FRANCE.

Condemned to Imprisonment.

PARIS, 17.—The trial of Bazaine's accomplices was concluded to-day; the wardens were adjudged guilty of negligence. Rull, who failed to appear, was condemned to ten months' imprisonment, Col. Villette and Plantin to six months, and others to shorter terms.

Committee Meeting.

VERSAILLES, 17.—At a sitting of the permanent committee of the Assembly, M. Terard, of the Left, intepellated the government concerning the continuation of its rigorous treatment of the press, and declared the system intolerable and unequal in its application, Republican journals alone being suspended; he protested against the recent warning addressed to the *Journal des Debats*. M. Chabaud la Tour, Minister of the Interior, replied that the government was determined to oppose calumnies against the majority of the Assembly and the government. Viscount D'Aboville, of the Right, interposed a protest against the suspension of *L'Univers*, which act, he intimated, came from foreign dictation. The Duke de Cazas pointed out that the Spanish ambassador was still uncredited when the objectionable article against Serrano was published by *L'Univers*; he emphatically denied that there was dictation from any quarter. In answer to another question from M. D'Aboville, the Duke stated that nothing had been done in regard to the withdrawal of the *Orenoque* from CivitaVecchia; he objected strongly to the exposure of diplomatic business required by interpellations of this character.

Dead—Sailed for New York.

Edmund Burke Roche, baron of Fermoy, is dead.

William Bernard McCabe, the author, sailed for New York today.

SPAIN.

Carlists Defeated.

MADRID, 17.—The Republicans have defeated the Carlists in a number of recent engagements; the Carlists have been repulsed again from Cuenca.

Reliable Testimony

CARL C. ASMUSSEN,
BEING very desirous to dispose of all his fine Jewelry, Watches, Clocks, Field and Opera Glasses, Spectacles, etc., etc., offers a rare chance to the public for investment.
The JEWELRY is selected with the utmost care, both for beauty and excellence. The WATCHES are unsurpassable both for strength and good going.
All goods are warranted.
Appended are testimonials from most reliable gentlemen well known in the Territory:
"The Watch I bought of you in 1872 goes most excellently, never varies a minute; has never had any repairs to it since I got it, although it has been exposed to very hard usage. A. C. BROWN, Brakesman U. S. R. R."
"The Watch I bought of you last year has proved to be the best article I ever had, having lost it twice in the water, once at the depth of six feet, besides a great many other hardships, and stands all with perfect ease, being always right to time. JOHN SANDS, Camp Douglas."
"The Watch I bought from you is all that can be desired. As a timekeeper it beats anything I ever had, and stands the jolting and rough usage without the least variation. DANIEL G. BRIAN, Paper Mill, Salt Lake Co."
