THE SEMI-WEEKLY NEWS

THE GREAT COUNTRY PAPER OF THE WEST

Is issued Mondays and Thursdays and contains all the cream of the Daily and Saturday News

LOCAL BRIEFS.

The Men's club of the First Baptist church will meet this evening at the church parlors.

There is a standing notice in the weekly bulletin of the First Methodist church, as follows: "Ladies are kindly requested to remove their hats during the sermon."

Secy. Raybould of the Elks is sending certificates of membership to members of the local lodge, so that they can identify themselves at Buffalo should they desire to attend the annual convention.

The Saints of the Seventeenth ward will meet at 7:30 this evening to pass on the plans proposed for the new meetinghouse to be erected on North Temple street between West Temple and First West streets.

The following program will be given at this afternoon's organ recital in the Tabernacle: Final Duo from "Tristan and Isolde" (Wagner); (a) Passepied (Delibes), (b) Cantilene (Jesse), (c) Old Melody; March in G (Smart).

There was another grass fire this morning at 9:30 o'clock, the flames being caused by children playing with matches. The location of the fire was 270 Wall street, and Chief Workman and the apparatus from No. 2 station responded to the alarm. No damage was done.

Morris Shankman, aged 12, who lives with his widowed mother at 61 west Third South street, left home yesterday noon "to look for work" and has not been heard from since. Mrs. Shankman reported the matter to the police this morning, and they are looking for the boy.

Frederick Branning, aged 12, of 112 west First South street, while hanging behind an Elgin dairy wagon yesterday, caught his foot in the nearest wheel, was thrown to the ground, run over and painfully injured. The boy was removed to his home and medical aid summoned. He will not do any more "hanging on behind" for a long time.

W. Veass, a colored man, was arrested last night by the police, and is being held for a Provo officer. It is claimed by the authorities at Provo, that Veass robbed a woman in the depot yesterday. It is said that he stole a purse containing some money, a watch and a railroad ticket. The Ogden department has been notified of the capture.

Invitations have been received by Judge Willis Brown of the juvenile court to address the Y. M. C. A. convention at Seattle, the National Association of Charities and Corrections at Portland, the National Christian Endeavor convention at Baltimore, and a convention of reformists at Providence, R. I. The judge will probably accept the two western invitations.

The Y. M. C. A. bachelors' quarters will be opened next Thursday evening, the delay having been due to trouble in getting furniture through the strike embargo at Chicago. The directors will decide as to the formal opening date next Wednesday. The Turkish baths will be opened tomorrow, and will be in operation from noon until 10 p. m., daily.

A letter has been received by Gov. Cutler from Prof. J. A. Widtsoe of the experiment station at Logan, thanking the governor for the reception tendered the congressional committee, which was here recently inspecting the government irrigation project in Strawberry valley. He states that the visit of the committee will undoubtedly result in great good in the development of this state.

The families of the late Bishops Richard V. and Elias Morris will hold their annual reunion at Liberty park this year. The date of the celebration is Friday afternoon, June 30. There will be no set program, but sporting and other contests will be arranged on the ground for the benefit and pleasure of the young people. All will take their own picnic and will contribute as much merriment as they can to the success of the occasion.

The W. C. T. U. carried flowers to the 95 inmates of the county infirmary yesterday afternoon, under the leadership of Mrs. W. N. Young and Miss Anna Baker, and much sunshine was thereby brought into the hearts of the poor people. In addition to the flowers there was an interesting program including recitations and singing, and Miss Bessie Young gave several declamations. The flower mission of the W. C. T. U. will next visit the local orphan asylums.

Captain Woodward of the Twenty-ninth infantry has gone to Las Vegas for a short trip. Captain Sturgis of the artillery corps has gone to Fort Sill, Okla., to be present at the organization of two provisional regiments of light artillery, and it will be of interest to Salt Lake people to know that Lieut.-Col. Cliff of artillery, formerly stationed at Fort Douglas, is also for the time ordered to Fort Sill for duty. The provisional artillery regiment at Fort Riley, Kan., will make a march of 299 miles.

On July 1 Mr. Henry F. Fernstrom will retire from the city recorder's office, where he has filled the position of clerk during the present administration, and will accept a position with the Bamberger Coal company. City Recorder Critchlow has decided to appoint J. R. Tuddenham, son of Councilman Tuddenham, to fill the place to be made vacant by Mr. Fernstrom's resignation. The appointment was sent to the council last evening, but on account of the bond matters taking up the entire session it was not acted upon but will be taken up Friday evening at the adjourned session.

The United States civil service commission announces an examination on July 19-20, 1905, at Salt Lake City and Logan, to secure eligibles from which to make certification to fill a vacancy in the position of draftsman at $4 per diem, in the office of the United States surveyor general, Phoenix, Ariz., and vacancies as they may occur in any branch of the service requiring similar qualification. Applicants should apply to Orin Williams, at Salt Lake City postoffice, for blank No. 1312. For further information they may call upon the United States surveyor general at Salt Lake City, Utah.

Dallas (Penn.) Post: V. S. Peet of Salt Lake City was the guest of the Post a day or two this week. Mr. Peet travels from 40,000 to 50,000 miles a year in the interest of Utah lands and railroads, and has induced hundreds of energetic young people to settle in that fertile country, not one of whom is dissatisfied with his purchase or who would wish to return to farm it on the stony lands of the east. He says he does not advise any one having good health and a good farm here, and stocked, to leave it and go to Utah, but the young man with but little capital can do far better there than here and with thrift and economy can soon own a farm that he would not trade for five times the same number of acres here. He has lived eight years in Utah and finds everything even better than he expected when he went there.

Save your money and when you get a dollar, deposit it with Zion's Savings Bank and Trust Co., Salt Lake City, Utah. Jos. F. Smith, President; George M. Cannon, Cashier.

"COWBOYS" PLEASED.

Members of "Corky Band" Indite Letter of Appreciation.

A letter of thanks has been received by Mayor Morris from City Auditor Schwaebe, a member of the now famous "Corky Band" of Los Angeles, in which he expresses great appreciation of the hospitality shown the Los Angeles visitors while here. The letter follows:

"My Dear Mr. Mayor:—I desire to express to you my appreciation of the universal courtesy and hospitality we "cowboys" received from your people while in Salt Lake. We went there for a good time and we have had it; we enjoyed every minute of it, and I believe that the way has been opened for a more extended and cordial relation between our two cities because of this trip. When you come down, kindly let me know in advance and I will be pleased to prepare the way. Very cordially yours, L. H. SCHWAEBE, City Auditor."

Just What Everyone Should Do.

Mr. J. T. Barber of Irwinville, Ga., always keeps a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand ready for instant use. Attacks of colic, cholera morbus and diarrhoea come on so suddenly that there is no time to hunt a doctor or go to the store for medicine. Mr. Barber says: "I have tried Chamberlain's Colic, Cholera and Diarrhoea Remedy which is one of the best medicines I ever saw. I keep a bottle of it in my room as I have had several attacks of colic and it has proved to be the best medicine I ever used." Sold by all Druggists.

HOME BOY WINS AGAIN.

William Dean Embree of This City Captures Towsend Prize at New Haven.

A dispatch from New Haven last evening, states that William Dean Embree of this city has taken the Townsend prize at the commencement exercises yesterday of the Yale law school. Mr. Embree graduated from the academical department in 1902, and has therefore just completed his third and last year in the law school.

The Townsend prize was established by Hon. James M. Townsend in 1874, the year he graduated from Yale. It is $100, to be given to that member of the third year class who shall write and pronounce the best oration at the public anniversary exercises on graduation. This will give Mr. Embree a prestige at once in his profession, which will prove of material advantage to him.

Cuban Diarrhoea.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by all Druggists.

WILL PUSH SALT LAKE.

Delegates to N. E. A. Determined to Secure Next Year's Convention.

If Salt Lake secures the convention of the National Educational association for 1906 it will mean that the largest convention ever held here will assemble next summer. For that reason the committees back of the plan to secure the convention will work with great vigor, and are now attempting to raise funds with which to present their cause. The State Educational association has helped to some extent, and the business men are looked to to assist still further. Mathonihah Thomas of the board of education will present the matter for Salt Lake City, assisted by Supt. Christensen and Miss Rosalie Pollock of the city schools, as well as by Utah delegates that may be there.

Mr. Thomas stated to the "News" today that he would leave in a few days for the convention, and on arrival would at once establish a Utah headquarters, from which a vigorous campaign for Salt Lake would be conducted. The matter would be taken up personally with all delegates, and the claims of the city presented in the most advantageous fashion.

Miss Pollock is already on her way east, and will arrive in Asbury Park, N. J., in time to do a little advance advertising before the rest of the delegation arrives.

Asthma Sufferers Should Know This.

Foley's Honey and Tar has cured many cases of asthma that were considered hopeless. Mrs. Adolph Buesing, 701 West Third St., Davenport, Ia., writes: "A severe cold contracted twelve years ago was neglected until it finally grew into asthma. The best medical skill available could not give me more than temporary relief. Foley's Honey and Tar was recommended and one fifty cent bottle entirely cured me of asthma which had been growing on me for twelve years, and if I had taken it at the start I would have been saved years of suffering." For sale by F. J. Hill Drug Co.

The rooms were beautifully decorated, with flags and flowers, and the lawn brightly lit and a floor laid there for dancing. The bride was charming in her dainty wedding gown, and the event altogether delightful. A number of intimate friends assisted in entertaining.

A Grim Tragedy.

is daily enacted, in thousands of homes, as Death claims, in each one, another victim of Consumption or Pneumonia. But when Coughs and Colds are properly treated, the tragedy is averted. F. G. Huntley, of Oakdandon, Ind., writes: "My wife had the consumption, and three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, Coughs and Colds, which cured her, and today she is well and strong." It kills the germs of all diseases. One dose relieves. Guaranteed at 50c and $1.00 by Z. C. M. I. Drug department.

And need a magic little pill,
