PATENTS

Obtained for new inventions, or for improvements on old ones, for medical or other compounds, trade-marks and labels. Also, Assignments, Interferences, Appeals, Suits for Infringements, and all cases arising under the Patent Laws, promptly attended to—inventions that have been REJECTED by the Patent Office may still, in most cases, be patented by us. Being opposite the U. S. Patent Department, and employed in Patent Law Engineering, we can make more favorable and secure Patents more promptly, and with broader claims, than those who may remain from Washington.

INVENTORS send us a model or sketch of your device, we make examination and advise as to patentability free of charge. All correspondence strictly confidential. Prices low, and NO CHARGE UNLESS PATENT IS SECURED.

We refer to Hon. Postmaster General D. M. Key, Rev. E. S. Power, The German-American National Bank, officials in the U. S. Patent office, and to numerous and important cases in Congress and especially to our clients in every state in the Union and in Canada. Address

BEAUTY:

OR, THE

Secret of a Fair Face

An Item of Interest to Every Lady who Desires to be More Beautiful than she now is.

Unfortunately not one woman in a hundred possesses that look and starting point of real beauty—a pure and clear complexion.

What nature has thus denied, art must be called upon to furnish.

It can be done; it is done daily. Prof. W. H. Hayes placed beauty within the reach of every unblessed daughter of Eve when he discovered that surprising article known in fashionable circles as the true secret of beauty, and called it

MAGNOLIA BALM

The MAGNOLIA BALM is a very device for creating a pure and blooming complexion.

It conceals all natural blemishes in the most surprising and effective manner.

It removes all roughness, eruptions, redness, blotches, freckles, and tan with magical power.

It drives away all evidences of fatigue and excitement.

It makes the plainest face beautiful.

It gives the complexion a dazzling purity and makes the neck, arms, and hands of proportionally refined, and charming.

It makes a mistress of 50 as look not more than 30 years old, and changes the rustic maiden into a cultivated city belle.

The Magnolia Balm removes all blotches and conceals every drawback to beauty, and, to use it as hereafter as easier, it is as lasting as it effects are delightful, the result being permanent and pure.

Ladies who want to make themselves attractive can make an absolute certainty of it by using HAGAN'S MAGNOLIA BALM, and we know of no other way. It is the cheapest preparation in the world, all things considered, and may be had at any drug store.
