GLEN PARDOE HAS SKULL FRACTURED

Falls Under Overturned Surrey And Probably Fatally Injured.

BOY FALLS DOWN PRECIPICE

David Scott Seriously Injured—Judge Maughan Holds Court—Damaging Brush Fire.

Ogden, Utah, July 28.—Glen Pardoe, the 15-year-old son of Mr. and Mrs. Thomas Pardoe, is lying at the Ogden General hospital in a very critical condition as the result of being thrown under a surrey Wednesday night, which overturned with him, and Frank Livingston, Hattie and Grace Shaw. Glen is suffering from a severe fracture of the skull at the base of the brain, which Dr. E. I. Rich, his attending physician, says is very serious, and as yet he cannot say how the injury will terminate, as such fractures very frequently prove fatal. What is very much against the young man's speedy recovery is that the accident occurred Wednesday late in the night, and he was not brought in to the hospital until yesterday, so that the bleeding of the wound on his brain may cause inflammation.

Young Pardoe, with his friends, hired a two-seated rig from Corey's livery stable Wednesday evening and drove out to the Hot Springs bathing resort, which is 10 miles from town. They spent several hours at the resort enjoying themselves, then started back in the surry towards home. They had not gone a short distance when two of the wheels went off a bridge, overturning the vehicle with the occupants into a deep ditch. Mr. Pardoe and Miss Grace Shaw were pinned under the surrey, which came on them with considerable force. Mr. Livingston and Miss Hattie escaped with only slight injuries, and hurried back to the springs for help. The surrey was lifted off the two young people. Miss Shaw was not hurt so severely, but Glen was in an unconscious condition. They picked him up and took him back to the resort, where Dr. Dickson gave him temporary medical attention. He was brought to Ogden yesterday on the Oregon Short Line train. At the depot he was met by Dr. E. I. Rich and his parents, who decided it best to take him to the hospital for an immediate operation, which was performed, but he did not regain consciousness fully. He is being given every possible attention, with the hope that he will recover.

Mr. Livingston and the two young ladies sustained bruises and cuts but none of their injuries are serious. The vehicle was not damaged much except that the top was torn off; it was brought to Ogden by some other parties. The night was very dark and whether the accident was caused by careless driving or the narrowness of the bridge is not known. Glen is well known in Ogden and his recovery will be anxiously awited by many relatives and friends.

FALLS DOWN PRECIPICE.

David Scott is Injured in Waterfall Canyon.

While climbing the rocky cliffs up Waterfall canyon yesterday afternoon David Scott, the 14-year-old son of Alexander Scott, the miller, fell down a precipice a distance of about 20 feet, striking on his head and leg causing serious injuries and knocking him unconscious. He went up the canyon in company with Arthur Evans, Clarence English and Lawrence Watson to see the waterfall. Boy like they decided to climb high upon the cliffs and while doing so David slipped and fell into a pile of sharp cornered rocks, cutting several bad gashes, one at the base of the skull on the right side was very deep and fractured the skull, from which he bled profusely. His little companions rushed down the canyon for help, which they secured and returned back to where little David lay unconscious, about a half mile above where a horse could be taken.

The rescuers picked up the boy and brought him to his home on Porter avenue, where Dr. Ezra C. Rich attended him. Besides the fracture of the skull his knee was quite badly cut and bruised and he was otherwise bruised about the body. While his injuries are painful, the doctor does not anticipate any serious results from the same.

MARY FRANCELLE CHILD DEAD.

After three years of patient suffering, without a murmur of complaint, the spirit of Mary Francelle Child, the 15-year-old daughter of Charles W. and Atelia Thompson Child, took its departure from mortality yesterday, at the family residence, 2961 Grant avenue. The immediate cause of death was leakage of the heart. The passing of the beautiful little girl was a severe shock to the parents, and immediate family, as they had entertained every hope of her ultimate recovery. Wednesday evening Francelle went out for a drive in the fresh air with her parents, but during the night she suffered considerable pain. She arose yesterday morning and was about to eat her breakfast when without a moment's warning she fell back upon the bed and passed peacefully away. She was a beautiful child, with a sweet pure spirit and lovable disposition, which endeared her to many. The sympathy of the entire community goes out to the grief-stricken family in their hour of sorrow.

The funeral will be held at the First ward meetinghouse Sunday at 2 o'clock. Her remains may be viewed at the home on date of funeral between the hours of 10 a. m. and 1 p. m.

DAMAGING BRUSH FIRE.

A damaging brush fire raged on the bench east of Ogden all yesterday afternoon, and was not got under control until midnight last night. The fire department was called up to the blaze late in the evening, and fought hard for two hours to assist in extinguishing it. It is estimated that the fire must have cleared at least 200 acres of oak brush and sage brush. It also destroyed some lucern fields. It was feared about 9 o'clock last evening that some of the homes in the eastern part of the city would be destroyed, but the active work of the fire department and about 25 men and boys succeeded in getting the blaze extinguished before it reached the residences.

KANOSH.

Tomato Blight Cuts Off Important Crop—Wheat Harvest Good.

Special Correspondence.

Kanosh, Millard Co., July 25.—Owing to the depredations of the blight, tomatoes are becoming a luxury here, where up to the last few years they were a prolific and sure crop. This season, in the writer's garden, out of 500 plants set out but five are looking healthy; a neighbor, who planted 1,000 has none left. Some that are growing in the shade appear to escape the blight, but they are spindling and do not produce choice fruit.

The wheat harvest is good. There is little prospect of alfalfa seed, and the second crop of hay will be very light.

RICHFIELD.

DEPLORABLE ACCIDENT.

Little August Christiansen Thrown from Horse and Killed.

Special Correspondence.

Richfield, Sevier Co., July 26.—A very deplorable accident occurred in this city today resulting in the death of little 10-year-old August Lavar Christiansen, nephew of State Treasurer Christiansen. The boy was sent by his mother on an errand to his grandmother's, a distance of only two blocks. He was riding a horse and carrying a bucket in one hand. Upon arriving at his grandmother's and while in the act of handing her the bucket, the horse became frightened and the boy was thrown violently to the ground, his head sustaining the force of the fall. He was picked up in an unconscious condition and taken in to his grandmother's home. Doctors Neill and Griffith dressed his injuries but it was apparent that he could not live. The accident happened about 10 o'clock a. m. and in less than two hours he was dead.

Little August was a good boy, possessed of a kind and loving disposition and a favorite with all who knew him. His death will prove a sore trial to his mother who has not yet recovered from the shock caused by the sudden and unexpected death of her husband, Christian Christiansen, which occurred only a few months ago through heart failure. Mrs. Christiansen certainly has the sincere sympathy of the community.

ACCIDENT AT JOSEPH.

B. W. Hopkins of Joseph had a very painful accident happen to him on Pioneer day at that place, while he was acting as the marshal of the day. Just as a lot of boys representing Indians were about to make an attack on the whites he noticed a Baker boy with a rifle pointing toward the crowd. He went over and took hold of the barrel of the gun. Just as he did so, the horse jumped, his hand sliding down the barrel directly over the muzzle, the trigger at the same time hitting the horn of the saddle, which discharged the rifle. The gun was loaded with a blank shell and when it went off the wad entered his hand below the fingers, forcing its way nearly through his hand and making a very ugly wound. No serious results will follow.

Beet Seed Growing Experiments Presage Important Industry.

Special Correspondence.

Iona, Bingham Co., Ida., July 26.—The crops injured by the hailstorm have shown wonderful recuperative powers, and in the course of a few days one could hardly tell they had been injured. The injury simply acted as a setback for a short time.

The growing of beet seed promises to be a thorough success here. The sugar company has a large field to harvest this season. This being for this part experimental, it is very encouraging, giving promise of great things in this line for the future.
