THE VERY BEST
Butter is monarch of the table. Its right to first place, there's none to dispute, and in Utah none can dispute that our butter is always the best. Such a triumph of the dairy can at best be only equalled, never surpassed. The only butter hereabouts like ours is ours, and our price for it is only 25 cents a pound. Poor butter is never cheap, want it ever so much. "Eat the best of everything" is the first rule of good digestion. That means hereabouts eat from our stock of groceries.

ANOTHER RAMBLER DAY.

The Rambler boys made a great showing in the Ogden races. The first event of the day was the ten mile road race, in which McCormick finished third, taking third prize and third time prize. Then came the track race, Joe Rock taking second in the series, Fowler first, Rock second, and Thatcher third in the mile scratch, class B, all "Ramblers" you understand. In the half mile class A, Rock took second, Carter third. Half mile, class B, Thatcher second, Fowler third. Five mile, class B, Fowler second. In this race a tandem was ridden over the head and Bill Carpenter and Weil being immediately behind him, the result was a spill for these parties and the race lost to Kraus. The five mile class A was another Rambler event, May taking first, Joe Rock second and McCormick third. Fourteen prizes in one day is going equally for any one.

Points may change and points may stay,
And race may end in foul prizes,
But Rambler boys are winners wherever they go
Regardless of how others feel.

Moral—Buy a Rambler. Ride a winner and you'll be a spinner.
