LAST NIGHT'S DISPATCHES.

EASTERN.

Stabbed to the Heart.

CHICAGO, 4.—Last night Francisco De Janay and Geseune Bovoul, citizens, quarreled over a trifling matter, when De Janay stabbed Bovoul to the heart and fled, so far eluding arrest.

Government Claims to be Pressed.

A Washington special says that this week the Solicitor of the Treasury will have ready for presentation to the Pacific Railroad Company the demand of the government upon the road for the payment of the interest due the government on the Pacific Railroad bonds; the company has either neglected or refused to make the returns upon which the amount of interest due could be based, but the Solicitor has obtained sufficient to justify him in presenting the bill of the government for payment. The Secretary of the Treasury states that payment will be insisted on, or he shall turn it over to the Department of Justice, and the company will be prosecuted.

In Death not Divided.

WASHINGTON, 14.—Wm. Chandler, Superintendent of Improvements at the Pensacola navy yard, and his wife died there on Saturday of yellow fever.

Austrian Minister Presented.

Baron Schwartz Lenbota, the new Austrian minister, was presented to the President to-day by the Secretary of State, and the usual addresses were made.

A Call on National Banks.

The Treasurer of the United States has issued a circular requesting the national banks to make an additional deposit of five per cent for the redemption of their circulation; the Treasurer says it is with great reluctance that this course has been decided upon, but it now seems impossible to prevent an interruption in the redemption of the National Bank notes unless a further deposit of U. S. notes shall be made.

Kellogg Wants Help.

Intelligence comes from New Orleans in such terms as justifies the assertion that Governor Kellogg has called upon the President for federal aid to support the State authorities in suppressing domestic violence, the legislature not now being in session. Should the call reach the President to-morrow, it may be a matter for Cabinet consideration, as he will not leave for Long Branch until to-morrow.

White Men in the Black Hills.

SIOUX CITY, 14.—The Indian agent at the Ponca reservation, Dakota, says that a few days since a party of Indians arrived there from Spotted Tail's agency, near the head of White River, and reported large numbers of white men were coming into the Black Hills from Montana and other territories west.

Mr. Blair Rallying.

CLIFTON SPRINGS, N. Y., 14.—Frank B. Blair, who had a serious relapse within a few days, is rallying again, and has been sitting up during the day.

Murder and Suicide.

PHILADELPHIA, 14.—Jas. Tozier, to-day shot his wife and then shot himself in the presence of his sister-in-law; both died instantly. They had been married only a year, but were separated.

Latest Presidential Ticket—Want Government Aid.

NEW YORK, 14.—Wm. Evarts for President, and Newton Booth for Vice-President, is the last ticket being discussed by the eastern press.

The directory of the Texas and Pacific Railroad will meet in Philadelphia to-morrow, to consider the subject of applying to Congress for aid in completing that road. The proposition is that the company, in return for a guarantee of six per cent. interest on its bonds, by Congress, shall agree to allow the government to retain the entire cost of the transportation of troops and public stores, and all received from the telegraph, and give in addition a lien on some of its best land.

$40,000 Fire.

PITTSBURG, 14.—Reese, Owen & Co's pork house was burned this morning; loss $40,000, insured.

Outlaws Defeated.

MEMPHIS, 14.—The alleged Gibson county Kuklux, brought before F. S. Commissioner Garrett this morning, were released on five thousand dollars bonds each, to appear on Friday.

Another Indictment.

BOSTON, 14.—Another indictment for murder has been found against Jesse Pomeroy, the boy murderer, for the murder of Kate Curran.

The Havemeyer Case.

ALBANY, 14.—Governor Dix has decided the case of Mayor Havemeyer. He condemns, in pointed terms, the action of the mayor, but while declaring that the power of removal is only limited by the discretion of the executive, it should be exercised only in the interest of the public; that there is no imputation of a corrupt motive, and that under all the circumstances he deems it proper to decline any further proceedings in the case.

FOREIGN.

GREAT BRITAIN.

Trouble Brewing.

LONDON, 14.—The *Standard* says the Schleswig question is assuming a serious aspect, in consequence of the daily expulsion of Danish subjects and the hostile tone of the German press. Public opinion will compel the government to send a further note to Berlin, and ultimately to establish, by the expulsion of German subjects from Danish soil.

AUSTRIA.

Excitement and Indignation.

VIENNA, 14.—There is great excitement and indignation among the inhabitants of the Galician and Transylvania frontiers in consequence of 600 Waldavian peasants forcibly crossing into the district of Bistritz; the government of the district has telegraphed to Pesth for military aid.

FRANCE.

Election Returns.

PARIS, 14.—Partial returns from the election for a member of the Assembly in the department of Marne-et-Loire, but including the towns, give the republican and present member thirty-six thousand votes, Bruas, a government candidate, supporting the Septennate, twenty-two thousand; Benger, Bonapartist, nineteen thousand; it is probable that the election will result in no choice, and that another will have to be held.

Trial Commenced.

The trial of the alleged accomplices in Bazaine's escape began at Grasse to-day. Col. Villette, and Marol and Barratt are charged with aiding and abetting the evasion, and Gigoux, Piastin, C. Francois and Leterne with negligence; the witnesses that were examined to-day testified in a decidedly contradictory manner as to the possibility of the Marshal's descent by the rope.

No Election.

The voting in the department of Marne et Loire resulted in no election, De Mailly, republican, polling 45,000; Bruas, the government candidate, 26,000; Berger, Bonapartist, 25,000. Another ballot has been ordered on the 27th inst.

WALLACE has opened his new Confectionery Store, opposite the Salt Lake House, with the best and purest candies made.
