DESERET EVENING NEWS

TODAY'S WEATHER REPORT.

Salt Lake City, Utah, September 11, 1899.

Observations taken at 6 p. m. Mountain Time.

Observations taken at 6 a. m.

Barometer, 25.37; temperature, 44; minimum temperature, 37.96; wind, southwest, 5 miles per hour; weather clear.

Local forecast for Salt Lake City and vicinity:

Fair tonight and Wednesday; stationary temperature.

For Utah: Fair tonight and Wednesday; stationary temperature.

WEATHER CONDITIONS.

The "low" has passed over the lakes and the crest of the "high" now lies along the Pacific coast. No rain has fallen west of the Mississippi river during the past 24 hours. It is much cooler over Western South Dakota, but elsewhere temperature changes have been slight.

L. H. MURDOCH,
Section Director.

LOCAL BRIEFS.

R. M. Hayes, a swimmer from Texas, bought Percy F. Pope's interest in the Union Club, on east Second South street yesterday.

Plumbers Union No. 19 met last evening and elected the following officers as delegates to the national convention to be held in Florida, September 25th:

A case of guinea-pig in Mill Creek canyon has been reported to the Board of Health, secretary of the State board of health. The horse was entirely killed.

Edward McCarvel, of Hoopers, has purchased of Mrs. Ann Jenkins, a brick dwelling at 66 south, Fourth East and 25x60 feet of ground, paying $1,000therefore.

Judge Marshall yesterday sustained the report of the referee in the bankruptcy case of Lee Hollander, whose petition was attacked by creditors. Mr. Moss (Hollander) is a bankrupt.

State Auditor Richards has received a claim of $24.17 from Summit county for bounties to wild animals killed during the month of August. The animals were mostly all squirrels, with a few coyotes.

Word from Hanna states that Frank E. Shelley, now clerk in Paymaster C. E. Mason's office, at Camp Wallace, is from what was thought to have been a fatal attack of fever at the time the Utah troops were in the Philippines, fully entitled to battery B from this city.

The funeral of Marion Fowler was held this afternoon from the Tabernacle, Bishop Lyman officiating. The remains were interred in Salt Lake City cemetery this afternoon from the funeral chapel of Joseph W. Taylor. Yesterday Justice McMaster received the coroner's and defendant that an inquest was unnecessary.

Gill Nebeker is down from Rich county. He reports that the early frosts in that region had damaged the wheat crop, and Rich county will be large enough also hurt by the coal workers. Fruit and cattle, however, he says, are doing well.

Bishop Tuttle, of St. Louis, will reach Salt Lake on Thursday, September 21st. The bishop will preach in Ogden the following Sunday morning, and in Phillips church, this city, in the evening. He will remain about a month in the city, and will officiate at the marriage of his son and Miss Wallace.

The educational department will have a good exhibit at the coming State Fair. The Fair Association appointed Van Cott as its agent every county. Van Cott is a most creditable one. Superintendent Cooper will be responsible to show the schools of Salt Lake City, and it is believed that he will great it.

On account of the extension of four new cars to the cable of the Salt Lake City system, which is distributing the most thoroughly and the city has been greatly facilitated, the Sugar House Street car will run now every day, and as soon as the residents of the section know it.

State Superintendent of Public Instruction John R. Park has sent circular letters to the school trustees and county superintendents throughout the State, requesting the necessary data for the purchase of school apparatus as a great lot of money has been expended in the direction in the past for useless apparatus.

The friends of Archbishop Riordan of San Francisco, who is expected when they learned that he had gone from Portland, and would be at the Salt Lake as he had been expected. Bishop Scanlan was in Salt Lake City, but was compelled to go to New York, but on account of the church there they will meet the Archbishop on his way to the Pacific coast.

A number of soldiers, it is reported, are not taking care nicely to the recently adopted rules of Professor Bernier of the City Hospital. Those who are sick should be properly cared for, and recovery should be properly examined, by the city medical officer, because, if they are left to their own devices, they are liable to do what they ought not to do, to the injury of their own selves and to the injury of others who are sick and require that care, which is not afforded by home and properly attended.

W. H. Greene of the firm of Lindley & Hinck of Boise is in the city. The firm of Lindley & Hinck is responsible for Lindley as one of the Boise City Horse & Lindley, who was late mental inmate, says he is sorry that everything is transpiring in Boise and Idaho generally in order occasioned by the fear that the Supreme court will pass into the hands of the Union, has passed over, and

THE NEWS DURING FAIR AND CONFERENCE WEEK.

An information point to an immense attendance at the coming Fair and Conference (the first week in October) is the effort to GET TO REACH THE PEOPLE IN THEIR HOMES can do to discovery by using the Semi-Weekly News issued Tuesdays and Fridays before the Fair and Conference season, and the Daily News DURING that week. All subscribers of the Semi-Weekly News will then also receive the daily FROM date of their issue.

GRAND SPECIAL EDITION OF THE NEWS.

SATURDAY, OCT. 7, 1899.

Saturday, October 7, will witness the inauguration of the attendance at the Fair and Conference. On that day the "News" will issue a special edition, attractive and illustrated, which will be a complete exposition of the resources and attractions of the State. Arrangements have been made to give this issue wide spread circulation in the larger cities of the east and west. It will thus form a valuable advertisement for Utah and Salt Lake City, and as it will be advertising rates as enormous large circulation, we will be enabled advertising medium for business men to reach the great intermountain public.

business has been carried with the assurance of confidence.

The members of Salt Lake City will meet at the Commercial club rooms, 36 E. C. A. hall and will continue to meet thereafter every Monday evening. At the meeting yesterday there was a discussion of affairs on account of the major attendance. Those who were present were Messrs. Geo. M. Ottinger, J. Leonard Farnsworth, Geo. T. L. Sutherland, T. Brown, E. G. Hoag, John Sharp, W. H. Campbell, S. Wade, Joseph Ballard, Jr., Joseph Morris, Jesse Knight, W. M. Fisher, H. H. McCurdy, W. D. Harry and George Bailey.

Director Murdock of the local weather office reported yesterday to surf reporting thermometric variables recorded for use at this station. The instrument is a very valuable addition to the meteorological equipment. Those who are familiar with the Hick's Bridge, Jesse Knight
