The seven-year-old son of Mrs. J. A. Ellis of 204 west Fourth South street sought to make a qualitative analysis of a box of matches yesterday afternoon, with the usual scientific result. His mother is now short a set of lace curtains and several lengths of carpet, and the fire department was given a chance to get a breath of fresh air.

Some 200 people attended last evening's Butterworth concert entertainment in the First Congregational church, under the auspices of the Men's club of that church. Reports have been diligently circulated for the last three days that Senator Smoot had bought David Kieth's residence on east South Temple street for $50,000. The senator says there is no truth whatever in the report; and the president of a prominent local banking institution says he would be willing to pay a good deal more than $50,000 for that property.

Local flower men report a good sale of Easter goods this year, with prices about the same. Williams prior to his departure for Eigland, and $50 was realized in contributions for the young man. The program, under Chairman Fergus Coalter of the ward amusement committee, was carried out successfully, and the evening was very pleasantly spent. One interesting fact was made apparent, viz: that the ward has a first-class choir, under the direction of Mr. Thos. Ash, second French horn player of Held's band, and their performance last evening was worthy of special commendation. The organist and accompanist, Mrs. Louie Davis, is an accomplished musician.

DENVER RECOVERING.

Queen City of the Plains Getting Its Breath After Election Row.

Ex-Chief Farley of the Denver police force, is at the Kenyon. Col. Farley says that there is no more trouble over the Colorado governorship, and that Gov. McDonald is making a creditable executive. But the row has had this effect, that next spring's city council election is pretty sure to be entirely free from election frauds. The parties who were engaged in this sort of thing have found out that it does not pay. Their last card was played and lost when the United States Supreme court refused to interfere with the action of the state supreme court in sending to the Arapahoe county jail and to the state prison the ward toughs and heelers who stuffed the ballot boxes and bulldozed voters at the polls.

Chief Farley says that Denver has started on a building boom. A beginning of several large business blocks has already been made and new residence properties are going up all over town. The city has evidently started on a new era of prosperity.

Incredible Brutality.

It would have been incredible brutality if Chas. F. Lemberger, of Syracuse, N. Y., had not done the best he could for his suffering son. "My boy," he says, "cut a fearful gash over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye. Good for burns and ulcers too. Only 25c at Z. C. M. I. Drug Dept.

Its capital stock is $10,000, divided into 1,000 shares of the par value of $10 each and nearly all of the stock has already been subscribed for. A building has already been secured, suitable furniture has been ordered and it is proposed to open the bank on June 1. A. T. Butterfield is president; Thomas Nichols, vice-president; John Hansen, Jr., cashier.

The Very Best Remedy for Bowel Troubles—No Family Can Afford To Be Without It.

"I regard Chamberlain's Colic, Cholera and Diarrhoea Remedy as one of the very best remedies for bowel troubles," says Mr. J. W. Hanlon, editor of the Despatch, Ocilla, Georgia. "I make this statement after having used the medicine in my family for several years. I am never without it." No family can afford to be without a bottle of this remedy in the house. It is certain to be needed sooner or later. For sale by all druggists.

WARD ENTERTAINMENTS

Sixth Ward.—A missionary farewell party, in honor of Elder Peter S. Condie, who leaves tomorrow on a mission to Great Britain, will be given in the Sixth ward assembly hall tonight. There will be an excellent program, followed by a dance, and the departing missionary's friends are invited to join in giving him a royal send-off.

Cannon Ward.—The Pioneer Stake Sunday School Dramatic company will begin a series of entertainments tomorrow night, when the interesting drama, "A Celebrated Case," will be presented in Cannon ward. On Friday night the play will be given in the Fifth ward; Tuesday, April 25, in the Twenty-fifth ward; Wednesday, April 26, in the Seventh ward; Thursday, April 27, in the Fourth ward, and Friday, April 28, in the Sixth ward. The drama will be elaborately staged and the assurance is that a finished production will be given, as the play has been under way for some time.

WILL DRAW UP NEW FRANCHISE.

Assistant City Attorney to Draft One Embodying Changes Made By the Committee.

FORFEITURE CLAUSE REMAINS.

Benefits of New Inventions to be Shared Equally—Deed to Water Rights.

The work of considering, correcting and amending the new franchise for the Utah Light & Railway company was contemplated by the special water and municipal laws committees yesterday afternoon and another draft of the franchise will be made by Assistant City Attorney Bramel, which will embody the changes decided upon by the committees at their various meetings. It is very probable that the franchise will be considered at the adjourned meeting of the city council Wednesday evening.

CLAUSE REMAINS.

The much-talked-of forfeiture clause will remain in the franchise. It will apply only to the company's street railway franchises and will be amended so as to provide that the city shall first obtain a decree of the court declaring the franchise forfeited.

NEW INVENTIONS.

The committee also adopted a section submitted by Judge Young providing that the benefits of all new inventions in the matter of light, power and gas, which would tend to reduce the cost of such utilities, shall be shared equally by the citizens and the company.

DEED TO POWER RIGHTS.

The representatives of the company agreed to give the city its power rights in Big Cottonwood creek and also give a waranty deed to the land along the banks of the stream which the city wants. Upon suggestion of Atty. Allen T. Sanford, who represented the Citizens' committee, Judge Young agreed to furnish a good and sufficient bond to protect the title of the land. The city engineer will furnish a description of the land wanted.

BOLTED THE MEETING.

Shortly before the committee completed its work Councilmen A. J. Davis and Hobday left the meeting with the remark that there was no use of the minority staying it out as they could not get even one concession from the majority. Fernstrom replied that if they would suggest something sensible they could get it in.

At the conclusion of the meeting the committee arose and will submit its report to the council without delay.

Rheumatic Pains Quickly Relieved.

The excruciating pains characteristic of rheumatism and sciatica are quickly relieved by applying Chamberlain's Pain Balm. The great pain relieving power of the liniment has been the surprise and delight of thousands of sufferers. The quick relief from pain which it affords is alone worth many times its cost. For sale by all druggists.

Strength and Endurace
Are factors of the greatest success.
No person can do full justice to himself without them.
In no season of the year are they more easily exhausted than in the spring.
We need not discuss the reason for this here. It's enough to say there is one, and that Hood's Sarsaparilla gives strength and endurance, as thousands annually testify.
