Yesterday afternoon at 4 o'clock in the Eleventh ward meetinghouse, funeral services were held over the remains of the late Leonora Pearl Kershaw, the 18-year-old daughter of Mr. and Mrs. Samuel F. Kershaw. The hall was tastefully decorated and many beautiful floral offerings bedecked the casket and pulpit. Bishop Robert Morris presided, and members of the ward choir furnished sweet and appropriate music. Elder Joseph H. Felt offered the opening prayer, while eulogistic and comforting remarks were made by Elders George Barton, Arthur W. Brown and Alexander McMaster, and the benediction was pronounced by Bishop Morris.

MERRY VOICES OF SCHOOL CHILDREN

Animation and Enthusiasm Marked Finish of the Season's Work.

THE PROGRAMS RENDERED.

Present Year Has Been Most Successful in the Local Field of Education —Certificates Presented.

Animation and enthusiasm were much in evidence in and about the various public schools of Salt Lake yesterday and last evening, when exercises were held for the close of the season's work. The boys and girls, with their parents and friends, thronged the buildings and made the welkin ring with their merry voices. Splendid programs were carried out, certificates were presented to the successful eighth grade pupils, and the faces of both parents and children beamed with joy and satisfaction.

No other year in the history of the public schools of the city has been so eminently successful as the one that has just closed. Fully 500 pupils were graduates from the eighth grade, and these, added to the number already attending the High school, would crowd the buildings of that institution far beyond its present capacity. LEWIS T. CANNON HOME

Congressman Howell's Secretary Talks Of Matters in Washington.

Mr. Lewis Telle Cannon, secretary to Congressman Howell, has arrived in Salt Lake, over the Rio Grande direct from Washington. Mr. Cannon was accompanied by his own family and that of Congressman Howell, all of whom have been spending the winter in the capital. The talk in Washington at the time of their departure was of an adjournment of Congress about the 15th of June, although there were many members of Congress of the opinion that it would be impossible to finish up the necessary business by that date.

As to the Smoot case, it was stated positively that the committee had agreed to take final action on Friday, June 1. The prevailing opinion seems to be that the opposition cannot muster enough votes to declare the senator's seat vacant.

Coffee Wrecks The Children

Dr. Elias G. Brown, the medical examiner of defective school children in the public schools of New York City, in his report to the City Supt. writes:

"After hereditary or congenital causes, improper diet is the greatest of the causes of malnutrition and nervousness. In considering nutrition I find one of the most noticeable evils to be the very large proportion of school children who drink tea and coffee.

"Both tea and coffee are, as we know, pure stimulants and contain an acid that is harmful.

"Many children come to school in the morning after a breakfast of stimulant (coffee or tea) and starch (white bread), and children very frequently have coffee or tea with each of their three meals, and sometimes also at three o'clock on their return from school. No child who drinks tea or coffee can be at his best. In this matter parents need education."

City Supt. of New York Public Schools, William H. Maxwell, in discussing this report writes in his report:

"In discussing improper diet, Dr. Brown finds excessive use of tea and coffee a potent reason for defect in the child. His remarks upon the use of such stimulants by children should be brought home to every parent ignorant enough to give such deverages to the very young."
