OPENING OF COLLEGES.

Large Registration at Both Schools—Extensive Improvements in Each.

Special Correspondence.

Logan, Cache Co., Sept. 20.—The registration at the two colleges in this city yesterday was something phenomenal. The first day's registration at the Agricultural college was the largest in its history and closely reached the 200 mark. The larger part of the students registered for work in agriculture, mechanic arts and domestic arts. Indications now are that the attendance this year will be larger than ever before.

Several changes have been made in the station buildings, a new green house has been erected at a cost of $1,100, and an addition made to the stock barn. The auditorium has been reclaimed and the class rooms thoroughly renovated.

At the Brigham Young college the registration yesterday was 25 per cent greater than at any time in its history. Nearly all of those registered were new students, the old students will come in later in the week. A number of changes have been made in the west building, which will prove of great benefit to the college. The room formerly occupied by Secretary Bullen has been fitted up as a book store and a local telephone system installed, which connects all departments of the school. The adjoining room north has been divided and one fitted up for Secy. Bullen and the other as a committee room. The class rooms have all been thoroughly renovated. The stone building has been fitted up for a biological laboratory and recitation room. The basement of the east building will be occupied by the classes in stenography, typewriting and telegraphy. The library will occupy the whole of the second floor and the third floor by the business department. The ground floor of the new mechanic arts building will be occupied by the lathes and forges, the second floor by the carpentry department, the third floor by the domestic arts department, three rooms being occupied by the sewing classes and three by the classes in cooking. A little room on this floor has been fitted up as a music room for Prof. Mann. The fourth floor will be occupied by the classes in art and drawing. Altogether the college begins its work this year under most favorable conditions and with buildings and equipment equal to almost any institution in the state.

A large number of Cache Valley people visited Brigham City yesterday. A special train was run from Wellsville, picking up passengers at all of the towns in the south end.

BEET-DIGGING BEGUN.

Beet digging has commenced in earnest all over the valley. The O. S. L. has put on a special beet train to haul in the beets. The Logan factory will begin cutting on the 25th.

A number of Logan mechanics will leave for San Francisco in a day or two, where they will assist in rebuilding the city. Among the number are H. P. Nielsen, Walter Bjorkman, J. P. Hansen, H. K. Hansen and Loyal Tarbet.

John Smalev of Raymond, Canada, is in this city inspecting the Danielsen disc plow with a view to introducing it in the north.

Democratic primaries have been called for Sept. 28. The convention will be held Oct. 1.

The Republican primaries will be held Wednesday evening, Sept. 26, and the convention to name the county ticket will meet Saturday, Sept. 29.

PAYSON.

HAPPY WEDDING BELLS.

Payson Loses Two of Its Fair Daughters.

Special Correspondence.

Payson, Utah Co., Sept. 20.—Miss Jane Wilson, head clerk of the Payson co-op. store, was married last Tuesday evening to Chas. L. Spiegel of Salt Lake. The ceremony was performed in the parlors of the Wilson hotel in Salt Lake, in the presence of a small number of guests. Mr. and Mrs. Spiegel will make their home in Salt Lake City.

Miss Hazel Dowdle of this city was married to Edward Rockhill of Spanish Fork Wednesday, the 19th inst., the marriage was performed at Nephi. Mr. and Mrs. Rockhill will make a tour of the southern part of the state, visiting relatives before returning home.

The local Republicans met last Saturday night and elected delegates to the Republican county convention to be held at Spanish Fork.

Bees are being harvested and a good yield is looked for this season.

Two steam and one horse power threshers are working hard to complete threshing of this season's grain. Although they have been at work over two months, much grain yet remains to be threshed.

Lucern seed is maturing nicely and some farmers expect a good yield.

The chairman of the local Democratic party has issued a call for a primary meeting next Tuesday evening to elect delegates to the county convention to be held at Pleasant Grove.

HUNTSVILLE.

SCHOOL OPENING.

Good Yield of Grain Despite Damaging Storms.

Special Correspondence.

Huntsville, Weber Co., Sept. 19.—The public school began last Monday with an enrollment of 232 pupils. The prospects are bright for a successful school year. The following teachers have been assigned to the Huntsville school: C. W. Kunz, principal; Miss J. S. Hayes, Ethan Allen, Miss May Cornell, Miss M. L. Lofquist, and Miss T. R. Thurman.

Huntsville threshing is in full blast and in spite of damaging storms the farmers will reap good yields from their crops.

Miss Emma Peterson has been very ill for several days. Her many friends will be glad to know that she is slowly improving.

AMERICAN FORK.

SKATING RINK ACCIDENT.

Miss Priel Gardner Falls and Breaks A Leg.

Special Correspondence.

American Fork, Utah Co., Sept. 20.—A new skating rink opened its doors for business here on Tuesday last, and last evening the first accident of a serious nature happened. Miss Priel Gardner, the head operator of the Independent Telephone Co., fell and broke both bones of her leg between the knee and ankle. Dr. Noyes reduced the fracture, and she is resting as easy as possible.

American Fork has two aspirants for legislative honors, Jno. H. Wootton for the senate and J. J. Jackson for the house. The county convention in all probability will settle whether one or both will continue to be condidates.

KAYSVILLE.

Funeral of Mrs. Mary Jarman Layton Friday 2 P. M.

Kaysville, Davis Co., Sept. 20.—The funeral services over the remains of Mrs. Mary Jarman Layton, of this place, who died Tuesday evening of heart failure, will be held at the Kaysville meetinghouse tomorrow, Friday, at 2 p. m. Friends are invited to attend.

BOISE, IDAHO.

OUTWITTED ATTORNEYS.

Steve Adams Taken to Wallace to Stand Trial for Murder.

Boise, Ida., Sept. 15.—To remove Steve Adams, who is under arrest for the murder of a man named Lyle, on the St. Joe in August, 1904, from the state prison here to Wallace, without giving Adams' attorneys an opportunity to free their client by habeas corpus proceedings, was the problem which puzzled Sheriff Sutherland this week. The sheriff was advised that the attorneys for Adams had arranged to interrupt him with a habeas corpus writ if he went either through Oregon or through Montana. It was finally determined to make the trip overland. The plans were kept very secret, the defense being lulled into the belief that Sutherland had settled down for the night. They had the gate of the penitentiary watched, and thought everything safe. But Sutherland got out of the hotel Wednesday night without being seen. He reached the penitentiary by a circuitous route, and took Adams out by way of a trail. Warden Whitney and two others joined the party, and they boarded the train at Perkins, about four miles from Boise. The party stopped off at Weiser, keeping well out of sight, and took the P. & I. N. train for Council in the morning. From the latter point they took a conveyance for the north. The man furnishing the team understood the party taking it was going to White Bird to hold a political meeting. They should have reached Stites, 130 miles from Council today. From there they could take train to Moscow and from the latter point they would have to go by team until striking the Coeur d'Alene branch road, as by keeping to the railway they would get into Washington territory. Nothing has been heard from the party up to this hour, 8 p. m.

THATCHER, ARIZONA

CONFERENCE AND FAIR.

Splendid Opening of Stake Academy—Harvesting Fifth Crop of Hay.

Special Correspondence.

Thatcher, Arizona, Sept. 10.—St. Joseph stake quarterly conference closed last night with a rousing meeting under the auspices of the Mutual Improvement associations.

Relief society conference occupied the first half day of conference, and with a large attendance.

Primary stake fair was in every way a success. The large basement of the Thatcher meetinghouse was the scene of much interest during the two days of conference. The different ward Primary associations each had a booth or compartment in which were exhibited the fancy and other work of both the boys and girls, all showing the results of the splendid training the children are receiving.

During the noon hours and at the close of the meetings lunch was served and fruit sold to the conference visitors, netting the Primaries considerable for their trouble.

Of the splendid variety of fruits displayed two-pound apples were shown from the orchard of Hyrum Claridge, and some beautiful peaches from President Kimball's orchard measured 11½ inches in circumference, and pears 13½ inches. Some large cabbages and potatoes and other vegetables showed off to good advantage, as the product of the labor of the boys.

Little Pearl Peterson, the two-year-old child of Prof. Andrew C. Peterson, principal of the stake academy, who was so badly hurt lately by having her leg broken just below the hip, is progressing favorably.

The stake academy has started up this fall with better attendance than ever, and the prospects are favorable for a good school year.

President Andrew Kimball returned from his western and northern trip just in time to celebate the foty-eighth anniversary of his birth, Sept. 6, and be here for conference. While away he visited Los Angeles and San Francisco, and spent a week visiting relatives and friends in Salt Lake, whither he had gone on business.

The fifth crop of alfalfa hay is now being put up. Grain threshing is still going on, and has been since the latter part of May. Plowing and fall sowing is now the order of the day by the farmers. The creamery is about completed, the valley is filling up with choice milch cows, and prospects are favorable for the Gila valley becoming a dairy district. The Safford creamery has been under successful operation for several months. The new depot here now being finished, is a beautiful building and a much appreciated acquisition to the town.

The mills and granaries are groaning with the pressure of the heavy crop of wheat and barley. Wheat is bringing $1.25 per 100, and barley $1.10, while hay on the cars is only $6.50 a ton.

Following the heavy summer rains, the weather has been beautiful.

CHICAGO LOSES TO BEAN EATERS

Boston Takes First Game After Chicago's Wonderful Run Is Finished.

VISITORS ALMOST SHUT OUT.

Failed to Reach First for Seven Innings and Were Unmercifully Trimmed.

The baseball situation is one day older now than when Chicago tied the world's record in the National league for the number of games won, and the only change in the situation is that Chicago has lost a game, as head of the league, to the tail-enders. Boston took the very first game after Chicago had completed its wonderful record, but, of course, the result will not be charged as Chicago can now afford to lose all the remaining games without endangering its cinch on the pennant.

In the other league the situation remains unchanged. Chicago is still tied with New York as New York's game yesterday was without results, it being called off on account of darkness.

A Weak Heart

Seldom gets strong again without help. Awake or asleep, it never stops, and consequently has no period of rest or relaxation in which to regain lost vigor. You should avoid exertion, excitement and worry as much as possible, to relax the strain, and take Dr. Miles' Heart Cure, which is a heart tonic, to strengthen and restore vigor to the heart nerves and muscles. The symptoms of a weak heart are shortness of breath, palpitation, feeble or too rapid pulse, hungry spells, hot flashes, dizziness, smothering spells, pain in heart or side, etc.

"I had been treated for heart disease by different physicians without any improvement. Finally my doctor informed me that there was little hope of my ever being able to do a day's work again. About that time a gentleman called upon me, and said, 'I heard of your condition, and have come to tell you that Dr. Miles' Heart Cure saved my life, and I want you to try it.' I did so, and after a week or so I went to my physician and told him I had been taking Dr. Miles' Heart Cure. He examined me and said, 'God bless Miles' Heart Cure, it has made you better in a few days than I ever expected to see you again.' I am now well, having fully regained my health by the use of this remedy."

R. R. LANSING, Rensselaer, N. Y.

Dr. Miles' Heart Cure is sold by your druggist who will guarantee that the first bottle will benefit. If it fails he will refund your money.

TRAINING BEGINS.

Athletic Council Decides to Start Improvements on Campus.

The athletic council of the state University decided yesterday that owing to the number of big games in prospect, it will be advisable to start training for the University teams early next week. All first team men and subs will be eligible, some 20 men in all. The council intends to broaden and regravel the walks about the University grounds, and to widen the entrance gates; it will also endeavor to induce the street railway company to extend the Second South street tracks to the grounds.

VANDERBILT RACE.

Elimination Trials Will Begin Tomorrow at Long Island.

New York, Sept. 21.—The elimination trials for the purpose of picking a team to represent this country in the international automobile race for the Vanderbilt cup on Oct. 8 will be held tomorrow morning over a 29.71-mile course in Nassau county, on Long Island. Interest in the trials this year approaches that of the race itself, and plans are being made to handle an enormous crowd. Persons having houses along the course are getting fabulous prices for their rooms and parking space is at a premium.

It is estimated that 50,000 persons will view the trials.

The race will start at 6 o'clock tomorrow and the cars will leave at one minute intervals, the last car leaving the grandstand at 6:14.

NELSON IS SUED.

Referee Geo. Siler Will Get Even With The Fowling Kid.

Chicago, Sept. 20.—George Siler, the referee in the recent Gans-Nelson fight, today filed suit in the superior court against William Nolan, the manager of Nelson, and Nelson himself. Siler claims damages to the amount of $50,000. Since the fight both Nolan and Nelson have repeatedly been quoted as saying that Siler received money for giving a decision in favor of Gans and that his conduct as a referee was dishonest. They also have been quoted as saying that Siler never saw the foul blow on the strength of which he awarded the fight to Gans. All of these statements Siler declares untrue, and claims damages for their utterance by Nelson and Nolan.
