TEMPLE DEDICATION.

New Apportionments for Several of the Stakes.

Times and Appointments of Numbers to Witness the Admission of the Sunday the different Stakes of Zion.

Following is a statement of apportionments of the times when the Saints of the several Stakes of Zion will be admitted to witness the dedication of the Temple of the Lord in Salt Lake City; also the allotments as to the numbers of people to be admitted at the different sessions.

This arrangement is based on reports received from the Presidents of Stakes, and has been made with a view to, so far as practicable, suit the convenience of the whole people.

In the case of several Stakes heretofore assigned to Wednesday, the 19th, a change has been made to Tuesday, the 18th. The Stakes thus affected are Bear Lake, Morgan, Cache, Salt Lake, Juab, Box Elder, Tooele, Weber and Sevier. The former allotment of Salt Lake City for Tuesday, the 18th, is deferred until the following Sunday, the 23rd. The apportionments are based somewhat upon the capacity of the Assembly Room of the Temple.

The West Gate of the Temple Block has been selected as the place of entrance for the services. Those who apply for admission should present themselves at 8 a. m. for the morning session, and 12:30 p. m. for the afternoon session, on the days designated, as they cannot be admitted on other days, nor at any other session than herein indicated.

It will be necessary for each applicant to show his or her recommend to the gatekeeper, in order to pass. The recommend will be taken up by a ticket man inside the gate. *No person can be admitted without a recommend on any occasion.*

Each Stake President has decided to make the division of the people under his supervision according to the figures and assignments above. This is of great importance. If it is not promptly and properly attended to, confusion will be the result.

WILFORD WOODRUFF,
GEORGE Q. CANNON,
JOSEPH F. SMITH,
First Presidency.

Rules to be Observed.

Notwithstanding the fact that instructions have been given to the effect that only members of the Church who obtain recommends will be admitted to the dedication services of the Salt Lake Temple, numerous inquiries are made as to whether good children will be permitted to pass in. The regular rules do not allow the admission of children who have not been baptized. Parents and guardians should not attempt to break over this rule, as those who will be in charge of the entrances ought not to be compelled to face a child the little one as well as those having them in their care.

The time for opening the West Gate for all session exclusive of the first (that of the morning of the 6th) are 8 a. m. and 12:30 p. m.

No person will under any circumstances, be admitted at the entrance later than 8:30 a. m. or 2 p. m. respectively. In all probability the gates will be closed before those hours.

The egress from the Temple after each service will be to the northwest and northeast doors respectively, and from the first to the north and east gates.

WILFORD WOODRUFF,
GEORGE Q. CANNON,
JOSEPH F. SMITH,
First Presidency.
