WANTLAND SAYS THERE WILL BE A "HOWL" OVER THE TAXES OF 1892.

The Sale of Additional City Bonds Authorized.—Report of the Finance Committee.—Salaries' Schedule.—Miscellaneous Matters.

The City Council met in regular session Tuesday evening, April 12th, Mayor Badlam in the chair. All the members were present except Lembourne and Kurtich. After the usual formalities the following

PETITIONS

were read and referred as indicated:

Price & Williams asked permission to pile building material at 74 E Street. Referred.

The ladies of the Central Christian Church asked for the privilege of conducting an "Easter Market" at No. 104 South Main Street, from April 15th to 19th inclusive, for the sale of art and fancy goods and to serve refreshments, the proceeds to go towards erecting a house of worship for said church, in this city. Granted.

Joseph H. Walker and others asked for the erection of a footbridge across the canal on the west side of Main Street and corner of Ninth South Street. Committee on streets.

M. E. Wood and others asked that Third North, west of Eleventh West street, be opened. Committee on streets.

E. A. Ashton sent in a bill for $30 for work done on the city reservoir. Committee on claims.

Judge Powers and Ogden Hillyard sent a bill for $50 for "services rendered in nuisance cases." Committee on claims.

A. W. Carlson called attention to a petition recently presented to the Council asking for an electric light at the west end of Third street. Committee on improvements.

Houghton & McNair et al. asked that the gutter on the south side of Second South street, from Main to Commercial, be removed so as to drain off the surplus water in that thoroughfare. Committee on streets.

Josephine M. Spear, being desirous of putting down a sidewalk in front of her premises at the corner of Third South and West Temple streets, requested that a sidewalk tax heretofore levied her, never collected, be stayed pending the hearing of the same. Referred.

H. E. Dallman asked to be appointed city electrician. Committee on improvements.

John W. Snell asked that he be given a grade by the city engineer for the premises 145 and 147 South First street, where he has public works located. Referred.

Caleb Blackburn complains of a frame which John Green has erected at the corner of north First East and South Temple street which infringes on the city road. Referred.

H. A. Wilder and others asked permission to connect their property with the waterworks.

Samuel J. Ford and James Motes asked for the appointment of Charles Hindly, watermaster of the Kennedy ditch, as a special policeman. Referred.

H. A. Wilder and others represented that they desire to have connection made with the mains laid in front of their properties, and set forth that the waterworks have been laid and a special tax of 4 mills levied to pay for the same; that they have been assured that the tax levy is unjust and illegal and that, although they, with many others, have commenced legal proceedings to test the constitutionality of the ordinance authorizing the special tax, and have become tired of waiting for the case to come to trial.

SIDE PROPERTY DAMAGED.

Edwin Bushton protested against the city building a bridge across the Jordan river on the west side of his land for the purpose of establishing a thoroughfare, and declares that by such unlawful action he has been damaged in a sum not less than $500, which he wants paid, and also demands that the water pipes already laid there be removed and the premises restored to their former condition.

SEWERAGE REPORT.

In the matter of the petition of F. H. Gibbs asking to be allowed to lay his own sidewalk the board of public works submitted an adverse report. City engineer and city attorney.

QUEEN SCHOOLHOUSE REMOVAL.

Justice Kesler sent in the following recommendation: Pursuant to the requirements which entitles the police court to clerk, I respectfully recommend the appointment of C. B. Green. Confirmed.

STREET INSPECTOR'S REPORTS.

Supervisor Paul of the street department submitted a report which showed that the expenses of his department from April 1st to date were $611.35.

OFFENSIVE STENCH.

Robert J. Cooney, of the Salt Lake Collegiate Institute, appeared and asked relief from the nuisance in the form of his building on Second East street between First and Second South to be used by a California packing company for the preparing of packing materials on the ground that the fumes from the same were offensive.

BODY WASTE WATERGATES.

H. M. McCartney and others protested against an extension of waterpipe on Green street on the ground that they were not in legal notice of the intention of the Council to lay watermains, that the mains are not needed.

WATERMASTER'S REPORT.

The watermaster submitted a report which showed that the expenditures of his office for the quarter ending March 1st amounted to $6,063.41.

TO WIDEN GREEN STREET.

H. M. McCartney and others represented that they were owners of lots 1 to 6 inclusive in block 63, plat E, and a portion of lot 10, block 34, same plat, making to all a frontage of 500 feet on Green street, and that a petition had been presented to the Council asking that that thoroughfare be changed from a 2-rod to a 3-rod street. They now asked that the width of the street be changed to 66 feet, being the narrowest street now occupied by the city.
