Last Night's Dispatches.

CONGRESSIONAL.

HOUSE.

Bill for the Admission of Utah.

WASHINGTON, 2.—A number of bills were introduced, among them one by Cannon, for the admission of Utah into the Union as a State.

EASTERN.

Liquor Dealers Uneasy.

PHILADELPHIA, 2.—The women's temperance movement in this State is progressing, and the liquor dealers exhibit considerable uneasiness at the prospect.

Dead.

BOSTON, 2.—James B. Libbey, of the Boston press, formerly one of the proprietors of the *Courier*, died to-day.

Nominated.

WASHINGTON, 2.—The President has nominated Orange Jacobs Chief Justice of the Supreme Court of Washington Territory.

Banquet in Honor of the Chief Justice.

A banquet was given to-night by the alumni of Yale College, in honor of Chief Justice Waite; it was attended by a large party of distinguished gentlemen, including President Grant, the associate judges of the Supreme Court, President Porter of Yale College, Wm. M. Evarts and Judge Pierrepont. The banquet was on a grand scale, and was in all respects successful.

Temperance.

DAYTON, O., 2.—Several praying bands of women visited a number of saloons here to-day; none surrendered, but several were willing to sell out or to be set up in other business; three new saloons were opened to-day. The women are not discouraged, but are determined to persevere.

Summary of the Temperance Movement.

CINCINNATI, O., 2.—A summary of the temperance movement in sixty Ohio towns and villages up to date, shows eleven towns in which liquor selling has been abandoned and over forty, in each of which from five to twenty-six places have been closed. The work is everywhere progressing vigorously.

The Methodist ministers in Cincinnati have called a temperance meeting of the people to consider the expediency of inaugurating the prayer movement here.

Big Fire.

RICHMOND, 2.—A fire at Petersburg, yesterday, burned several buildings, including the warehouse of John Arrington and Sons, containing five hundred bales of cotton, nearly all of which was burned or badly damaged; the loss is heavy, but is nearly covered by insurance.

Some Hopes of Recovery.

BUFFALO, N. Y., 2.—Ex-President Fillmore's condition is slightly improved, and his physician thinks there is a chance for his getting up again.

Temperance Movement in Massachusetts.

WORCESTER, Mass., 2.—A meeting is being held here with the view of organizing a temperance crusade after the Ohio style; great interest is manifested.

Likely to Recover.

NEW YORK, 2.—Kennedy, shot by Mrs. Toner, in Jersey City, last Saturday night, will probably recover; he denies that Mrs. Toner shot him, and says it was a man walking behind them, but this story is generally disbelieved.

Seriously Injured by an Explosion.

An explosion of cap's used for firing a toy mortar in a store at the corner of Broadway and 20th St., this p.m., blew out the whole front of the store, and seriously injured the clerk of the establishment and a lady and gentleman passing.

Temperance Excitement

INDIANAPOLIS, 2.—The temperance excitement continues; meetings were held to-day and to-night.

Little More Temperance.

COLUMBUS, O., 2.—There was an immense temperance meeting here to-night; the enthusiasm appears to increase. Speeches were made by a number of prominent citizens, including several ladies.

Big Fire—Blew his Brains Out.

ST. LOUIS, 2.—A fire to-night, originating in the basement of 402 North 4th Street, destroyed $50,000 worth of rubber goods stored there, belonging to the Goodyear Rubber Co., and completely gutted the dollar store of J. W. Laton on the first floor. Laton's loss can't be ascertained to-night; the insurance on the rubber store is $40,000.

Lewis M. Lonk, real estate agent, blew his brains out this evening because of financial troubles.

WESTERN.

Committee Appointed—Rain Storm—Trains Blockaded.

SAN FRANCISCO, 2.—The Assembly has appointed Burt, Howe, Coggins, Ammerman, and Northcutt a committee to examine into the matter of the State subsidies to the Central Pacific Railroad.

The rain storm on Sunday was widely distributed throughout the State, and was timely for the farmers.

The overland trains are all blockaded seventy-five miles east of Elko, Nevada.

CANADA.

Progressing Favorably.

LONDON, Ontario, 2.—All the injured survivors of the burned passenger car are progressing favorably. Seven bodies have been identified, the remains of others were still left, and it is supposed that more than were first reported were burned with the car. Two gentlemen of Petrolia, supposed to be on the train, are still missing.

WEST INDIES.

Off for Active Service.

HAVANA, 2.—A detachment of three hundred volunteers, the first mobilized since the Captain General's decree was issued, went to the Cinco Villas district to-day, for active service in the field; three thousand more leave to-night for Puerto Principe.

FOREIGN.

FRANCE.

Elected.

PARIS, 2.—Ledru Rollin has been elected to the national assembly from the department of Vaucluse.

Seriously Ill.

The Count de Chambord is reported to be seriously ill.

Severe Defeat of the Republicans.

BAYONNE, 2.—Five thousand Republicans, encamped near Somorrostro, fifteen miles north-west of Bilboa, were surprised by the Carlists, and a bloody engagement took place, in which one thousand of the government troops were killed; the remainder took to flight, closely pursued by the Royalists, and all were either captured, or drowned in their attempt to cross a river in the way of their retreat.

SPAIN.

Battle of Somorrostro.

MADRID, 2.—The official reports of the battle on the heights of Somorrostro admit that the government troops lost 800 in killed and wounded. Subscriptions have been raised here for the aid of the wounded. The merchants of this city and provincial deputations offer the government men and money.

It is reported that the Archduke Albrecht of Austria is visiting the camp of Don Carlos incognito.

GREAT BRITAIN.

Salutes Over the Tichborne Verdict—Killed and Wounded by the Bursting of a Cannon—The Lord Chief Justice Censured.

LONDON, 2.—Salutes were fired on Saturday at several places on the receipt of the verdict in the Tichborne case. At Wardour, Wiltshire, the cannon burst and several persons were killed and wounded. Some of the Democratic journals deplore the verdict and denounce Chief Justice Cockburn for his unfair conduct during the trial, and quote against him the criticism of Caleb Cushing in his recent book on the Geneva arbitration.

WOMEN AS SCHOOL COMMISSIONERS.

THE DECISION OF THE SUPREME COURT OF MASSACHUSETTS IN THE BOSTON WOMEN ELECTION CASE.

BOSTON, Feb. 20, 1874.

Whether or no a woman can legally hold office under the laws of Massachusetts has been a subject of vexed discussion for some years and it is pleasant to know that it has been summarily answered by the Justices of the Supreme Judicial Court. Boston, it seems, elected three ladies to serve upon its School Board, (one of whom Mrs. Ann Adeline Badger, since drowned herself in Long Island Sound) and when these ladies made claim to their seats the remaining members of the board voted that they should be ousted. The question then went to the State Legislature and thence to the Supreme Court, which rendered the following decision this afternoon—

"The Justices of the Supreme Judicial Court respectfully submit the following answer to the question upon which their opinion was required by the order of the honorable House of Representatives of the 16th day of the present month. The question is stated in these words—

"Under the constitution of this commonwealth can a woman be a member of a school commission?

"The question is limited to the effect of the constitution upon the capacity of a woman to hold this office, and involves no interpretation of statutes. If the constitution prevents a woman from being a member of the School Commission, it must by force of some express provision thereof or else by necessary implication, arising either from the nature of the office itself or from the law of Massachusetts, as existing when the constitution was adopted, and in the limit of which it must be read. The constitution contains nothing relative to school commissions. The office is created and regulated by statute, and the constitution confers upon the General Court full power and authority to name and settle annually or provide by fixed laws for naming and settling all civil officers within the commonwealth, the election and constitution of whom are not in the constitution otherwise provided for. The common law of England, which was our law upon the subject, permitted a woman to fill any local office of an administrative character, the duties attached to which were such that a woman was competent to perform them. The duties of a school commission relate exclusively to the education of children and youth in the town or city for which it is elected. They consist of the general charge and superintendence of the schools, including the employment of teachers, the selection of school books, and the regulation of the attendance of scholars and the preparation of school registers and returns, and they are in no respect of such a nature that they cannot be well and efficiently performed by women. The necessary conclusion is that there is nothing in the Constitution of the Commonwealth to prevent a woman from being a member of a school commission, and that the question proposed must be respectfully answered in the affirmative.
