OGDEN.

OGDEN, UTAH, OCT. 18, 1893.

Fourth District Court.

The charge against Robert Allred (alleged rape) occupied the entire time yesterday in the Fourth district court. It is a terrible case.

Suits Filed.

Celia A. Brown yesterday brought suit against Sidney Stevens and James Montgomery, sureties of Thomas B. Brown, her guardian, for the recovery of $699.24, which she alleges has been misappropriated by Brown.

Laid to Rest.

Yesterday the remains of Theodore Busch, the German tourist who died suddenly at police headquarters on Saturday, were conveyed to their last earthly resting-place in the Hebrew portion of Mountain View cemetery. Short services were held at the undertaking parlors of Richey Bros., and a number of the deceased's religious ties and sympathizers followed the corpse to the grave.

The Broom Will Case.

Yesterday morning a hearing was had before Probate Judge Bissonpen on the petition of Hans and Annie Meiser for the appointment of James H. Speegh and John S. Corlew as administrators of the estate of the late John Broom; also the petition of Mrs. Broom wherein she asked for the appointment of herself as administratrix of the estate. On Monday a number of witnesses were heard and yesterday the matter was continued by the court denying the former petition and overruling all objections to Mrs. Broom's petition. He appointed that lady administratrix on the filing of a bond of $25,000.

A Dislocated Shoulder.

Mrs. Hyrum Olmstead, who resides near the Hooper switch, met with a very painful accident yesterday. The lady was busy with her household duties when her foot slipped and she fell dislocating her right shoulder. Drs. Powers and Joyce rendered medical aid.

"Aiding and Abetting."

Yesterday afternoon James Hamby was arrested and taken before Commissioner Holmblad on the charge of "aiding and abetting" in the embezzlement of five cows from Mary McGrath. Hamby gave bonds in the sum of $500 pending the examination which will take place at 10 o'clock this morning.

A Small Blaze.

At 10 o'clock this morning a small fire belonging to Thomas Bros., and located near the corner of Grant and Twenty-fourth street, was found to be on fire. An alarm was sent in to the department and the fire quickly reached, making a fine run. The occasion was brought into use and the blaze extinguished without loss to the owners.

PROVO.

PROVO, UTAH, OCT. 18, 1893.

First District Court.

The following has now been transacted in Judge Smith's court:

Rouse, Morgan & Co. vs Hugo Deptien, a suit to recover $700 for sawyer; the jury returned a verdict for defendant.

The case of the People vs Hyrum Hyde and the case of the People vs Albert Collins were set for November 21st for trial.

The case of the People vs W. E. Davis, murder (second trial), was set for November 22nd.

Edward Teasge and Ariner W. Dompker were separately tried and found guilty of grand larceny—the former being in Grant county in August, 1892. Several witnesses were produced against the defendants on the reason that the horses stolen, although taken from one pasture, belonged to different parties. When the case against Teasge came up a jury of former acquittal was entered, Keeving claimed that as the horses were taken together, only one offense was committed. His lower occupied his view of the law, and announced the jury to return a verdict of not guilty. District Attorney Judd, in behalf of the people, gave notice of appeal.

The case of the Ontario vs Eureka Hill Mining company, in being tried. Plaintiff, while on a visit to the mine of the company in 1890, sustained injuries which caused the loss of his left arm. A contract was then entered into between the mining company and Erickson that he should be employed as night watchman of the mine as long as he wished at $3 per day. In 1892 Erickson was discharged, whereupon he brought suit to recover $36,000 on the contract entered into by himself and the company, the claim being that if Erickson had had continued he would have been able to earn that amount during his lifetime. The claim of the mining company is that Defendant did not perform his duty as night-watchman, by frequently absenting himself from his place of duty, and get into the habit of drinking.

Political.

The Democratic municipal ticket of Provo is now complete. Myron Tanner has received the nomination as councilman in the Third ward in the place of John A. Warner, who declines. The marshalship nomination, N. L. Nelson and A. L. Roth are the nominees for the Council from the Fourth ward.

SEE WHAT IT HAS DONE FOR ME.
I am as good as one then from the dead. A few months ago I had given myself up to die, and by mere chance I heard of Biller's Geneva Mineral Water, from Geneva, New York. I called at the Water Depot in Portland, Oregon. I had the agent I had been afflicted for many years with what is called Cystitis, or inflammation of the bladder; also diabetes, that I had lost fifty pounds weight in the last year, and that I would soon pass to another sphere. I have spent thousands of dollars on doctors and medicines, and all to no avail; and was using medicine all the time for the past six years, by the time I had used five gallons of the Geneva Water I was comparatively well. Or, hear me, all you that are afflicted and suffering with Urinary troubles or Stomach Ailments of any kind, the Geneva Mineral Water will cure you. It has cured me.
Come and see me and judge for yourself. 119 Post office block, Salt Lake City.

LOGAN.

LOGAN, UTAH, OCT. 18, 1893.

Political.

On Monday Republicans and Democrats met in convention, each to nominate one member of the Council and two representatives in the Legislature from the first district. By some oversight it had been arranged to meet in the same room in the north house, the Republicans at 10 a.m. and the Democrats at 2 p.m. When the latter hour arrived a common election was received by the Republican convention to the effect that the Democrats waived their rights to the hall, and had secured the Opera House. A platform and ticket were adopted by each convention, and each showed Ben Sonny a representative in the lower house. A county superintendent of district schools was also nominated by each party. The Republicans nominated, for the council, James T. Hammond of Logan city. For representatives, Wesley R. Walton, of Hyde county, and Marion W. Merrill Jr., of Mendon. For county superintendent of district schools, William H. Apperley of Logan. The Democratic nominees were: For the council, Chas. H. Hoff, of Logan; for representatives, James Maughan, of Hyrum, and Agnolo Nebeker, of Benson.

Fire.

Early on Monday morning a fire was conveyed to Prescott Wm. H. Apperley's cave near the depot. The loss had made such headway before it was discovered that it was impossible to save the premises, which were a total wreck. The personal effects of the tenants, however, saved surrounding property. Mr. Apperley thinks a tramp may have slept in the barn and dropped either a lighted match or cigarette in the hay.

Two fires were detected and extinguished in the incipient stage on Saturday evening.

A Surveying Party.

Quite a large party went through Blacksmith Fork canyon last week, and have been surveying in Cache valley in the interest of the Utah & Wyoming railway. The leaders of the party feel confident that the road will pass through Cache valley.

Gone to Chicago.

City Treasurer Shaver and family left Logan yesterday for a trip to the World's Fair.

Held Under Bonds.

Frederick Yeates, of Mendon, was arrested last Friday evening by Deputy Marshal Smith, for unlawful cohabitation, and taken before Commissioner Fletcher on Saturday for preliminary examination. After hearing the evidence the Commissioner took the case under advisement until Tuesday, when he held Mr. Yeates in $1000 bonds, and his alleged plural wife, Sarah M. Spearman, in $500 bonds, to appear before the grand jury. Joseph C. Knowles and James Z. Stewart become sureties.

American Wheelmen's League.

N. W. Family has been appointed local consul of the league of American Wheelmen. In all probability a branch of the league will be established here, as the sport is increasing in popularity.

Music.

The Wellville brass band furnished music at the Republican convention in Logan on Monday. The boys show the result of careful study and steady training, having made a wonderful improvement since last year.

Mining Note.

Richmond and Paradise are probably doing more in the way of developing their mining properties than any other places in Cache valley. Work is being prosecuted on several of the claims in the canyons adjacent to those places, and some of them are making a good showing. An assay made recently on ore from the "Right of Way" mine in Maple canyon shows 20½ per cent copper and $2.11 in gold. The La Plata Mining Co. are to hold a meeting in a few days and, it is hoped, will resume operations this fall.

The U. P.'s Tax Auditor.

Mr. O. H. Bringley, of Omaha, tax auditor of the U. P. system, registered at the Palace hotel on Monday. On Tuesday he held an interview with our assessor and collector. Mr. Bringley is of the opinion that the U. P. ownership will have a beneficial rather than a deleterious effect on the company's dealings with employes, the number of men employed and amount of taxes service throughout the entire system.

Prospering.

One of our home industries, the Cache Valley Knitting Works, is doing well. Last week it made a shipment of $1000 worth of goods to Salt Lake.
