TEACHERS WHO HAVE ENROLLED.

Progress at the Utah School of Physical Culture, a Report of the Summer School.

The summer school at the University is an assured success. The time this morning, up to the instruction has been given to registration of teachers and students, and for the arrangement of the program for the session.

In addition to representatives from Salt Lake County, the counties of Tooele, Washington, Weber, Cache, Box Elder and Sanpete are represented, while there are ten teachers from Idaho and one from Colorado. The regular work at the Normal and of the department of physical culture will begin tomorrow.

Following is the enrollment today. It should be noted, however, that quite a number have not registered as their day work, from Ogden, and various points of the territory. This registration includes those who are attending both the normal department and that of physical culture.

LIVELY WHILE IT LASTED.

Judge Powers Comes Out First but is a Scalawag's Well as Angry Man.

The story is going the rounds today concerning a lively scrimmage in which Judge Powers and a man named Hawson figured as principals, on Tuesday evening last in front of Raybould's block, on East Temple street, just south of the Walker House.

[illegible]

LOGAN.

LOGAN, UTAH, - - JUNE 21, 1894.

Accidents.

While endeavoring to make a baby horse pull his load, Andrew Tempelton, of Hyrum, 45 years of age, was kicked on the forehead. The temporal artery was cut and the old gentleman lost a quantity of blood before reaching Logan, where he was brought to have his wound dressed.

Charles Checketts, over 70 years of age, was thrown from his horse while on his way to Providence, alighting on his head. He was unconscious for some time, but is now recovering.

Frank Shelton had his arm broken on Sunday by a kick from a horse which he was carrying.

Notes.

Walter Willis, who was stung by a scorpion on Saturday last, is recovering, but feels very weak. His arm is still badly swollen.

Joseph Kidd and Joseph Cowley, while under the influence of liquor, interfered with and insulted a lady on Monday evening. On Tuesday morning Judge Smith fined them $7 each for misdemeanors.

The funeral services over the remains of Conrad Schaub, who was killed in a runaway last week, were held in the Fifth ward meeting house. The friends and sympathizers of the family filled the building.

A meeting is to be held in the court house Thursday evening for the purpose of ascertaining how many are willing to join the Utah National Guard. If there is a sufficient number an infantry company will be formed.

The third annual commencement exercises of the public schools of Cache county will be held in the Thatcher opera house on Saturday. Prof. Mac Lean of the Agricultural College will address the pupils, and Prof. D. M. Todd, of the B. Y. College, will present the certificates.

While fishing in Logan river, about two or three miles below town yesterday, two boys found a human skull protruding from a sandbank. Marshal McCulloch will go down today and see if he can unearth the remainder of the skeleton. Dr. Ottaway pronounces it the skull of a white woman or person forty years of age. It is well preserved.

The Anderson adultery charge came up in Tuesday afternoon before Commissioner Fletcher. Proof was furnished that the co-respondents in question, the alleged adulterer's wife, were in Canada at the time it was alleged the offense was committed; for that reason the case was dismissed.

Charles Wilkes and Emma Marks, of Logan, and Joseph H. Martin and Grace L. Hale, of Smithfield, obtained marriage licenses on Tuesday.

Mrs. Joseph Quinney has added to the population of Ogden and Mrs. Hiram Castle a girl.

Dr. George W. Baker, a graduate of Rush Medical College, has located in Logan, and will be associated with Dr. Ottaway.

A Train under Excitement.

KNOXVILLE, Tenn., June 21.—A freight conductor Toler exploded a quart of dynamite in violation of the St. Louis & Knoxville railroad. James Bailey, fireman, was killed, and J. C. Dewey, engineer, J. Gallagher, brakeman, were badly hurt, perhaps fatally hurt. It occurred at the foot of a mountain in a tunnel. The engine, with twenty cars, was engineer, without a conductor and train, to pull it over an incline. Barnett, engineer on the northbound train, had detached the engine and ran over the incline. Young Dewey had come off the engine and hooked the cars up to the train. They were just in the act of pulling the coupling when the explosion occurred.

Vice-President Stevenson Better.

WASHINGTON, June 21.—Vice-President Stevenson has recovered from his late illness, caused by heat.
