According to the report of the state board of equalization the taxable value of the railroads, telegraph and telephones of the State of Utah is nearly $2,500,000 in excess of last year. About half of this increase is due to the building of the San Pedro railroad, which will this year give its first revenue to the state since its completion. The Rio Grande increase is $358,798, while three companies which were not on the list last year contribute to the grand total as follows: Utah Independent Telephone company, $295,509; the Kane County Telephone line, $268, and the Postal Telegraph company $10,451. # INSPECTORS HAVE ORDERS TO ARREST

### Are Instructed to Enforce the Sprinkling Regulations Throughout the City.

## NECESSARY TO SAVE WATER

### Flow in Parley's and City Creek Lower Than at This Time Last Year.

The special water inspectors appointed by Supt. of Waterworks Hines to enforce the sprinkling regulations throughout the city so that the waste of water may be stopped, have been instructed to arrest any person found violating the rules in regard to the restricted use of water for the sprinkling of lawns. At this season of the year it is absolutely necessary that the citizens be as saving of the water as possible so as to prevent a shortage or famine during the summer months. One inspector is detailed in each precinct of the city to enforce the sprinkling rules, and it is the intention to prosecute any who disregard such rules.

In the upper district of the city the use of water for sprinkling of lawns is restricted to 30 minutes each day between the hours of 5 and 9 p. m. for 100 square yards of lawn. In the lower district only 20 minutes each day is allowed between the hours of 6 and 8 a. m. A new district has just been created, embracing the territory between Canyon road and N street and all north of Fifth street. The hours for this district are from 5 to 8 a. m. each day.

In speaking of the water situation today, Land and Water Commissioner Luce said the water in Parley's and City creeks was a little below the flow for the same date last year, but if the citizens will be conservative in the use of water there will be no shortage at all. He stated that the plan of flooding the city lands in Parley's and making a storage reservoir out of them has had a good effect and has held the water in the ground until the dry season, when it is gradually finding its way by seepage into the creek, and in that way will keep the flow of the stream very steady during this month and next, which are the dry months.

**Doctors said He would not Live.**

Peter Fry, Woodruff, Pa., writes: "After doctoring for two years with the best physicians in Waynesburg, and still getting worse, the doctors advised me if I had any business to attend to I had better attend to it at once, as I could not possibly live another month as there was no cure for me. Foley's Kidney Cure was recommended to me by a friend, and I immediately sent my son to the store for it and after taking three bottles I began to get better and continued to improve until I was entirely well." ## VICTIM OF TYPHOID.

### Joseph Plant, Attache of Salt Lake Theater, Called Home.

Joseph Plant, for a number of years flyman at the Salt Lake theater, died yesterday at the Groves L. D. S. hospital of typhoid-pneumonia. The deceased was 37 years of age and leaves a wife and three children. He was a member of the I. A. T. S. E., local 99, and will be buried by that order Friday at 1 p. m., the funeral taking place from the undertaking parlors of Joseph William Taylor, with interment in the city cemetery. Mr. Plant was well known, and by his geniality had won many friends, who were shocked to hear of his demise.

## MRS. BREYER DEAD.

### Well Known Local Actress Leaves the Stage for All Time.

The death of Mrs. Nellie D. Breyer, which occurred yesterday at St. Mark's hospital, removes from the stage one of Salt Lake's best known actresses. Mrs. Breyer was a member of the Utahna Stock company, and previously had been a member of the Salt Lake Stock company. She had resided here, off and on, for a period of 16 years, but located in Salt Lake permanently two years ago. She leaves a husband and six children. The former has been an invalid for the past 15 years and Mrs. Breyer has been the sole support of the family. Four of her children are in Salt Lake, while a daughter is the wife of Owen Davis, a New York theatrical manager, and a son resides in Davenport, Ia. The deceased was in her 40th year, having been born in Milwaukee, Wis., Oct. 10, 1865.

The funeral will be held at the home of her son-in-law, C. C. Calvert, 370 south Third East street, at a time to be announced later. It is quite probable that the local theatrical fraternity will give a benefit for the family of Mrs. Breyer some time in the near future. A daughter, Esther, who has been attending her mother during her illness, is now confined to her bed with brain fever.

**Croup.**

THE SOLDIER-ACTOR

Knows the Value of Pe-ru-na By Many Experiences.

In some points the soldier and the actor have similar experiences.

Both are frequently put to test to the full extent of their abilities; both are subject to constant changes and new environments; both are exposed to climate in peculiar ways.

These are not the only points of agreement. Both regard Peruna as the greatest medicine in the world to prevent catarrhal ailments and to cure catarrhal ills already acquired.

The actor and the soldier are among Peruna's best friends.

Therefore, the Soldier-Actor not only understands the merits of Peruna in military campaign, but the usefulness of Peruna to the one who must stand before the footlights every night and face large and critical audiences.

Mortimer Kaphan, the Soldier-Actor, who organized the Soldier's Actor Company which fought in the late Spanish-American War, writes from 1931 Broadway, New York City:

*"Being subject to colds and catarrh of the head, I have always resorted to the use of Peruna which I have never known to fail to accomplish a speedy cure. I never go on the road without a bottle of the same."*

An Army Officer.

William T. Johnson, Ex-Capt. U. S. A., writes from Tacoma Park, D. C.:

"Please put me down as a thorough believer in Peruna as a catarrh remedy and as a tonic good for the effects not only of that obnoxious disease, but to tone up the system that has been overtaxed or run down by continued strain, either physical or mental."

What Carleton Macy Says.

Mr. Carleton Macy, a prominent actor who has starred successfully for several seasons, sends the following from 346 22nd Street, New York City:

"I consider Peruna a great remedy for catarrh. Typhoid fever had left me with chronic catarrh of the bowels. I was induced to try Peruna and in a month's time I was in a normal state again."

## WANTED TO SLEEP.

### Curious That a Tired Preacher Should Have Such Desire.

A minister speaks of the curious effect of Grape-Nuts food on him and how it has relieved him.

"You will doubtless understand how the suffering with indigestion with which I used to be troubled made my work an almost unendurable burden, and why it was that after my Sabbath duties had been performed, sleep was a stranger to my pillow till nearly daylight.

"I had to be very careful as to what I ate, and even with all my care I experienced poignant physical distress after meals, and my food never satisfied me.

"Six months have elapsed since I began to use Grape-Nuts food, and the benefits I have derived from it are very definite. I no longer suffer from indigestion, and I began to improve from the time Grape-Nuts appeared on our table. I find that by eating a dish of it after my Sabbath work is done, (and I always do so now) my nerves are quieted and rest and refreshing sleep are ensured me. I feel that I could not possibly do without Grape-Nuts food, now that I know its value. It is invariably on our table—we feel that we need it to complete the meal—and our children will eat Grape-Nuts when they cannot be persuaded to touch anything else." **The Colonel's Waterloo.**

Colonel John M. Fuller, of Honey Grove, Texas, nearly met his Waterloo, from Liver and Kidney trouble. In a recent letter, he says: "I was nearly dead, of these complaints, and, although I tried my family doctor, he did me no good; so I got a 50c bottle of your great Electric Bitters, which cured me. I consider them the best medicine on earth, and thank God who gave you the knowledge to make them." Sold, and guaranteed to cure, Dyspepsia, Biliousness and Kidney Disease, by Z. C. M. I. Drug Dept., at 50c a bottle.

"Sometime" is a discredited date with live people; and it is a particularly poor time to fix for advertising the house for which you should have a tenant tomorrow.
