COAST PLAYERS WIN IN DOUBLES

Fast Tennis Play Witnessed at Country Club in Intermountain Tournament—Miss Hutchinson Wins.

Some of the fast play witnessed in the intermountain tournament at the Country club was that of yesterday afternoon when the crack coast players, Bundy and Sinsabaugh, played against the Neel brothers and the Salisbury brothers in doubles. The coast cracks won both matches and while they played a better game than their opponents, the local players made them travel pretty fast. Bundy and Sinsabaugh left last night for Los Angeles.

Another feature of the day's play was the victory of Miss Margaret Hutchinson over Mrs. G. H. Smith in straight sets, 6-4, 6-4, 6-2. On Saturday Miss Hutchinson will play the challenge match with Miss Williams for the intermountain title and this match promises to be a most interesting one.

Pittsburg, Sept. 6—Chicago won a terrifying contest from Pittsburg this morning by a score of 3 to 1. Clark misjudged Chase's fly in the ninth inning and this allowed Chicago to tie the score. The visitors won in the tenth when Evers doubled, coming home when Schulte singled. The latter went to third on Wilson's wild throw to the plate and scored when Chance again secured a double. Adams pitched grit edged ball, striking out 12 players, six of them consecutively. Reulbach was strong with men on bases.

Chicago gained 18 points on Pittsburg today in the race for the National league pennant by wining the afternoon game by a score of 6 to 3. The visitors took the lead in the first inning, when they secured three runs, and were never headed. Willis was hit freely, being removed in the second inning, Lifield taking his place. Philippe was sent in in the sixth. Overall pitched a strong game. Tinker electrified the immense crowd when he knocked the ball over the left field fence for a home run.

We Collect

For everybody, everywhere, from anybody, anywhere, and we put our brains in the work. We cannot collect for those who do not turn their claims in to us. We recently collected some money for A. M. Gordon, the merchant tailor, that had been owing to him fifteen years. We have twelve rooms in this building devoted entirely to this one business. There was a time when one room was too large. If you have doubts about our claims being cashable, remember doubt never accomplished anything. The north pole was discovered the other day by a man of honest debts in one joyous panic who did not doubt. The collection compared there-with. Cheer up and turn in your claims now. Those you consider the worst may be the first to pay.

HARRY W. HEAGREN.

Every bicycle race fan in Salt Lake and Ogden and many from other cities, and every bike rider of note in the country, have a good word to say for Manager Harry Heagren of the Salt Palace bicycle track. Heagren has a faculty of going ahead and doing things without talking too much about them and as a result he brought to a close last evening the most successful bicycle racing season probably in the history of the sport here. He brought together the world's fastest riders and gave the fans clean, honest sport.

Last year he took the management of the track when the outlook was anything but encouraging. Within a short time the game was on a firm footing and became more popular than ever. It is not necessary to point out what he has accomplished this season but every man hopes Heagren will have the track next year.

MANTELL AND SULLIVAN.

San Francisco, Sept. 6.—Jack (Twin) Sullivan of Boston and Frank Mantell of Providence fought 20 rounds to a draw tonight. The men were fairly aggressive, but a little slow in action.

Sullivan showed great cleverness in avoiding punishment and had considerably the better of his opponent during the earlier rounds, but toward the end of the fight he was repeatedly jolted by choppy rights and lefts which broke through his guard.

WILL PLAY BALL AGAIN.

Cincinnati, Sept. 7.—Larry McLean, the Cincinnati catcher will be able to play ball again, according to the surgeon at the local hospital, who operated on him.

M'GOORTY WINS.

Houghton, Mich., Sept. 7.—Eddie McGoorty of Oshkosh won the decision in his fight last night with Art Allard of Hubbel, Mich., for the middleweight championship of the northwest. It was McGoorty's fight throughout. Allard getting in only two or three blows, excepting in the clinches. McGoorty will now take on Tony Caponi either here or at Dayton.

WINS BOTH GAMES.

Chicago, Sept. 7.—Joan Kling and his baseball team from Kansas City celebrated their arrival in Chicago yesterday by winning both scheduled games, one from Logan square and the other from West Ends.

Although President Murphy of the Cubs, tried to prevent Kling's appearance, Kling played in both games without interference.

TESTIFIES AFTER FOUR YEARS.

Carlisle Center, N. Y., G. B. Burhans, writes: "About four years ago I wrote that I had been entirey cured of kidney trouble by taking two bottles of Foley's Kidney Remedy, and after four years I am again pleased to state that I have never had any return of these symptoms, and I am evidently cured to stay cured." Foley's Kidney Remedy will do the same for you. F. J. Hill Drug Co. "The Never Substitutors."

OFFICERS VISIT TRACK LOOKING FOR GAMBLERS.

New York, Sept. 7.—Published reports that race track gambling had been openly revived caused Governor Hughes to send four special representatives to the Sheepshead Bay track where they are observing conditions. Complaint was made to the governor that the recent anti-betting law was being flagrantly violated; that bookmakers were accepting wagers from all persons and that records were being kept. The governor's representatives, who will be at the track several days, are said not to have seen any serious violations. The bookmakers had been warned beforehand that the governor's special agents would be at the track and if there was any betting it was not apparent to the casual observer. But this action of the governor indicates that he proposes to keep a close watch on race tracks.

FIVE FOREIGNERS HERE TO WRESTLE

Giant Mat Artists Determined to Wrest Championship From Frank Gotch—Who Zbyszko Is.

(Special Correspondence.)

Buffalo, N. Y., Sept. 4.—Advance announcements of the invasion of the United States by foreign wrestlers anxious to wrest the championship of the world from the possession of Frank Gotch, the herculean Iowa farmer, indicate that the United States this year is to enjoy the greatest season of wrestling it has ever known. No less than five foreigners, of different nationalities and of various degrees of prowess, all come heralded of having a grand chance to beat the American. Several have arrived already, viz., James Conley, the Irish champion heavyweight, and Giovanni Raicevich, the Austrian champion, while Lemm, the Swedish champion, and Hassan Murat, the Turkish champion, are due to arrive within the next two weeks. Zbyszko, the Polish giant, will set foot on American soil about Sept. 25, and prospects are bright that George Hackenschmidt, the Russian lion, will also return in an endeavor to regain the championship which he lost to Gotch.

Greatest interest in this country has been aroused by the announcement that Zbyszko is really coming to America, for all Europe looks upon him as the greatest wrestler the mat has ever known. He comes under a promise made him by Gotch while the latter was in London that if he could successfully win from all of the lesser lights, he could have a match and a chance at the championship title.

Zbyszko is under the management of J. H. Herman of this city, and he states that beginning on Oct. 1, the Polish giant will begin a tour of America. On this trip Zbyszko will meet every wrestler that can be induced to face him. Gotch has defeated about every heavyweight in this country, and Zbyszko wants to do likewise before he asks Gotch to meet him for the world's highest mat honors.

Zbyszko is a physical marvel. He is 26 years of age, weighs 274 pounds, is 5 feet 11 inches in height, his neck measures 22 inches, chest 55 inches, waist 44 inches, upper arm 22 inches, forearm 18 inches, wrist 13 inches, biceps 21 inches and calf 19½ inches. Compare these measurements with the biggest of American athletes, and the enormity of Zbyszko's size is apparent. Experts from the other side predict that Zbyszko's weight, strength and science will give him victory over any wrestler that this country can produce, and when he clashes with Gotch with the world's championship title in the balance, there is no question but what every dollar that the Iowan's friends care to wager, will be speedily covered by Zbyszko and his friends.

NATIONAL AMATEUR GOLF CHAMPIONSHIP.

Wheaton, Ill., Sept. 6.—Charles Evans, Jr., Edgewater, had the lowest score of the early finishers in the first 18 holes of the 36-hole qualifying round of the national amateur golf championship tournament here today. His score was 74—40 out and 34 in.

Tom Sherman of Utica, N. Y., was next lowest with 75.

Other low scores were:

W. J. Travis 80, Fred Herreshoff 84, H. C. Egan 77, W. C. Fownes, Jr., 78, A. W. Tillinghast 79, H. R. Johnstone 79; W. P. Schatz 78, R. Gardner 77, J. F. Shanley, Jr., 79.

Charles Evans, Jr., aged 18, champion of the Western Golf association, carried off the honors of the first 18 holes qualifying play for the national amateur golf championship today with a 74. Going out in 40, rather poor golf for a champion, the youngster played the last nine holes in 34, seven strokes under bogey.

A pretty two on the tenth green and a three on the difficult seventeenth helped Evans take the honors of the first half of the qualifying round. Incidentally it took first position away from the long-driving T. M. Sherman, son of the vice president.

Sherman was two strokes lower than former champion Chandler Egan, Bob Gardner of Hinsdale and R. E. Hunter of Midlothian. One stroke higher than the western trio came Fred Herreshoff of Ekwanok, who is looked upon as one of the most formidable competitors for championship honors; W. C. Fownes of Oakmont and W. P. Schatz of Wheaton, Ill. J. F. Shanley, Jr., of Deal, made a 79, and Walter J. Travis, former British champion and three times winner of the United States championship, counted 80 strokes.

The scores were poor as a general rule, attributed to the dark day and a cold wind.

John M. Ward of Garden City and F. G. Griffith of Arlington each made 82.

W. C. Fownes Jr., Oakmount, made at 78, and W. P. Merriman, Waterbury, president of the Eastern Intercollegiate Golf association, an 85. Harold Weber, the crack golfer of Ohio, made an 81.

Former Champion Chandler Egan and Fred Herreshoff disappointed the spectators by playing very ordinary golf on the outward journey. Egan took 40 strokes for the first nine holes, and Herreshoff 41.

W. J. Travis, playing with "Chick" Evans, the western champion, did no better. His card showed a 41, while Evans had a 40.

Out of the hundred and more starters 64 will qualify for the second 18 holes play tomorrow, and 32 of these will drop out when the play is completed.

GOOD RACE CARD AT OPENING MEET.

The first day's racing at the Ogden four-state fair gave general satisfaction to lovers of the sport. A large crowd was on hand to witness the events and those who picked the favorites were not disappointed as four out of five galloped home winners, namely, Cardinal Sarto, Cabannis, Lilliam, Hannah and Louise.

The starting by W. M. Murray was of the usual high class order, as also was the work of A. J. Blum, presiding judge. The harness events did not take well with the crowd and another feature not to the liking of track patrons was the extra charge of 25 cents for admission to the paddock.

RACE HORSE OWNERS ARRESTED AT TRACK

New York, Sept. 7.—Through the arrest of two men at the Sheepshead Bay race track, the owners of race horses declare they have discovered a revival of the old system of "night riding." Ostend, a 2-year-old race horse belonging to Walter S. House was taken from his stable Sunday night and ridden on the yearling training track to the point of exhaustion so that when he was led to the paddock to start in the race for which he was a prime favorite, he was utterly unit to run. It is said that a large amount of money had been bet against the horse winning the race. This practice was common a few years ago on western and Canadian tracks and it has been attempted here, but with only varying success. Extra guards have been placed about all stables at the Sheepshead Bay track.

BICYCLE RACING SEASON CLOSES

Fast Going on Motors—Whittler Defeats Samuelson—Iver Lawson Makes Great Finish.

The bicycle racing season of 1909 for Salt Lake came to an end last night. The final program was witnessed by an unusually large crowd and every spectator seemed to be full of enthusiasm. The program was a good one in every sense of the word and it will be a long time before the fans forget the events.

An event worth going many miles to see was the motor race between Whittler and Samuelson, and again Whittler defeated his rival. The first two heats made the spectators gasp as the machines tore around the track at a rate of speed thought to be impossible. Whittler nearly met with an accident in the second heat. He had almost succeeded in gaining the handicap of one lap when the rear tire on his motor wore through and the machine skidded. Whittler recovered and managed to go around Samuelson. In the third heat the riders started on even terms and Samuelson was wise enough not to take too many chances and Whittler won. The second heat two watches caught Whittler's time as 1:04 4-5.

One of the most exciting finishes of the year was in the two mile open, professional, won by Iver Lawson. Downing, Hehir, Pye and Samuelson were fighting it out when Iver crossed the tape in a great burst of speed. Downing captured second place and Pye had to be content with third.

The match race between Crebs and "Whiskers" Devonovitch was won by the former in two straight heats. Wright won the five mile amateur race.

The results:

One-mile handicap, professional—Carshake, 60; Bardgett, 70; Schnell, 55; Wilcox, 45. Time, 1:49 1-5.

Five-mile open lap, amateur—Wright, McCormack, Brodbeck, Taylor. Time, 10:26.

Williams rode two-thirds of a mile in 1:14 1-5, equaling the record.

Two-mile open lap, professional—Lawson, Downing, Pye, Samuelson. Time, 3:44.

Match motor race, two miles—Whittler won second and third heats. Time, 2:09 4-5, 2:14 2-5, 2:25.

NIGHT ON BALD MOUNTAIN.

On a lonely night Alex. Benton of Fort Edward, N. Y., climbed Bald Mountain to the home of a neighbor, tortured by Asthma, bent on curing him with Dr. King's New Discovery, that had cured himself of asthma. BURMAN VICTORIOUS WITH BUICK AUTO.

Lowell, Mass., Sept. 6.—Out from a general field of 22 racing automobiles competing in the three events composing the national small stock chaisses competition of the opening day of the Lowell automobile carnival there emerged victorious today Burman at the wheel of a 30-horsepower Buick machine. Louis Chevrolet, guiding a car of the same make, of but 18-horsepower, and William Knipper, in a Chalmers-Detroit of 30-horsepower, respectively.

Burman's win was in a race for the Veazey trophy of 212 miles, which he covered in 2:19:08; Chevrolet's victory was in the event for the Yorick club cup of 159 miles, the finish of which was 2:36:17; and Knipper won a 127-2-bile contest for the Merrimac Valley cup in 2:28:43.

To Lee B. Lorimer, driving a Chalmers-Detroit Blue Bird fell the general expression of individual distinction for the day's racing, despite the fact that he did not win. Every road record for cars of this class—40-horsepower—was swept before this machine, which hummed incessantly through 17 laps of the 10.6-mile circuit at an average rate of a mile in 1:06 7-10.

A crowd estimated at 125,000 persons from all parts of New England, witnessed the races.

A Knox car ran into a crowd at Dunbar avenue during the races, and Patrick Bridges, his 7-year-old son and James B. Tracey were injured about the body and legs.

Another Knox car, driven by Shaw, ran into a booth on Dunbar avenue and was wrecked. Barney Fineberg, mechanician, was taken to the hospital.
