SENATE.

WASHINGTON, 22.—A number of petitions from New York State were presented and referred, favoring the remonetization of silver and the repeal of the specie resumption act.

Morrill, from the committee, reported a bill to remit taxes on insolvent savings banks. Placed on the calendar.

The report of the joint Senate committee on Chinese immigration was referred to the committee on foreign relations.

Maxey, from the committee on military affairs, reported, with amendments, the House bill for the payment to the officers and soldiers of the Mexican war of the three months' extra pay provided for by the act of July 19, 1849. Placed on the calendar.

A bill was introduced by Butler to repeal the section of the Revised Statutes imposing a tax of 10 per cent. upon circulation of State banks. Referred.

The Vice-President presented a communication from the Secretary of War, regarding the reimbursing of the State of Texas for expenses incurred by said State in repelling invasion by Indians and Mexicans. Referred.

On motion of Conkling it was ordered that the papers now on the files of the Senate relating to the case of Major Runkle be taken from the files and referred to the committee on judiciary.

At the expiration of the morning hour the statue of William King, contributed by Maine to the national statuary, was accepted and Hamlin and Blaine made addresses.

Hamlin's resolutions accepting the statue were then agreed to, and after an executive session the Senate adjourned.

HOUSE.

WASHINGTON, 22.—Ewing, from the currency committee, reported the resolution agreed on, to-day, instructing the committee to inquire into the amount of gold and silver on hand, etc. Adopted.

Willis (New York), from the committee on naval affairs, reported a bill authorizing Rear-Admiral John J. Almy to receive a decoration from the king of the Hawaiian Islands. Passed, 146 to 101.

Also a bill to equip an expedition to the Arctic seas. Recommitted.

Mourse, from the committee on foreign affairs, reported a bill authorizing Spencer F. Baird, assistant secretary of the Smithsonian Institute, to receive from the King of Sweden a diploma constituting him a member of the Norwegian order of St. Olof. Passed.

On motion of Garfield, a resolution appointing Noah Porter, Conn., to fill the vacancy in the board of regents of the Smithsonian Institute, caused by the resignation of James D. Dana, was passed.

The House then took up the bill to amend the existing law concerning commerce and navigation and the regulation of steam vessels.

Reagan, who reported the bill from the committee of commerce, stated that it was substantially the same bill as passed the House last Congress.

After disposing of thirteen pages of the printed bill, which consists of 26 pages, the bill was laid aside, and the Senate joint resolution, accepting from the State of Maine the statue of William King, to be placed in the old hall of the House of Representatives was taken up for action.

After several speeches, the joint resolution was passed and the House adjourned.

EASTERN.

Totally Shot.

CHEYENNE, 22.—Sergeant John Moore, of the fifth cavalry, was fatally shot, last night, by Philip A. George.

Theatrical Agitation.

NEW YORK, 22.—The *Evening Post* says: Theatrical circles are much agitated over the publication of certain letters and dispatches from Dion Boucicault to Chas. R. Thorne, Jr., now in California, written apparently with the intention of inducing Thorne to break his engagement and join Lester Wallack's company. Palmer of the Union Square, expresses much indignation at Boucicault's interference, and denies that there was ever any intention of breaking Thorne's engagement.

The Lord-Hicks Case.

Judge Van Brunt, this afternoon, granted an order for the publication of a summons in the lunacy proceeding by his children against Thomas Lord, sen., who recently married Mrs. Hicks, requiring him to appear before the commissioners on February 24.

Vanderbilt Under Bonds.

Wm. H. Vanderbilt appeared at the coroner's house this morning and was placed under $2,000 bonds to appear at the inquest in the case of Matthew Reiley, who died of injuries received by being run over in November, by Vanderbilt.

The Proposed Investigation.

WASHINGTON, 22.—Glover, who introduced the investigation resolution in the House, had, yesterday, a long interview with the President concerning the attitude of the administration toward the coming investigation. Glover expresses himself much pleased with the manner in which the President met his views. He assures the President that his object was not to make party capital but to purify the government. The committee on expenditures in the Treasury Department, of which Glover is chairman, passed, later in the day the following resolution:

RESOLVED—That the President be and he hereby requested to cooperate with the committee in its investigations of the alleged abuses in the Treasury Department, and to issue an order necessary for that purpose.

The President replied that he should be glad to co-operate heartily with the committee in the proposed investigation, and to that end would issue such proper directions to all the officers of that or any other department as may be required to secure prompt and effective assistance in the conduct of the investigation.

Committed Suicide.

Captain A. K. Long, of the commissary subsistence of this post, committed suicide, to-day. He went home at his usual hour, this afternoon, and entering his wife's room, had a brief conversation with her, and immediately afterwards passed into an adjoining room and shot himself near the heart, causing death almost immediately.

Another Outrage.

Revenue Agent Wagner, of South Carolina, telegraphs that Deputy Marshal Pitman was removing a prisoner, for violating the revenue laws, from Greenville, South Carolina, to Walhalla, by order of Judge Bryan, for the purpose of giving bail for his appearance, and while waiting to make the change of cars at Seneca, three men appeared and assaulted the deputy, throwing him down and holding him there, and calling to the prisoner to make his escape, which he did. The deputy was severely handled, threatened with death, abused and cursed in the presence of a number of bystanders who had gathered, but who rendered him no assistance to prevent the rescue and escape of his prisoner.

A Friendly Call.

Sir Edward Thornton, accompanied by Lord Dufferin, Governor General of Canada, called on the President, to-day.

$50,000 Fire.

OSWEGO, N. Y., 22.—The Ontario flouring mill, owned by M. J. Cummings, was burned, to-night; loss $50,000; insurance $40,000.

Suffocated.

CHICAGO, 22.—Three buildings on Kinzie street, were burned to-night, and Henry Mueller, a 13 year old boy, was suffocated; the loss by the fire is small.

Fraudulent Registration.

ST. PAUL, 22.—The report of the grand jury of Ramsey County, made to-day, finds that systematic and enormous frauds were committed in registration of voters for the November election in 1877, by falsifying the poll books in the office of the city clerk, in which a large number of fictitious names were skilfully and carefully checked as they would have been checked had they actually voted at the election in 1876, of which these books purported to be a true record. Of such fictitious names, 545 were found. City Clerk, M. J. O'Connor, Assistant Clerk, W. J. O'Connor, the aldermen and judges of election are severely censured. Several indictments were found.

FOREIGN.

GERMANY.

In the Power of the Chinese.

BERLIN, 22.—A telegram received from Faakkerd, January 19, says the Chinese took the city of Kashgar by a *coup de main*. The Emir Bey, Koli Beg, escaped from the carnage, and fled to the Russian province of Ferghana. He solicits Russian support. The whole of Kashgar is now in the power of the Chinese.

Preparing for the Marriage Ceremony.

MADRID, 22.—Elaborate preparations have been made for the marriage, to-morrow, of King Alfonso and the Princess Mercedes. Queen Christiana, and Francisco de Asesi, the king's father, special foreign envoys and thousands of visitors, have arrived. The Count and Countess of Paris, brother-in-law and sister of the Princess Mercedes, have gone to Aranjuez to congratulate the princess. The king received the German, French and British envoys yesterday. The latter delivered an autograph letter from Queen Victoria to the Duchess Montpensier, and a bracelet for the Princess Mercedes. He also brought an Indian scimitar, with scabbard and hilt inlaid with gold, and precious stones, as a present to the king from the Prince of Wales.

TURKEY.

Forces Concentrating.

CONSTANTINOPLE, 22.—An army, under Mehemet Ali and Ahmed Eyoub Pasha, is concentrated at Kark Kilisse, 32 miles east northeast of Adrianople.

Pushing Forward.

The Porte claims to have information that the Russians will reach Gallipoli by January 25th at the latest. In diplomatic circles this apprehension is regarded as exaggerated.

MEXICO.

Mexican Items.

CITY OF MEXICO, 18.—Government has instituted inquiries to ascertain what officers of the Mexican army invited Lieut. Wood, of the United States forces, to cross into Mexico. Government has determined to oppose the crossing of the boundary by American troops.

HIGHEST HONORS

UNITED STATES

World Exhibition, 1876.

MASON & HAMLIN

CABINET

ORGANS

Unanimously assigned the

"FIRST RANK

IN THE

"SEVERAL REQUISITES"

of such instruments!

The MASON & HAMLIN ORGAN CO. have the honor to announce that the Organs of their manufacture have been unanimously assigned "THE FIRST RANK in the SEVERAL REQUISITES of instruments of the class," by the Judges at the CENTENNIAL EXHIBITION at Philadelphia, 1876, and the ONLY INSTRUMENTS OF THIS GENERAL CLASS AWARDED THIS RANK. This is after the severest competition by the best instruments, before one of the most competent juries ever assembled. They have also received the MEDAL, but, as it is understood, not because of any merit have been "awarded all articles deemed worthy of recognition; so thus it will be easy for many makers to advertise that they have received 'first medals.'"

The difference in competing articles, and their comparative merits, are represented in the Reports of the Judges from which the following is an extract:—

"THE MASON & HAMLIN ORGAN CO. exhibited at Send Organs, and we show instruments of the FIRST RANK IN THE SEVERAL REQUISITES OF INSTRUMENTS OF THE CLASS, with beauties and equal distribution of tone, quality, and power throughout the entire compass, freedom and facilities to action of keys and bellows, with transposition of pitch, and ease, combined with simplicity of action."

(Signed by all the Judges.)

The Mason and Hamlin Organs are thus declared to be equal to any in the world, not only, but in the SEVERAL REQUISITES of such instruments, and they are the Only Instruments to which such triumph has not been accorded, for the Mason & Hamlin Cabinet Organs have uniformly been awarded the highest honors in competitions in America, they having been successfully at competitions in hundreds of trials. They were awarded highest honors at

FIRST MEDALS

PARIS, 1867; VIENNA 1873; SANTIAGO, 1875

PHILADELPHIA, 1876;

and have been awarded highest honors at

Every World's Exposition!

at which they have been exhibited, being the Only American Organs which have ever obtained "Any Award at any competition with European makers, or in any European World's Exposition."

NEW STYLES, with improvements, exhibited at the CENTENNIAL, signal new merits in great variety. Prices very lowest consistent with best material and workmanship. Organs sold for cash or locally known, or for cash and a portion of the organ surrendered in part value, or for money on easy payments. ☞ ILLUSTRATED CATALOGUES sent free.
