From the Mission Field.

Elder E. E. Hinckley of Fillmore, Millard county, returned Wednesday from the Northern States, for which field he left home June 1, 1896. Elder Hinckley labored in the Northern States conference, where he reports Church work progressing very favorably. For some time he acted as superintendent of the Sunday school there, and returns feeling well in having performed a mission.

Elder J. A. Lowder of Parowan returned today from California, which for the past two years he has been doing missionary service. He left home May 2, 1896, and labored in the southern part of the state meeting many friends and accomplishing much good. A FATAL ACCIDENT.

A Young Man Suddenly Called to Fulfill a Mission Beyond the Veil.

Bingham Canyon, June 30, 1898.

To the Editor:

A sad accident occurred the 24th inst. which brought sorrow to the entire town of Bingham. About one month ago Clarence W. Decker and his brother Eugene, went to the end of a drift of the Old Glenwood Mine, recently mined from floor to hard cutbottom. While driving down the incline with wagon heavily loaded, the brake gave broke and Clarence was thrown from his wagon, falling under the wagon which loaded with ore, passed over his body, the point through the left side of his chest. He was in a very critical condition for an hour or so, but rallied sufficiently to be able to be taken home. As soon as possible he was taken to Salt Lake, about twenty miles distant, where a surgeon was summoned but no injuries were found other than the injuries mentioned above. He continued doing well for a few days, when he was taken down with a severe attack of cholera morbus, which caused severe vomiting and finally the point through the left side of his chest. He was in a very critical condition for an hour or so, but rallied sufficiently to be able to be taken home. As soon as possible he was taken to Salt Lake, about twenty miles distant, where a surgeon was summoned but no injuries were found other than the injuries mentioned above. He continued doing well for a few days, when he was taken down with a severe attack of cholera morbus, which caused severe vomiting and finally death. He was taken home on the 20th, the day after receiving his injuries. The young man was a son of Governor J. Decker, who came from Utah in the early settlement of Bingham. He was laboring in the mines to secure means to enable him to go on a mission.

The heart broken parents of the young man have the sympathy of the entire community in their bereavement.

SANFORD CORRESPONDENT.

Virginia Missionary Association.

At a meeting of the executive committee of the Virginia Missionary Association, recently held in this city, it was decided to hold the next annual meeting of the association in Salt Lake City during the October conference. To further this end, it is expected that all missionaries who have ever labored in the Virginia conference, and all friends of Mission work, will place themselves in communication with the secretary, Elder Joseph Ballantyne, Salt Lake City, so that the executive committee will be guided correctly in their efforts. Elders will also give the time of their release, the date of arrival in Virginia, date of release, and counties labored in.

Where Elders have died since their labors in the South, relatives of the deceased will confer a great favor by so informing the secretary.

Secretary.

FAITH IN PARK CITY.

Many of Those Burned Out Are Now Preparing to Rebuild.

Park Record: The rapidity with which the business men of this city have recovered from the shock and financial disaster of the fire of two weeks ago, is best told to the list of those who have rebuilt, and those who are now at work on the new business structures. Main street now presents an appearance which shows that every man is here to begin building his energies to re-establish himself, and that at the earliest possible moment. Among the buildings to be erected on Main street are brick and stone edifices of some of the prominent businesses, as follows: M. S. Anderson, Mercantile building; Jacob Ontes, Saloon building; Silver King office building; W. H. Rice's store, David Keith, street; M. S. Rice's store, Mrs. Ellen and John Thomas, store. These are mentioned to show that faith in the future of the town is just as strong as ever, and to help remove the feeling of uncertainty that has naturally taken possession of some of our absent friends. The Park Record has said thousands of times that Park City is all right, it is the best mining camp in Utah yet, and will be for years and years to come.

Beyond the Veil.

Helen, the beloved daughter of Mr. and Mrs. Alex. H. Dunbar, passed away Sunday morning, June 26, in this city. The sympathy of the community goes out to the bereaved parents in this their hour of sad affliction.

Good Chance for Fish.

In a few days now there will be every opportunity for those desiring a good mess of fish to catch them at the White Lake, Sevier county, Utah, and Sanpete, where the water is fast receding. These lakes, it is said, are teeming with carp, chubs and suckers.

Barclay Gulch Trestle.

The Park Record was informed by Superintendent Weller of the Ontario Western Railway, who was in town last week, that a gang was to be put in over the gulch at Barclay right away, so encouraged that all the lumber will be delivered at the gulch between now and Salt Lake. Asked regarding the hard crossing of the rock, Mr. Weller said that the engineers were now trying to see how much the grade would be and how it was affected by the change. He was affraid that the grade would be heavier than it is at present and if so, there was this likelihood that heavy grading would be attempted.

Needle in Her Knee.

Brighton Reader: Miss Harris, aged about 18 years, daughter of John Harris, was the victim of a very painful accident a few days ago. She was in the act of sewing when she slipped and a needle went into her knee. Physicians are trying to locate the needle, but have been thus far unable to remove it. The child is getting along all right.

Bear Dam Working Hour.

Brighton Reader: J. H. Hill has been at Brighton Park for some time assisting in the work on the Bear Dam, which is nearing home. Mr. Hill says it will be one of the most substantial buildings of its kind in the country, and will be of better shape than the Sugar House reservoir. The dimensions are 1000 feet long and 100 feet high, and it will be ready for the water in November. The work will cost $12,000. The money will be expended in the vicinity of Salt Lake. The Brighton improvements, when completed, will have the finest reservoir such a place.
