LOCAL BRIEFS.

J. H Brittain has the contract for completing the new building at the Agricultural park.

The Pierpont school of oratory closed for the season Thursday evening, with a special program and before a good audience.

The funeral of Miss Susan Napper will be held from the late residence, 233 east Seventh South street, tomorrow at 11:30 a. m.

A case of garnishment of a teacher's salary occurred yesterday under the new law permitting the garnishment of salaries of officials.

The county commissioners of Weber county will visit this city on June 1 and inspect the new rock crusher now in operation by the city in City Creek.

The officers of the board of education and the janitors of the schools were paid their regular monthly salaries today by Clerk Judd. The total amount of the payrolls is $2,645.

John F. Putnam, agd 8, son of Graham F. Putnam, will give a piano recital at the Ladies' Literary club Wednesday evening next. The young man has been taking lessons since the tender age of 4.

Tonight at the University club the members of Kappa Sigma college fraternity will hold a banquet. The Kappa Sigma society is one of the Greek orders, with chapters in most of the leading colleges in America.

Two car loads of hardwood finish have arrived for the Federal building, which will enable the contractor to finish up the court rooms in two weeks. By that time the marble work in the entire building will have been practically completed.

The L. D. S. university has a creditable exhibit of work in mechanic arts in the window of the Co-op. Furniture company on East Temple street. Instructor Kienke is justly proud of the showing made, and invites all interested to call and see it.

The members of the Benevolent association of the Nauvoo Legion are requested to meet the Indian war veterans and Black Hawks at the corner of First South and Main at 9 o'clock Tuesday morning, and join them in the parade and march for that occasion. Wm. M. Brown, Secy. A. N. L.

Elder Frederick M. Smith, one of the presidency of the Reorganized church from Lamoni, Ia., will arrive in Salt Lake on May 27, and will speak at the Church, 228 east Second South, on the day following. He will remain here for some time. The hours for beginning the service will be 11 a. m. and 7 p. m.

After looking at the Salt Palace theater yesterday, the license committee of the city council has decided that the theater will not be allowed to open until the management complies with the fire ordinance and installs an asbestos curtain, a ventilator and a fire alarm box in the building. A report to that effect will be made to the council Monday night.

The Thirteenth ward school property, just east of the Grand theater on Second South street, was sold last night by the board of education for $27,687.50, in acceptance of an offer made by Kelsey & Gillespie, for cash on delivery of the deeds, the price being $220 per foot for one piece, and $250 per front for another, both pieces adjoining each other.

The advance guard of transient college men en route home for the summer has arrived at Salt Lake, as the unusual display of balloon sized trousers testify. Joel L. Nibley, a junior of Stanford university, has arrived to spend the summer at Logan with his parents. He is being visited by Ernest L. May, a classmate, who is spending a few days here en route to his home in Michigan.

Acting under authority from the board of control, Engineer Lawrence will try to improve upon the lighting of the clock in the tower of the City and County building. At present when the clock is lighted up the figures on its face are not discernable a short distance away, and it is the intention of the engineer to experiment in the matter until the time can be told by the clock several blocks away after dark.

The residence of Bishop James Maxwell on Fourth street was entered by a burglar yesterday afternoon while the Bishop and his family had gone to the depot to meet Mr. Maxwell's son, who has just returned from a mission. The thief secured $80 in cash, some tithing orders, tithing books, and some money belonging to the ward. The matter was reported to the police, but there is no clue as to the identity of the thief.

Louise Gerteker, a waitress, aged 25 years, attempted to commit suicide last night by taking morphine tablets in her room at the Aspen house, 58 west Second South street. It is said that the young woman committed the rash act because her "young man" failed to take her to the Utahna park last night as he agreed to do. She became despondent and decided that life was not worth living. Friends were in the room when the young woman took the poison, and they at once interfered and kept her awake until out of danger.

The waterworks committee of the city council met yesterday with Mayor Pro Tem. A. J. Davis, Assistant City Attorney Bramel, Deputy City Treasurer Wood and City Auditor Felt for the purpose of considering ways and means for paying P. J. Moran the balance due him on watermain and sewer contracts. The total amount claimed by Mr. Moran is $21,000. It was decided to recommend the payment of the amount due and the city will proceed at once to enforce the collection of the taxes due on the assessments not yet paid up in full.

According to the last issue of the Army and Navy Journal, Lieut. Lucian B. Moody and Lieut. Lesly J. McNair of the artillery corps stationed at Fort Douglas, have successfully passed the examination for admission to the ordnance corps, and will shortly be transferred to Fort Hancock for service there. This is a great promotion, as admission to the ordnance department is much sought after. Both of these officers are graduates of the military academy, class of 1904, and Lieut. McNair is from Minneapolis, and Lieut. Moody from Huron, S. D.

Word from Fort Leavenworth states that Chaplain Axton of Salt Lake and now with the Eighteenth infantry, is drawing large crowds of soldiers to his meetings, with "chairs in the aisles for meetings, with 'chairs in the aisles for every service.' Seventy-five officers were present last Sunday evening, and enlisted men in proportion. The chaplain will make the Memorial day address at the national cemetery next Tuesday, and shortly thereafter leave for Salt Lake to remove his family to Fort Leavenworth. The only speaking he will do here will be before the state prison society of Christian Endeavor, the Sunday he is in town. The chaplain has been filling the pulpit of the First Congregational church at Leavenworth, and will continue Sunday mornings until Sept. 1.

SAM GRICE AGAIN.

This Time the Charge of Burglary Will be Pressed Against Him.

The police are elated this morning because they firmly believe they have Sam Grice, the notorious harness thief "on the hip." They are sure that they have him foul this time on the charge of burglary. Many, many times, Sam has been arrested on various charges, and many times he has been bound over to the district court, but he always managed to get out on some technicality in the complaints.

But this time, say the police, he will be landed in the state prison.

Last night, two places were burglarized. The first was the fruit stand owned by Felice Chiarella, 479 west Second South, from which place $15 worth of plug tobacco was stolen. The next place broken into was the Western Pacific bar, just across the street. Two boxes of cigarettes were stolen and the slot machine was broken open and the contents stolen.

This morning Detectives Chase and Burt found Sam Grice trying to dispose of the stolen property. Sam was seen in the vicinity of the crimes last night, and these facts, coupled with the fact that he is unable to account for his whereabouts at the time the offenses were committed, lead the police to believe that this time they have a good case against Sam. He is now in the city jail on the charge of burglary and a complaint will be filed this afternoon. He will be arraigned on Monday morning.
