THE SITUATION IN ASIA.

Japan's Victory Compensates Nations for the Far East.

VANCOUVER, B. C., May 22.—Among the passengers on the steamer of Dollar was Colonel Bower, commander of the Imperial Guard in Hong Kong. Speaking of the result, Colonel Bower said that the situation is one of great gravity, he believed the Japan will have to be reckoned with as a first class power in the East, and in Europe the result is the most vital war which Russia, before this, has engaged in since the Crimean war. Russia, before this, has crushed two nations, Poland and Japan, and despite unfriendly territory, and in the face of a powerful neighbor also world, in the opinion, probably sympathize with China. The position of the Tsar's throne in Great Hong Kong, England an interested party in the dispute, not so to her provide advice should Japan, General Bower noted in conclusion.

SUCCESS OF THE CIRCUS.

Crowds of People Still Flocking to the Fredrick-Sun Enterprise.

The circus opposite of the Salt Lake public the last few days has been tremendous and the business done by Sells and Sheridan has accordingly been at the same order. The fourth performance of the circus opening there was given last night to a tent that crowded thousands of highly interested and appreciative people. The afternoon another well attended performance is on and tonight the crowd will be about before as numerous with phenomenon to be almost as large as any that were provided it.

The same program was repeated last evening as was given on the opening night and the management decided not to change tonight. The horses that the Fredrick show possesses are such with no ordinary ground and other features in the show introduced contest with it is said to have cost more than double Sunday's expense. Tomorrow afternoon the billiards have promised to be people from city.
