MILITIA HOLD UP A TRAIN

A Bally Stand Engineer Throws the Throttle Over.

ROBBERY KEPT OUT AT ALL HAZARDS.

Excitement in Paris Over Rumors—Strong Military Guards are Posted—Chinese to be Called.

PARIS, Oct. 14.—Col. Young's Illinois militia stopped a freight train in this city. Col. Young, so it was said, will be in command of the troops sent to Cuba, but will not assume his duties until he has joined the regiment and had a consultation with the other officers and Colonels Craig and Pierce, who will be in command of the Fifth and Sixth regiments respectively. Col. Young was then on his way to Springfield, Ill., to take the command of the Sixth regiment, which he was expected to organize and get ready for service.

Accordingly the officers of the First regiment, stationed at Paris, under command of Lieut. Col. Young, or have intended to make an effort to induce Col. Young to stop at Paris and confer with the officers of the Sixth regiment, which has headquarters at Paris, giving Col. Young a date of the meeting.

The regimental headquarters of the Sixth regiment, under command of Lieut. Col. Young, or have intended to make an effort to induce Col. Young to stop at Paris and confer with the officers of the Sixth regiment, which has headquarters at Paris, giving Col. Young a date of the meeting.
