended by Joseph Simpson, on a Stearns. Harry Smith on a Healley and Will Atkin on a Spaulding.

The Democratic candidate for governor, John T. Caine, and the Herald will be upheld by George Simpson and Patty Leonard on National wheels, and Joseph Nalders will mount a Stearns and ride for the Democratic congressional candidate, B. H. Roberts.

John Simpson on a Syracuse will back M. R. Evans in his race for mayor, while the NEWS will be also defended by Peter Duffyon a Monarch.

Tack Throwers Beware.

A circular has been issued by the executive committee of the Utah division of League of American Wheelmen in which they offer $10 reward for information which will lead to the arrest and conviction of any person who is guilty of placing tacks, glass, or other sharp substances on the sidewalks, streets, or in the halls of buildings for the purpose of puncturing the tires of bicycles, or who may cut or injure such tires with a knife or other sharp instrument. A determined effort is being made to bring to justice those mean cusses who indulge in such tricks.
