Among a few of the numerous points of superiority possessed by this road, may be STATED THAT THE CARS are the finest that human art and ingenuity can create; its PALATIAL SLEEPING CARS, which are models of comfort and elegance; its PALACE DRAWING-ROOM CARS, which are unsurpassed by any; and its widely celebrated

NORTH-WESTERN DINING CARS,

the like of which are not run by any other road anywhere. In short, it is asserted that IT IS THE BEST EQUIPPED ROAD IN THE WORLD.

PRICKLY ASH BITTERS

The majority of the ills of the human body arise from a derangement of the Liver, affecting both the stomach and bowels. In order to effect a cure, it is necessary to remove the cause. Irregular and Sluggish action of the Bowels, Headache, Sickness at the Stomach, Pain in the Back and Loins, etc., indicate that the Liver is at fault, and that nature requires assistance to enable this organ to throw off impurities.

Prickly Ash Bitters are specially compounded for this purpose. They are mild in their action and effective as a cure; are pleasant to the taste and taken easily by both children and adults. Taken according to directions, they are a safe and pleasant cure for Dyspepsia, General Debility, Habitual Constipation, Diseased Kidneys, etc., etc. *As a* Blood Purifier *they are superior to any other medicine; cleansing the system thoroughly, and imparting new life and energy to the invalid. JETS OF GINGER.

A crying evil—the baby next door.

A new bank in New Jersey has been opened with prayer. It will probably be closed with—well, the opposite.

In Mexico it is the custom to kiss the feet of young ladies in saying adieu. In Chicago it is the custom to stumble over them.—(Burlington Free Press.

At Toulon a brass band has been engaged to play in order to keep up the spirit of the inhabitants. Since its introduction the cholera has lost its terror and is beginning to feel ashamed of itself.

Teacher—"Suppose you have two sticks of candy and your big brother gives you two more, how many would you have then?" Little Boy (shaking his head)—"You don't know him; he ain't that kind of boy."

A western paper announces the illness of its editor, piously adding: "All good paying subscribers are requested to mention him in their prayers. The others need not, as the 'prayer of the wicked availeth nothing.'"

A swarm of bees administered a stinging rebuke to a train-load of passengers in the neighborhood of Chicago the other day. The train went through the swarm, and the swarm went through the train.—*Commercial Advertiser.*

Poets, Coney Island bathing pavilion; Mr. Smiley—"Miss Madeline, will you have an oil-skin cap to protect your hair?" Madeline—"Thanks, yes; I don't wish to get my hair wet." Mabel (aged seven)—"Why don't you take it off?"—*Brooklyn Times.*

A correspondent of the Boston *Post*, the best democratic paper in New England, struck a party of Americans in a Montreal Hotel, all of whom were for Cleveland. The correspondent omitted to state what they went over for.—*Philadelphia Press.* Excuse the omission. They were detectives who were there with warrants for Blaine men.—*Post.*

Nice Fellow—"I see the society paper speaks of your reception as a 'bud party.'"

Edith—Yes."

"Do they still call young ladies buds?"

"Quite frequently."

"Are you a bud?"

"I suppose so."

"Then I forswear my religion."

"Mercy! What do you mean?"

"Hereafter I shall be a Buddhist."

These symptoms indicate their existence: Loss of Appetite, Bowels costive, Sick Headache, fullness after eating, aversion to exertion of body or mind, Eructation of food, Irritability of temper, Low spirits, a feeling of having neglected some duty, Dizziness, Fluttering at the Heart, Dots before the eyes, highly colored Urine. CONSTIPATION, and demand the use of a remedy that acts directly on the Liver. As a Liver medicine TUTT'S PILLS have no equal.
