HEARINGS IN THE DISTRICT COURT.

Harry Moss on Trial for the Slaying of William Stone.

AFFAIRS OF WEBER COUNTY.

Anderson-Greenwell and Other Weddings—Bride of Seven Months Wants Divorce.

Ogden, Utah, April 26.—Harry Moss, who was one time waiter at the Elite Cafe, but for some months past has been employed at the Reed hotel, is now on trial in the Second district court for the killing of William E. Stone, June 10, 1904 at a pleasure resort in Ogden canyon, the specific charge against him being manslaughter. The state is represented in the case by District Attorney Halverson, and the defendant by Attorney H. H. Henderson. The case was opened before Judge Howell at 10 o'clock yesterday morning at 10 o'clock. The greater part of the day was occupied in securing a jury.

The following jurors were sworn in at 4 o'clock to hear and decide the case: S. W. Peery, Jr., Lars C. Jensen, Samuel Dyer, Nathan Hawkes, H. H. Goddard, William E. Staker, Cyrus Rawson and John W. Rex.

The first witness called for the state was Robert L. Taylor. He testified that on the evening of June 10, 1904, he in company with William E. Stone who was but 20 years of age, and a young man named Wilson, secured a buggy and decided to drive up to the Hermitage in Ogden canyon to attend the dance. That before starting up the canyon they had a couple of drinks of beer, they drove up to the dance hall, and tied up their horse. Taylor had gone ahead of his companions a short distance and called to them to come on. Just then Moss came out of the saloon and as witness supposed he thought he was calling to him, asked "What do you want of me?" Witness testified that he told Moss he was calling to his companions, but Moss persisted in wanting to know what he meant. At this juncture Stone and Wilson stepped up and soon Stone and Moss were fighting. Stone threw Moss down and was striking him when they were separated, but in a few moments were fighting again and Stone succeeded in again getting Moss on the ground. It was then Moss stabbed Stone in the neck twice severing the jugular vein and carotid artery. Stone sprang up with the remark "I am cut." He was taken over to the buggy and his companions started to Ogden with him. Taylor holding Stone. They drove rapidly to a short distance west of the mouth of the canyon when the buggy struck some gravel in the road which had not been leveled and the vehicle was tipped up and the injured man, witness and Wilson were thrown out. A Mr. Fisher came along and brought them to Ogden and took Stone to Dr. Gordon's residence and later to the hospital, where Drs. Gordon and Baker attended him, but he had lost too much blood and the injury was so serious that he died from the same at about 3 o'clock in the morning. Witness testified that he reported the matter to the police and went with the officers to the Brown hotel, where the defendant was arrested.

After the taking of this testimony, court adjourned until this morning at 10 o'clock.

WEBER COUNTY COMMISSIONERS.

At the regular meeting of the board of county commissioners considerable routine business was transacted.

Commissioner Stanford reported that at the time D. W. Ellis and Surveyor Craven made a survey of Ogden canyon last September, staking out the 66 feet the county owns for a roadway, they found a number of fences, buildings and other obstructions on the right of way. The owners of such obstructions had been notified to remove the same or make satisfactory arrangements with the county for the same, but the notifications had not been complied with, and Commissioner Stanford recommended that the sheriff be instructed to notify the parties again, and if they did not then comply with the request that legal actions be taken against them. The report was adopted.

Commissioner Wilson was authorized to purchase 200 ounces of strychnine in crystals to be distributed throughout the county for the destruction of gophers, prairie dogs, squirrels and other small animals that destroy the crops. No person will receive more than five ounces of the poison.

The board authorized the placing of fish screens in the eastern tributaries of the Ogden river to prevent the small fish from getting down into the heavy stream while so young. The 100,000 trout fry for this county will be received some time next week.

C. A. Hickenlooper, secretary of the state board of horticulture, sent a communication to the board, calling its attention to the new law providing for the appointment of a county horticultural inspector, with a sufficient number of deputies to make it possible to inspect carefully, at least once a year, all the orchards, nurseries, storage rooms, etc., in the county. The matter of making the appointment was deferred for one week.

The Utah commission for the Lewis & Clark exposition, to be held at Portland, asked the board to use their influence in assiting to make the Utah exhibit advantageous and attractive. A number of suggestions were offered on the matter in the communication received.

MARY JACOBS WANTS DIVORCE

Mrs. Mary Jacobs, although only married but a little over seven months, has tired of her husband, William D. Jacobs, and has filed a suit in the Second district court for a decree of divorce. The complaint alleges that the couple were married in this city Sept. 6, 1904, that since said marriage her husband has treated her in an unkind and inhuman manner by throwing her down on the floor, whipped and struck her with a stove lifter and has used profane language to her, wherefore a decree of divorce is prayed for.

ANDERSON-GREENWELL NUPTIALS.

A pretty home wedding occurred yesterday afternoon at 368 Twenty-Third street when Miss Ellen Maud Anderson was married to Charles H. Greenwell, Jr., at 3 o'clock in the afternoon, the groom's father, Charles H. Greenwell, performing the ceremony. After the ceremony congratulations were extended by the wedding guests who consisted of the relatives of the con racting parties and a few intimate friends. A sumptuous repast was served. The bride is a daughter of the late Dr. Anderson, and one of Ogden's most popular and accomplished young ladies. The groom is one of the city's promising young business men connected with the Greenwell Brothers' butcher business. Mr. and Mrs. Greenwell have a host of friends in Ogden who will join in wishing them many years of prosperity and happiness. They will make their home at the Anderson residence on Twenty-third street.

OTHER WEDDINGS.

Marriage Licenses were granted by the county clerk to the following couples:

Parley P. Taylor, 27, of Ogden, and Miss Eliza N. Guthrie, 23, of Syracuse, Davis county. They went to Salt Lake today and will be married in the temple tomorrow.

Nephi Swenson, 21, of Harrisville, Weber county, and Miss Annie Rawson, 20, of Farr West, Weber county.

MOTHER AGAINST SON.

Mrs. Hannah Hayes has commenced an action in the Second district court against her son, Walter Hayes, to have the deed to 25 acres of land situated in West Weber, Weber county, set aside. The complaint alleges that in 1902 the plaintiff and her husband, Benjamin Hayes, now deceased, made and delivered to their son, the defendant, a transfer to the land in question in consideration that he give them certain support during their lifetime and that they have use of the land during their life, but at their death it should go to the son, Walter C. Hayes. That the father died Nov. 8, 1902, and that since that time the son has given his mother, the plaintiff, little aid. Wherefore Mrs. Hayes prays for a decree of the court declaring the said transfer void, and giving back to the plaintiff the property in litigation.

HIGH PRIESTS' MEETING.

The regular monthly meeting of the quorum will be held in the Third ward institute, Ogden City, Saturday, April 29, at 11 a. m. Members and candidates please bear it in mind.

Good Advice To Sick Women

Mrs. George A. Hess Has Had Sufficient Experience To Give Advice.

"Just let me tell you what Rexall Mucu-Tone did for me," writes Mrs. Hess of 96 Brown Place, Jersey City, N. J., to the Smith Drug Co.,:

"For five years I had been growing more and more feeble. I was weak, run down and nervous; suffered with pain in my back and side constantly, and was unable to obtain any relief whatever. It seemed as if my cup of trouble was already full when I was over taken by catarrhal bronchitis and for five weeks was confined to my bed.

"Nothing seemed to help me, and I was in deepest despair when a neighbor advised me to try Mucu-Tone. From the first dose I experienced relief. I succeeded in breaking up the attack completely within twenty-four hours, and at the end of a week I felt like a new woman. Today I am in perfect health; something I have not known for years. I therefore feel safe in advising all women who are nervous and broken down to buy a bottle of Rexall Mucu-Tone and take it as directed."

"Mrs. Hess' letter literally describes the ailments that many people in our own community are suffering from," said Mr. Druehl of the Smith Drug Co. "If you have these symptoms it means that some part of your system has been attacked by catarrh. One after another the organs become deranged, the liver and kidneys are no longer able to purify the blood, and the heart becomes affected; sleeplessness, melancholia and despair follow. You grow weak and Haggard, have pains in the back, under the shoulder blades, and bearing down pains in the lower abdomen. You have probably thought that you are merely run down and need a tonic.

"Yes, you are run down, you do need a tonic, but you need more than a tonic, you need a remedy that will clean the mucous membranes. Rexall Mucu-Tone does that. No matter how slight your weakness or depression you need Mucu-Tone. No matter how bad your catarrh, Mucu-Tone will quickly cure it.

"Our confidence in Rexall Mucu-Tone is based on the knowledge of what this remedy has done in thousands of cases. We know it will benefit you. If it doesn't you come to our store and we will refund you the purchase price. We are putting out trial bottles on this guarantee at 50 cents." Smith Drug Co., also Druehl & Franken.

GARDEN CITY NOTES.

The county commissioners have let the contract for building an annex to the county jail to Arthur D. Dixon. The cost of the addition is to be $3,143. T. F. Pierpont has been given the contract for remodeling the jail, at a cost of $575.

Willard Smith of Springville was fined $15 yesterday by Justice Noon on conviction of a battery committed on Charles Jones, a Provo boy. Defendant gave notice of appeal.

A daughter has been born to each of the following families: Mr. and Mrs. Hugh McGean and Mr. and Mrs. Geo. S. Busby.

John Walker, of Salt Lake, died in the state mental hospital Sunday from exhaustion, at the age of 29 years. He was committed from Salt Lake about three weeks ago. The burial took place here today.

A fire, caused by an overheated stove or a defective flue, destroyed a small frame addition to the Wm. S. Pratt building on First West street, last evening. The room was occupied by a Mrs. Sims, a widow, who depends upon her labor for a living, and while the loss was small in dollars and cents, probably not to exceed $75, it meant a great deal to the woman, who lost all her effects. A subscription was taken up for Mrs. Sims.

The Sons and Daughters of the Pioneers have secured very pretty badges for the members. The badge is gold-fringed, a sage green ribbon, suspended from a medallion in the form of a flower with petals of red, sage green and yellow, (the colors of the association) in the center of the flower is a picture of a buffalo, on white ground. On the suspended ribbon the inscription "Sons and Daughters of the Pioneers—Utah, 1847" is printed in gold.

COALVILLE.

U. P. STATION BURGLARIZED.

Safe Blown Open but No Booty Obtained—Suspects Arrested.

Coalville April 24.—A special to the Herald states that the Union Pacific railroad station office was burglarized Sunday night about 12 o'clock. The safe was blown open and completely demolished. The agent had removed the money before leaving the office, hence the burglars secured no booty. People living in the vicinity of the office heard the shot which wrecked the safe. Nitro glycerine was the explosive used to blow up the sife. Six suspicious characters are under arrest pending an investigation. The office presents a sorry spectacle. The floor is strewn with mutilated railroad tickets and office papers. Although the safe was blown to pieces by the powerful explosive, there is not a window pane in the office cracked or broken.

This is the third or fourth time the same office has been broken into, and an effort made to open the safe by force, within the last few months. On these occasions the safe has withstood the atttempts to destroy it, but last night the burglars pumped a sufficient quantity into it to put it out of service hereafter.

About 8,000 Acres of State Land Open For Entry May 1.

Special Correspondence.

Emmett, Canyon Co., Idaho, April 19.—A big sugar factory is to be built this year at Nampa, 22 miles from here, at the junction of the Oregon Short Line and the Idaho Northern.

Emmett is the terminus of the Northern railroad on the Payette River. It has a population between 1,500 and 2,000 inhabitants, is a very prosperous town, and is building up very fast. Emmett is the nearest shipping point to the Pearl mining district and the main route to the great mining camp located in Thunder Mountain.

At a conference held here March 27, J. R. Harris was chosen counselor to Bishop David Nelson in place of R. S. Abbott, who has moved away. The ward is in a prosperous condition with all the organizations in good shape. There is plenty of room here for more industrious Latter-day Saints.

About 8,000 acres of fine state land is to be opened for entry on May 1, under the Carey act. On and after that date the land can be filed on the same as in the United States land office. Parties interested may get any information desired from the Idaho land department, Boise.

MAY PROVE FATAL

When Will Salt Lake City People Learn the Importance of It.

Backache is only a simple thing at first;
But when you know 'tis from the kidneys;
That serious kidney troubles follow;
That diabetes, Bright's disease may be the fatal end,
You will gladly profit by the following experience.
'Tis the statement of a Salt Lake City citizen.

Mrs. John Bausell, wife of John Bausell, bricklayer, of 7 Galena block, says: "If all annoyed for years with pain across the loins, sometimes so severe that they can scarcely stand it, which resists the use of plasters and other makeshifts; if all bothered with a weakness in the action and condition of the kidney secretions, disturbing their rest at night despite the fact of using remedies, could have those ailments removed as quickly as Doan's Kidney Pills, procured at the F. J. Hill Drug Co.'s store, stopped mine, then backache or kidney complaint in any of its forms would cease to exist in this vicinity. Satisfied that the first box did me a wonderful amount of good I purchased a second and when I stopped it the last attack disappeared. Mr. Bausell also used Doan's Kidney Pills and from the treatment received undoubted benefit. We both recommend the remedy very enthusiastically."

Nervousness and Nerve.

The more nervous a man is, the less nerve he has. That sounds paradoxical—but it isn't; for nerve is stamina.

Hood's Sarsaparilla gives nerve. It tones the whole system, perfects digestion and assimilation, and is therefore the best medicine a nervous person can take.

If you get tired easily, mentally or physically, take Hood's—it will do you good.
