IN ALL THE COURTS.

Verdicts in Two Civil Jury Cases Rendered This Morning.

HEARING BEFORE A REFEREE.

A Salt Lake Attorney Arrested for Obtaining Money By False Pretenses: Now in Jail.

This has been another slow-going day in the Third district court. Judge Hartch took his seat in the criminal department at 10 o'clock and adjourned five minutes afterwards until tomorrow morning, when the awesome case will be proceeded with. The reason for today's repose was that no cases remained on the calendar for trial on this date.

CIVIL JURY CASES.

Judge Merrill resumed the hearing of civil jury cases today.

FOR THE PLAINTIFFS.

In the case of the Hansen Produce Co., vs James W. Hanson, Attorney J. M. Hamilton appeared for the plaintiffs and Attorney Orson G. P. Jackson for the defendant.

The matter came here on appeal from Commissioner Greenman's court, where judgment went in favor of plaintiffs for the sum of $200, and costs taxed at $9.35. The claim was for cigars sold and delivered. From the finding of the lower court the defendant appealed.

The jury found for the plaintiffs, according to the judgment of the court below.

FOR THE DEFENDANTS.

The jury before whom was tried yesterday the case of James Thompson vs Oscar Olsen and A. D. Riley, defendants, the morning came in with a sealed verdict. They found for the defendants, thus sustaining the judgment of the court below (ex-Chief Justice Sloan). The battle was brought to recover a well sinking machine, or its value.

A DOWNWARD STEP.

Now comes the information that Frederick (or Fritz) Waite, well-known member of the Salt Lake bar, and who was quite popular in society circles of the city, can take the witness stand. A warrant for his arrest was issued yesterday issued by Commissioner McNulty, it being alleged that he obtained $10 from Barney Harvey, the Second south street saloon keeper, by means of a forged check.

It seems that late Monday Waite called at Harvey's saloon and induced him to cash a $10 check drawn upon the Union National bank, saying he was going to Ogden on urgent business. Yesterday Mr. Harvey discovered that the check was a forgery, and Waite was given until a certain hour to make good the money. Failing to do so, a charge of obtaining money by false pretenses was looked against him.

Mr. Waite's father was formerly one of the leading members of the Chicago bar, but is now living retired, taking almost a considerable interest.

Drink and an unfortunate love for gambling is said to have been young Waite's weakness for some time past, and he was, besides, an inveterate cigarette smoker. To these habits his friends—and he has a wide circle of them in this city—attribute all his troubles. Mr. Waite was formerly in partnership with Attorney Williamson and took the leading part in the defense of Harry Hammond, the slayer of little Lizzie Richardson, and who is at present an inmate of the Columbia Reform school, near Washington.

Barney Harvey today went before Commissioner McNulty, stating that Waite came to his place about 1 o'clock this morning and made good the money which he unlawfully obtained from him. On this he asked that the charge be dismissed, and the case was stricken out.

Waite was arrested, however, by a city police officer at 9:30 this morning on another charge—it is understood to be embezzlement—though up to this afternoon no complaint had been actually sworn to. The defendant is in custody at the city jail—"entering up."

BEFORE A REFEREE.

Attorney H. E. Busch sat as referee in the Third district courtroom today to take testimony in the case, now pending, of the State Bank of Utah vs. St. Patrick Ryan et al. This part of the inquiry had reference to the amount of money necessary to be obtained by the receiver out of the suit now in his hands, to meet the expenses of the receivership, and also to the account of the trustee. The latter point has, however, gone over for a week.

MRS. JOHNSON'S TROUBLES.

She Wants a Divorce On the Grounds of Cruelty and Failure to Support.

Josephine C. Johnson this afternoon brought a suit for divorce in the Third district court against her husband, Gustave O. Johnson, on the grounds of cruelty and failure to support.

The parties intermarried in this city in February, 1885, and Mrs. Johnson alleges that ever since that time her husband has treated her at various times in an inhuman manner. He has used vile language toward her, accused her of infidelity and buried at her other false charges. She further says that on one occasion her husband was reprimanded by the authorities of the church to whom they belong for his cruel treatment, and on his promise then to behave better in future she forgave him. He has since fallen into his old ways, however, and she leaves him. Plaintiff claims she is a resident, stating that on July 19th, 1893, her husband forcibly threw her to the ground, bruising her about the arms and legs to such an extent that she was seriously ill for two weeks afterwards. For more than one year past her husband has failed to provide for her, and she says that he is able and will not work. Defendant, she adds, is the owner of real estate in this city worth about $7,000, with dwelling thereon, on Ute street, and personal property of the value of $500 or thereabouts. There are now living, issue of the marriage, two children, aged respectively 10 and 13 years.

Judge Merrill has signed an order calling upon the defendant to show cause on October 27th why he should not pay alimony pendente lite, attorney's fees and costs. He is likewise restrained, during the pendency of the action, from selling or incumbering his property, real or personal.

R. W. Darke is the plaintiff's attorney.

Land Office.

The following filings were made in the local land office under date of October 24:

Kimball Stevenson, of Fillmore, Millard county, homestead entry of lots 2 and 3, the northwest quarter of the northeast quarter, and the southeast quarter of the northwest quarter of section 5, township 21 south, range 5 west.

John Rasmussen of Fillmore, Millard county, homestead entry of the east half of the southeast quarter of section 31, and the west half of the southwest quarter of section 32, township 20 south, range 3 west.

POLITICAL MEETINGS.

Judge Goodwin and Judge Powers to Joint Debate—Rehearsals at the Continental.

It has now been definitely decided that the joint debate between Judge Goodwin and Judge Powers at the Theater will take place on Thursday evening of next week. The question over which these politicians will measure strength is "Resolved, That it is in the interest of the mass of the people that the Democratic party should succeed." A meager admission fee will be charged and the proceeds will go to the Associated Charities and Working-women's Home.

Hon. B. H. Roberts will deliver a political address in the Continental theater this evening. Judge Henderson will speak to the citizens of the Third precinct in the Seventeenth ward meeting house tomorrow (Thursday) night.

Zane, and Hyphenated continued, Critchlow, Lynch, Spencer, Hardy, Lyon, Christopherson, Roberts, Gaines, Lewis, Stoutnell, Squires and Williams. There was a torchlight procession, plenty of music and unbounded enthusiasm.

The Lincoln club will parade the streets. The best talent of the party will expound the principles they have espoused. The Republican line club will also be in attendance.

There will be a big Democratic rally in the Eleventh ward tomorrow (Thursday) evening, commencing at 7:30. It will be held in the old school house, corner First South and Eighth East streets. Matrimonial.

Probate Judge Hall this morning united in marriage, in his court room, Joseph E. Price and Winnie Jennie Priestley, both of this city.

Wife Desertion and Divorce.

On the grounds of desertion and failure to support, Sophia Brown was today granted a divorce from her husband, Sherman W.

The parties were married at Chicago on September 12th, 1883, and Mrs. Brown stated that for more than six years past the defendant has wilfully neglected to provide for her the bare necessaries of life. He is now in South Dakota.

Weber County Items.

Mrs. Wm. Shipley, of Riverdale, who has been suffering from the effects of an ovarian tumor, has just submitted to an operation for its removal. Dr. Hiss, assisted by Drs. Powers, Bond and Bich, of Ogden, took the tumor which extracted weighed twenty-one pounds. Mrs. Shipley is reported as making satisfactory progress.

Receiver J. C. Armstrong of the Citizens Bank, of Ogden, has filed two suits against Theodore Schlemer, ex-manager of the same—one for $2,200 and interest and the other for $800 with interest.

Ruth Barnett, Ogden, yesterday sued for a divorce from her husband, Frank A. Barnett, alleging drunkenness and failure to provide.

EXPERIMENTS IN HYPNOTISM.

To Ascertain the Value in Medical Practice.

KANKAKEE, Ill., Oct. 24.—Fifteen prominent physicians of this city engaged a well known hypnotist to demonstrate the value of his hypnotism to medical science. The doctors selected a young man, a resident of this city, to consent to be the professor's subject. The professor placed him in a hypnotized state upon an operating table. The doctors applied the most severe tests in the way of irritants to the patient's skin, using chloroform and ammonia, without any effect.

They also ran needles through the thick parts of the hand without the subject experiencing any pain. Upon being brought out of the state he did not know what had been done to him. The doctor hypnotized several other subjects and put them to severe tests. The doctors decided that hypnotism could be used in surgery with great success.

THE CZAR WORSE.

His Death Now Said to Be Imminent, Drowsiness Has Set In.

DUKE MICHAEL PROCLAIMED HEIR

Effect of the Illness of the Russian Emperor on the War in Eastern Asia.

PARIS, Oct. 24.—A dispatch to the *Figaro* from Odessa, dated at 10:30 p. m. yesterday, says the czar's end is imminent. Drowsiness has set in.

ST. PETERSBURG, Oct. 24.—Dispatches received from Livadia this morning say that the condition of the czar has again changed for the worse.

NOT VERY HOPEFUL.

BERLIN, Oct. 24.—The *Neueste Nachrichten's* correspondent in St. Petersburg telegraphs that a prominent Russian court official has received the following dispatch from Livadia: "It is not expected the death of the czar will occur within the next forty-eight hours, and it is probable his majesty's life will be prolonged a much longer time."

HEIR TO THE THRONE.

ST. PETERSBURG, Oct. 27.—The imperial decree was published today confirming Grand Duke Michael, the third son of the czar, heir to the throne in succession to his brother, Grand Duke Nicholas, the Czarewitz and present heir apparent. Grand Duke George, the second son, has renounced his rights to succession on his condition to succeeding to Georgia. The following official bulletin was issued at Livadia this morning: "The czar slept a few more last night. His nourishment is not strong and has some appetite."

EFFECT ON THE CHINESE TROUBLE.

WASHINGTON, Oct. 27.—The critical illness of the czar has for the time being diverted Russia from the attitude she was going to give to the Eastern war and has made it impossible that the czar should take further steps toward bringing the belligerents to a halt. The conversation of Prince Lobanoff has been viewed with alarm, owing to the intimation that some other countries have in Asia. Under these circumstances, diplomatic circles here say Germany will make her take the initiative in any peace overtures between China and Japan. Indications point that negotiations will not be delayed.

ANXIETY IN FRANCE.

PARIS, Oct. 24.—A dispatch from Livadia received by a government official says the death of the czar is expected in a few hours. There is a growing anxiety in French government circles.

WHAT THE DOCTORS ARE DOING.

LONDON, Oct. 24.—A special correspondent telegraphs from Livadia this afternoon saying that the czar has been much relieved by the puncture of the legs with relieving orifices. Preparations are being made for an operation to relieve the effusion into the thoracic cavity, which will doubtless relieve the distressing breathing of the patient. Oxygen inflations have already strengthened the action of the heart, and the czar has enjoyed many hours of rest. But, says the correspondent, there is little or no improvement in his condition mainly.

Will Contest the Will.

SAN FRANCISCO, Oct. 24.—The charitable bequests of J. V. De Lavegne, amounting to $775,000, are to be contested on the ground that they violate section 1,313 of the civil code of California, which provides that no bequests shall collectively exceed one-third of the estate of the testator, leaving legal heirs. Where there is such excess, the code provides that the bequests shall be reduced pro rata until the aggregate equals only one-third of the estate. Lavegne's entire estate is valued at $900,000, the greater portion being left for the establishment of a deaf, dumb and paralytic institute at Santa Cruz.

Brown Sea Splinters.

ABERDEEN, Scotland, Oct. 24.—A dispatch from Peterhead, a seaport twenty-five miles from here, announces that the Swedish schooner Alcon, loaded with gunpowder, has been blown up. Within two minutes after the explosion nothing was seen on the surface of the water but splinters from the schooner. All of the crew perished.

Pullman Wants a Change of Venue.

CHICAGO, Oct. 24.—The Pullman company has appealed for change of venue from Judge Gibbons in the quo warranto case brought by Attorney General Maloney.

The grounds alleged for the change was prejudice on the part of the court. Defendants stated that Judge Gibbons had written a book on the subject of land by corporations, and his views as set forth therein would make an impartial hearing impossible. The application for the change was resisted by Attorney General Maloney. Long arguments followed.

In the course of his statement Maloney said the men who signed the affidavit committed both a moral and legal perjury. Judge Gibbons affirmed it was evident on reading the affidavit, the father of it had not read his work, as not a word from cover to cover represent legitimate corporations. This decision was practically a substantiation of Maloney's accusation, for affidavit needed to have read the book before he could affix his name to the information. The affidavit was signed by S. Werthheimer, secretary of the defendant company.

CONVERTED AND MARRIED.

Princess Alix Accepts the Czarowitz and His Church.

PARIS, Oct. 24.—A telegram from Odessa says the marriage of the Czarowitz to Princess Alix of Hesse Darmstadt began this morning at Livadia. A telegram has been received at Darmstadt announcing the conversion of Princess Alix to the Greek faith took place yesterday in the presence of Procurator General of the Holy Synod Pobedonostoff in the strictest privacy.

PHILADELPHIA, Oct. 24.—In the presence of civic and military dignitaries from all parts of the country and amid the crack of muskets and a raise of martial music, the equestrian statue of Major General McClellan was unveiled in North Penn of the city hall this afternoon. The general's widow and son, Col. George B. McClellan, Gov. Pattison, Pennsylvania; Reynolds, Delaware; McCreary, West Virginia, and Fishback, Arkansas; Major General Schofield, and a host of already equally distinguished persons were here.

In the Supreme Court.

WASHINGTON, Oct. 24.—Argument was begun in the U. S. Supreme Court today on an appeal of the government from the decision of the United States circuit court for the eastern district of Pennsylvania, in favor of the American Sugar Refining company, E. C. Knight and Spreckles and Franklin refiners, against which the government brought suit under the Sherman anti-trust law. Ex-Solicitor General Phillips opened for the government and John Johnson for the refiners.

PROVO.

PROVO, UTAH, Oct. 24, 1894.

A Big Damage Suit.

A tie for the Doates cattle stealing case was disposed of in the First district court, yesterday, the case of Jas. D. Powers vs. Thos. J. Caldwell was called up. J. W. N. Witherspoon and S. R. Thurman appeared for plaintiff and S. A. King and S. K. King for defendant.

Plaintiff sues for damages in the sum of $10,000, for malicious prosecution. He was arrested in Verna, Uintah county, on the 11th of May, 1892, on a complaint sworn to by defendant, before Justice Park of Vernal. The complaint charged him with malicious mischief consisting of administering some poisonous drug to a race horse belonging to defendant. After a trial in the justice's court Mr. Powers was acquitted.

Ten thousand dollars of the amount of damages claimed are for the injury he has suffered in his good name and reputation, and the $90 for damages and loss to his business, as a sheepman, and expenses incurred in defending himself on the charge of malicious mischief.

Jas. D. Powers was the first witness. He testified that he was in the sheep business near Vernal in the spring of 1892. In May, 1892, there was a horse race between a horse belonging to Chas. Crouse and one belonging to T. J. Caldwell; witness was helping attend the Crouse horse; he had nothing to do with the Caldwell horse, and did not go near him. Mr. Whittaker had charge of the Caldwell horse.

A few days after the race witness was arrested at his sheep camp on Diamond mountain, and taken to Vernal on a complaint charging him with having administered poison to Mr. Caldwell's horse. The witness here last fall to the loss he had sustained, by being obliged to leave his sheep, and also in regard to expenses he had incurred by paying witnesses and an attorney at the time of his trial before Justice Park. He was acquitted of the charge by Justice Park.

W. H. Meadows testified that he was present at the race. He did not think a man could have administered poison to a horse on the track without being seen.

Several other witnesses testified in a similar manner.

T. J. Caldwell, the defendant, testified that a horse was well before the race ran, and that when the race came the night the second time he was sore, and he gave was poisoned. He had been told by several parties, after the race, that Mr. Powers had dragged the horse. This was what caused him to bring suit against Mr. Powers. He had laid the facts before the prosecuting attorney and his assistant, and they advised him to institute criminal proceedings against Mr. Powers. Witness denied being actuated by any malice in the matter of the criminal prosecution instituted against Mr. Powers.

Lorenzo Hatch testified that Mr. Crouse had offered a Mr. Whittaker $75 if he would administer a poisonous drug to Mr. Caldwell's horse. Witness had communicated this to Mr. Caldwell.
