For a New Sugar Factory.

For some time past the question of a sugar factory for this end of the county has been agitated, and meetings have been held in Spanish Fork and Springville in connection with the matter. A call for a meeting in the Payson meeting house last night, issued by Mayor Brewerton and Bishop J. C. Huber and J. S. Page Jr., was responded to by an attendance of some thirty-five or forty citizens. The matter was laid before the assembly and a committee of three, consisting of Messrs. W. S. Tanner, Levi Calvin and Hyrum Lemmon, appointed to meet with similar committees from Springville and Spanish Fork. The committees will convene at Spanish Fork on Thursday of 1 p.m., and on Friday evening next another local meeting will be held at the city hall, at which the committee will present its report.

The Way of the Transgressor.

Thomas Marsh, of this city, is in the bells charged with having recently passed some checks in Levan, Juab county, drawn by himself on the Payson Exchange savings bank. As he has no deposit there, he was jailed and placed in the county jail at Nephi. A few nights since, in connection with one or two others confined there, he broke jail and escaped. Deputy Sheriff Adams communicated the fact to the Payson officers and Thomas was tracked to a ranch near Moab, and from there was brought to Payson and confined in the city jail over night. On Monday last he was again taken to Nephi. In addition to the other charges against him, he will now have one of housebreaking preferred against him by Mr. Patten, by having entered the latter's house, used up food and made himself perfectly at home.

Notes.

A deaf and dumb dwarf has been walking our main streets for several days past, loaded down with blankets and like articles.

Births have occurred during the past week to Mrs. George H. Dunn, Mrs. A. L. Parks, Mrs. Dave Brewerton and Mrs. Ed. Lee.

Some parties recently from the East are talking of opening up a lunch stand or restaurant in Payson. Such an enterprise is needed.

Mrs. Martha J. Miles, wife of Isaac Miles, departed this life on Saturday morning last. Deceased was about fifty-six years of age and formerly a resident of Nebraska. The funeral services were held at the Methodist Episcopal church on Sunday.

Two little folks' parties were given last night, one at the residence of Mr. and Mrs. James Mulliners and the other at one of the school rooms of the Presbyterian academy.

Mr. Edward Dixon, who was so seriously ill a short time ago since recovered so far as to be able to be out on the streets.

Solomon Hancock, who has been in Oregon for some time past, has returned to Payson.

Wm. McBeth has five fine Jackhounds and is introducing the old English pastime of chasing the fox. The sports is continuous for the foxes in most cases.

A party is being held in the Opera house this afternoon, in honor of the 24th birthday of Payson, Utah, and music, dancing and dancing will be the order of the day and evening.

A lecture at the Presbyterian church on Sunday evening drew a large audience. The subject was "The Evils of Dancing," and the lecturer was Rev. A. C. Todd, who treated the delicate matter in a way which could offend none, enough all might and agree with the same sentiment. The lecture was combined with exposition of the evils of the "round dance" and curious questions were made from a work recently written by an extremely dancing master.

Snow has been falling at intervals for the last three days and people are wondering if winter has just commenced in earnest.

EPHRAIM.

EPHRAIM, - - FEB. 12, 1895.

The New Opera House.

At a meeting of the opera house company last Wednesday night the question of site was settled, a permanent board of directors elected, and several minor points of business attended to. The theater will be built on the Lund & Johnson property opposite President Canute Peterson's place. Messrs. Lund and Johnson gave the site to the company, besides taking several hundred dollars in stock, as they expect the rest of their property will be increased in value enough to repay them. Work in preparing the ground will soon begin and the building will be pushed to completion this coming summer.

Notes and Personals.

Snow! snow! We've never had so much snow, and still it snows. For a time most farmers smiled and wished for more, but now many of them cry "enough." For them it not much chance for the cattle that are running out surviving very long unless it stops snowing.

Elisha Stevens, a beloved and respected young man, will be buried today. He leaves a wife and several small children. His death has elicited sympathy for his family from the whole community.

Wild animals have been driven into town by the snow.

Alma Dorius, a school boy, ran a splint down yesterday morning within half a block of the postoffice.

One of the most numerously attended and without one of the most instructive conferences ever held in this stake closed here last Sunday. The weather was mild and the sleighing splendid, so almost every ward in the stake was well represented.

(THE CHRISTENING OF THE CITY.

On Sunday, August 22, 1847, the pioneer city received its name. "I move," said Brigham Young, "that we call this place the Great Salt Lake City of the Great Basin of North America." The motion was seconded and carried. On the President's motion the postoffice was called "The Great Basin Postoffice." Elder C. Rimball, by motion, caused the river coursing through the valley "The Western Jordan," and Brigham Young christened City Creek, Mill Creek, Red Butte Creek, Emigration Creek, Canyon (now Parley's) Creek, in like manner. It was many years before the city's title was shortened by legislative enactment to "Salt Lake City," but the "Western Jordan" became plain "Jordan" almost immediately.—*Whitney's History of Utah.*
