DEATH OF A DRUGGIST.

Charles B. Eykes, in a Fit of Despondency, Ends His Life With Morphine.

Charles B. Eykes, a drug clerk, employed by the Sullivan-Farmer company, ended his life and revolver by rather a mean dose of morphine. For years this man had been a hard drinker and was given to frequent spells of despondency. Yesterday he had one of them and went to his home, 321 Second street, intending to take a dose of morphine, but when it was administered it did not entirely unconscious. He was found in a state of coma and in afternoon was sent for. All the antidotes known to the medical profession were resorted to in vain and at 9 o'clock last night he died. The deceased leaves a wife and an adopted child. He was 42 years of age and was a native of Ohio. The funeral will be held from the family residence tomorrow at 10 a.m. under the auspices of the Druggists' association.

Saltair Excursion.

The Twenty-second ward had an outing yesterday at Saltair, and it proved time for several to hear and derive pleasure out of the day thereby. Before noon, both a military program and a musical program were provided, but the former was postponed. In the competition much merry and enthusiasm was evoked, and prizes awarded as follows:

T. Mc. Dunn, who has remained a widow for several and has supported himself and family, a dress pattern was given.

To the oldest couple present, Mr. and Mrs. Amos Fox, a set of cups and saucers was presented.

Miss Lee, 48 years of age, was the oldest lady present, and a set of cups and saucers was presented.

Mrs. Nellie Irene Pember was awarded a prize of an enclosed silver six bottler for being the most popular lady present, and to Mr. Harry Hardy was presented a Japanese watch, that for being the most popular gentleman present.

The most graceful dancers were Mr. and Mrs. Jack Pember, who danced a quadrille very acceptably, and were given one-half dozen Rio Brothers' shirts.

The prize to the gentleman who has never used tobacco in any form was awarded to Mr. Jesse H. Jones, who is over 60 years old. Aside from these several, boating and bathing occupied the time, which the indulging in the last named pastime.

In the evening dancing and music were the features, and there were over 1,200 present, and all seemed to enjoy themselves very much indeed.

Today the Bishop's wards in quite large numbers went out, and these added to the regular Saturday crowd, made the attendance larger than usual on Saturday. It is hoped that the day proved very enjoyable.

CHILDREN AT LAGOON.

They and Their Parents Crowded the Rear All Day on Yesterday.

Prof. Stephens and his little sweet singers were yesterday in full possession at Lagoon, the show and all. Thousands visited the resort during the day, the trains coming in to Salt Lake not night being crowded. The last train, which left the resort at 11 o'clock, was composed of sixteen loaded cars, drawn by the big new engine. It was a fine train and made a good run.

During the early evening the little ones followed the performers below through several patriotic and other selections, which were rapidly received by the people who wanted more. The resort is perfectly crowded with fine attractions this week, and they are drawing immense crowds every day. People are giving a good deal of amusement for little money, the entire Saltair-Lagoon made, for one of the special attractions, and the management of the resort deserves the success with which their efforts are rewarded.
