DESERET EVENING NEWS.

Friday, - - - July 29, 1898

From the Mission Field.

The "News" had a pleasant call Thursday from Elder Alfred C. Mallison of the Sixteenth ward, this city, who returned from the Southern states on Monday, the 25th inst. Elder Mallison left home October 12, 1896, and first labored in Mississippi, where for six months he traveled among the people disseminating the principles of the Gospel. After this he went into Alabama where he remained for fourteen months, then for nine months he was engaged in the office at Chattanooga, and afterwards assisted in opening up the Georgia conference where he labored for four months. Elder Mallison enjoyed his labors very much, and came home with considerable satisfaction the gradual removal of prejudice prevailing in the representative states in Georgia, where immoral liability has been overcome to a wonderful measure. Mobbings, which formerly were common, were filed after Mallison, the war is opening up, the people are humbler and numerous inquiries are being attended to.

Elder William A. Kerr of Ogden returned July 26th from his labors as a missionary in Mississippi and Louisiana. He left on June 1, 1896, and with whom, in company with Elder Hunt of West Jordan, assisted in opening up the work in Louisiana, for preaching in New Orleans. Elder Kerr reports good progress for the future in that section of country.

Elder James E. Brown of Draper attend Wednesday, the 27th inst. from the Southern States. He left home April 8, 1896, and for two years labored in north Alabama, and the remaining time in Georgia. He was conducting for the period of the former, very successful, and the Elders are quite encouraging, and the Elders are well treated by the people.

WANT TO FIND A MRS. LUCY VAN BUREN.

Entitled, They Say, to an Eighty Thousand Dollar Estate Left by a New York Relative.

The following letter was received Monday at the office of Bishop W. B. Preston and was handed to the "News" for publication with a view to locating the person referred to:

Akron, O., July 25, 1898.

To the Minister Bishop, Salt Lake City, Utah:

Dear Sir—We are informed that a number of years ago, perhaps fifteen or twenty years ago, Hezekiah Chase Van Buren was a preacher in your Church, and resided in or near your city. His wife's name was Lucy Van Buren, née Phillips. Several months ago we received a letter addressed to Lucy Van Buren, and in New York state, and by an estate of about eighty thousand dollars, that had at which time deceased to Mrs. Van Buren, or if she is dead, to her children. We supposed that Lucy, in the year of her marriage, and we are now endeavoring to learn the chronology of her life. Van Buren is living, and if dead, then the names and addresses of her children. Letters addressed to her have been returned to us, and we have no address, or, at least, to the address of relatives or to her friends, and we have been informed by the postmaster at Akron that the letter was returned for the said reason that we are informed that Mrs. Van Buren and Phillips, children, married, namely, Andrew, Mary and Ellen, but can not get all the information we have concerning them.

Thinking that your Church could furnish some information as to Rev. Van Buren and his family, or that you might be able to learn something from your Church records concerning the family, we write you this letter. Any information that you can give us will be greatly appreciated. If you know anything concerning these people yourself, you might refer us to such person as probably will. We enclose a stamped envelope for reply. Very truly yours.

Meeting of Council Committees.

The Council committee on municipal laws met night grapled with the question here to meet the several judgments, aggregating $10,000 against the city. The committee decided to recommend the payment of the judgments in favor of Morrison Warb for $1115 and Peter Gunn for $1040. The committee will recommend that these claims be compromised, viz: Elizabeth Tucker for $1,000 in 2 in 3 month or at for $10,000 and Jacob Dyer for $1,000. The committee was informed by the city attorney that one judgment, that of the Pacific Express company for $2,324.41, was not appealable and the committee found there was only one way to get out of it, and that was to pay it. The company has already threatened to take out an execution against the city's property if the judgment is not paid forthwith.

The public grounds committee decided to recommend the granting of the petition of A. B. Rawlins, who asked that the time in which he drive of ground in Parley's canyon for ten years, at a rental of $5 per year. The committee decided that it recommend that the term of the lease be ten years.
