THE RATE OF TAX FIXED

By the City Council for the Ensuing Year.

IT IS FIVE MILLS ON THE DOLLAR.

Assessor Cluff Will Get Ten Per Cent.—A Female Deputy Recorder Appointed.

It was 8:15 when the City Council was called to order by Mayor Scott last night. The following councilmen answered to roll call: Pickard, Spafford, Karrick, Pendleton, Folland, Hyde, Hardy, Tuddenham, Young, Anderson, Lynn and Parsons. Absent—Smith, Heath and James. The minutes of the last meeting were read, corrected and approved after which the following

PETITIONS

were read and referred to committing as hereinafter mentioned:

R. F. Williamson asked to be allowed to construct a sidewalk in front of the Pacific Hotel at private expense and that the special tax levied on the same be cancelled. Board of Public Works with power to act.

A host of citizens and residents of Third West street protested against the use of that street as a repair shop, coal yard, etc., by the Great Salt Lake & Hot Springs Railway company. Committee on streets.

F. O. Valentine et al. asked that the frame buildings immediately west of Richards' avenue be removed. Committee on streets, with instructions to act.

Joslin & Park, jewelers, asked that they be allowed to place a large clock in front of their premises. Granted.

E. Musson asked to have certain grounds belonging to the city. Committee on public grounds.

George S. Lowe et al. asked that the Salt Lake City Street Railway Company be compelled to use some device to destroy the smoke arising from its motor and machine shops.

E. B. Wicks et al. asked for an extension of watermains on South Main street. Tabled.

Smith McCrosky asked to be appointed to a position on the police force. Referred to the mayor.

R. F. Cunningham asked to be appointed special policeman. Granted.

Mr. W. Young asked to be allowed to construct a flagstone walk at corner of State and First South streets. Committee on streets.

James Kennally asked permission to lay a sidewalk on Third South street between Second and Third West streets. Granted.

H. Y. Hampton asked for an electric light at intersection of Fourth and I streets. Committee on improvements.

G. E. Page submitted the pay roll for the construction of the new repair of the penitentiary to the city canal. Committee on irrigation.

A. Pyper asked that the money paid by him by mistake for a peddler's license be refunded. Granted.

C. N. Gregory asked to be appointed assistant engineer on sewer pump. Committee on sewerage.

E. W. Taylor asked that a certain bridge over the ditch on canal on section 36, township 1 north, range 1 west, be removed. Committee on irrigation.

Geo. E. Yeadon was granted permission to pile building material in front of his N. West Temple street.

Mary Gillespie asked permission to pay special water tax by monthly installments in as much as she was too poor to settle the entire amount at once. Laid on the table.

George Robinson asked a rebate on restaurant license. Committee on license.

The Salt Lake Rapid Transit Company asked for a franchise to construct and operate a single or double street railway track on Fifth West street, between Second and Third South streets, with suitable connection with existing track and franchise. Committee on streets.

The Rio Grande Western Railway Company, by superintendent Welby asked that the above petition be granted. Committee on streets.

F. G. C. Heisen asked for a rebate on merchants' license. Laid on the table.

THE ALLEGED TANNERY NUISANCE.

The following communication from W. H. Rowe was read and referred back to the committee on irrigation with instructions to more thoroughly investigate and report additional findings to the City Council:

S. P. Jack, Esq:

Your communication dated July 22nd, directed to me as superintendent of the tannery came duly to hand, contents were read and noted. I will say in reference to our tannery that we have no water running from there to pipe as ordered by the Honorable City Council. I will also state that if we were running our tannery in a manner causing us to use water as alleged, we would still run it in the shed that has been used for that purpose, for that purpose of property, long before you, myself, or any of the present City Council came here. It appears to me that there are certain officers of the Honorable City Council, who make it a special study to hamper and crush industries by their hostile action.

I suppose that to please the fancy of land speculators it would not matter if the tannery and woolen mills were closed, thereby inflicting a serious injury upon the people there employed.

We do not propose to do anything in reference to change the water course that has been open for twenty years. Should the tannery and any council make upon their former decisions, let the blame and we will close our doors.

SAIN AND PROFILES.

City Engineer Emmons reported for approval profile showing street and sidewalk grades on Second South street, between Fourth and Sixth West streets; also duplicate of Sylvan Park, being a subdivision, block 11, plat A, Salt Lake City survey.

The same officer, to whom was submitted the maps of Fremont Heights, recommended that the same be reported to the city attorney. Adopted.

CITY ASSESSOR'S VALUATION.

City Assessor Cluff reported that he had completed the assessment roll for the city for the year 1891. The total valuation amounted to $17,005,916, and the assessor recommended that the Council fix the time for the board of equalization to sit from August 21 to August 31. Adopted.

REFERRED BACK.

The special committee to whom was referred a number of requests for rebate on account of assessments for contiguous sidewalks recommended that all the petitions be referred back for a better description of property. Referred to the board of public works.

The committee on police to whom was referred the application of Frank Stanley as special policeman, reported favorably on the petition. Adopted.

FROM THE BOARD OF PUBLIC WORKS.

The board of public works transmitted with their approval the following estimates of the city engineer in favor of:

Dennis J. Williams, work done and material furnished on Parley's canyon conduit for July, $2,[illegible]; Hosea G. Wickersham, same, $[illegible]; Pacific Paving company, laying asphalt sidewalks during July, $[illegible]; A. S. Stone, laying brick sidewalk pavements during July, $[illegible]; Hendricks & Grillich, laying cement and brick sidewalk pavements during July, $[illegible]. Total amount of estimates, $[illegible]. Adopted.

FOURTH QUARTER ACCOUNTS.

Judge Lucey put in the following report of business transacted by him in July:

Number of cases tried	[illegible]
Fines assessed	[illegible]
Fines collected	$[illegible]
Fines collected from former quarters under territorial laws	[illegible]

Adopted.

Magistrate Goodwin sent in the following report of business transacted before him during the same month:

Number of cases tried	[illegible]
Fines assessed	[illegible]
Fines paid in [illegible]	[illegible]

Adopted.

THAT SPRING AGAIN.

The committee on irrigation, to whom was referred the petition of S. F. Walker in regard to a spring on his property on Fifth South street, recommended that the matter be referred to the committee on sewerage. Adopted.

DOG TAX REPORT.

Dog Tax Collector Silver reported that he had collected dog tax to the amount of $[illegible] during the month of July. Adopted.

A FEMALE DEPUTY RECORDER.

The following communication from City Recorder Jack was read, received and confirmed:

SALT LAKE CITY, August 4, 1891.

To the Honorable Mayor and Members of the City Council:

Gentlemen—Owing to the continued illness of his wife, Dr. Crane, who was appointed by this City Council as deputy recorder, has been compelled to resign. Mr. E. Fisher, who for some time past has been acting as deputy recorder during Dr. Crane's absence, has left the office to have employment elsewhere. I hope to be present at deputy recorder, and as I think at least the city the latter part of this week, it is necessary that I have a deputy to act during my absence. I therefore respectfully ask that you confirm my appointment.

THE PEPPERTON FERRY FRANCHISE.

The resolution granting a franchise to the Pepperton ferry and Fort Douglas Rapid Transit Company was then taken up, the route named being along Fourth street, from Pepperton place to C street, along C street, from Fourth to South Temple, along Second street, from Pepperton place to T street, along T street, from Second South to the south line of First street.

The petition of a host of residents and property owners along the proposed route was then read by request of Councilman Young, who said:

I speak not only in behalf of myself as a protestant to the granting of this franchise but I represent numerous other property owners who are opposed to the granting of the petition. As a reason in support of my position I will state that this road terminates at Mr. Tuesdell's residence on South Temple street more than half a mile from the business centre of the city and people patronizing this newline would be compelled to get transferred to one or other of the existing lines in that vicinity in order to reach Main or any other business street in our city. Every property owner on C Street objects but one and he is out of town. There are lines already on nearly every street in that part of the city affording ample facilities for transit. If the people residing in that locality disfavor this petition being granted, why should we seek to injure them. Further, I do not approve of granting franchises indiscriminately. First of all I think we should know who the petitioners are, to me they are unknown. They may be bonafide residents and entirely reliable and they may not be. We should satisfy ourselves on that point. I do not wish to exclude or retard any legitimate enterprise among us, but I think we should move cautiously in this matter. This company can reach Fort Douglas by another route.

Judge Colborn was present and announced himself as being president of the company and on motion of Councilor Pendleton was allowed to speak. He said: The projectors of the road are the owners of Pepperton Place and comprise a large and wealthy Denver syndicate. They have sufficient means now in the bank in this city to build and equip the most elegant electric line in this city. As to how I will transfer passengers from the terminus to the central part of the city is a matter of private business, but if my petition is granted I will do it.

Councilman Young—I don't think Judge Colborn has advanced a single reason that could not be produced in favor of a steam dummy. The fact remains that the people most affected don't want the road and therefore should not have it.

The vote was taken and stood as follows: Yeas—Karrick, Lynn, Spafford, Parsons, Pendleton, Anderson, 6. Nays—Hyde, Folland, Hardy, Tuddenham, Young, 5. Pickard excused. The resolution was declared lost, as it required 8 votes to pass it.

FOR ANOTHER WEEK.

The resolution granting a franchise to Salt Lake City Rapid Transit company to Capitol hill was then taken up, and after being read, was laid over for one week.

WATER MAIN EXTENSIONS.

The committee on waterworks recommended that the following petitions for extensions of water mains be granted: F. Shiras and others, Christensen & Jensen, James Crosby and others, Le Grand Young and others, H. Billings and others, J. A. Moriadd. Adopted.

ESTIMATED RECEIPTS AND EXPENSES.

Mayor Scott submitted the following communication:

GENTLEMEN.—In compliance with a resolution introduced by Mr. Young (Ward 10), I submit herewith an estimate of expenses and receipts for the ensuing year:

EXPENSES.

Police department	[illegible]
Fire department	[illegible]

Rent parks	[illegible]
Water rents	[illegible]
Total	[illegible]
Estimated expenses over and above receipts to be raised by taxation	[illegible]

Respectfully,

HEBER J. GRANT, Mayor.

Councilman Lynn moved that the rate of taxation for the ensuing year be fixed at 5 mills on the dollar. Carried.

ASSESSOR'S COMPENSATION.

Councilman Lynn moved that Assessor Cluff's compensation be fixed at 5 per cent., as the valuation was higher than last year, when the compensation was 10 per cent.

Councilman Anderson moved that it remain at 10 per cent.

Councilman Hyde was of the opinion that 10 per cent. was excessive and should be reduced.

Councilman Young concurred saying that it would bring the collector $[illegible]. He did not know what the expenses of the collector's office, which come out of this, amounted to, but believed the idea of fixing a salary for the officer and having the city pay the expenses of the office.

Councilman Folland offered an amendment that the amount be fixed at 2 per cent. The amendment was carried.

HARDY'S RESOLUTION.

Councilman Hardy offered a resolution requiring the Salt Lake and Hot Springs Railway Company to put the street and crossings along the line in good condition within 30 days or else forfeit its franchise. Adopted.

Progress in Indian.

Editor Deseret News:

On the 19th ult. we were visited by Apostle Teasdale, who remained with us five days, holding eight meetings and giving us a wind organization with Windsor Farr as Bishop, Fenorie G. Williams and Philip H. Hurst as counselors, and Wilford Carroll as clerk and recorder. He also organized a Relief Society with Ida J. Stubbens as president, Lydia R. Young and Charlotte Carroll as counselors, Phoebe I. Allred as secretary, Nancy A. Williams as treasurer and Josephs Wright as assistant secretary. The Sabbath School, Young Men's and Young Ladies' Association and Primary Association were already organized and in running order. We were named the Dublan ward of the Mexican mission of the Church of Jesus Christ of Latter-day Saints.

We have in the ward fifty-three families, eighteen High Priests, six Seventies, fifteen Elders, seven Priests, four Teachers, seventeen Deacons, 117 members, 36 children under eight years, and three children over eight not baptized. There are 18 souls in the ward. There have been this year fifteen baptisms, six children blessed, one church and nineteen returned transferred to Utah.

We are located sixty miles south of Diaz, sixteen miles east and a little north of Juarez, six miles south of the Mexican town of Casas Grandes.

WILFORD CARROLL.

DUBLAN, July 26, 1891.

"Have you had the grip?" asked one Washington citizen of another.

"Grip?" was the reply. "I should say so. It seems to me that I have had two or three cable cars and a power house."

A correspondent writes to ask us what a holocaust is. The principal use of this word is to make an item about the burning stable read softer lightened.

WHY THE DESERET NEWS SHOULD BE SUBSCRIBED FOR IN PREFERENCE TO ANY OTHER PAPER.

1. It is the Organ of the Church of Jesus Christ of Latter-day Saints, and the authorized medium through which the views, wishes and instructions of the Church Authorities are expressed, and given to the Saints.

2. It may always be relied upon as advocating or defending the right side of every question proper for a press guided by inspiration.

3. It is devoted to the interests of the Latter-day Saints, and has from its commencement, valiantly defended their rights and advocated the principles on which they believe, and every Latter-day Saint should feel an interest in its success in its efforts and in helping to sustain it.

4. It is not patronized by speculators, and never has been, but for the good which it is capable of accomplishing, the people, if any there be desirous from it, being devoted to exhausting the spirit of meddlesome, and harassing the enemy.

5. It is doing its share to establish home industries, among which are paper making and type founding, manufacturing and stereotyping—branches necessary to the development and independence of the community, but which, during their infancy (while in this Territory they have not yet passed), can only be carried on at a pecuniary loss.

6. There is no danger of any subscriber to the News failing to get what he subscribes for through failure of the business and a suspension of the publication, as would be the case of hundreds of newspapers owing to every cause.

7. It is now printed throughout in new and suitable type, so that even the aged can peruse it without difficulty or danger to their eyesight.

8. It is free from objectionable advertisements, so that we can put into the hands of our friends and visitors, without fear of their being taken to it in lieu, it offers thousands of dollars worth of bad but paying advertisements, simply because it is devoted to the moral and spiritual interests of its readers, instead of to getting gain at their expense.

9. It is not in fact regulated by police options nor the lines of existing monopolies or advertisements. It advocates that which is right and condemns that which is wrong, regardless of results, financial or otherwise.

10. It never suppresses or endeavors to suppress all evidence of religious or any other truth.

11. The News platform on discussions and events is as unchangeable as public people in authority, but on the money question it stands on the same as the people's newspaper, with a majority only to the extent to give to patrons the full value of their money. Journalism which is not subjected to partisanship keep in the dark.

12. In conclusion, if a Latter-day Saint can afford to subscribe for only one newspaper, that paper should be the Deseret News, and if more than one, the News should invariably be the first.
