DISTRICT COURT.

The petition of Mary Barratt for letters of administration in the estate of the late Sarah Harkness of Idaho to be issued to P. Healy came up yesterday and was continued to March 7, at which time the hearing is also set on the counter petition of the husband of the deceased asking that he be appointed to administer the estate or if the court will not appoint him, a resident of Idaho, then he asks for the appointment of Thomas D. Dee as administrator instead of P. Healy. Harkness claims that the wife left a will which is now on file in Bannock county, Idaho, and made him her sole heir.

A. J. Heath, through attorneys Agee and McCormick, yesterday filed a petition in the probate section of the district court asking that he be permitted to prove the will of the late T. C. Chamberlain executed 12 years ago, and that the administratrix appointed when it was believed the deceased died intestate be required to account to him for all moneys and other property of the estate, and that her letters of administration be revoked. The administratrix, it will be remembered, is the widow of the deceased and the will was made while his first wife was yet living.

In the estate of G. L. Wattis deceased, the petition of Warren L. Wattis executor, for leave to sell personal property was granted. The hearing on the settlement of final account of guardian of the heirs of the late C. G. Warner was continued till Feb. 28.

Provo had a heavy rain Monday night which was very acceptable, as the streets were very dusty. The precipitation also added greatly to the snow in the mountains. Another fine rain, with snow in the hills, came last night. Some of the old weather experts have held to the opinion that there would be plenty of snow in the mountains this season in spite of the unusually mild and open winter, and it may be that their welcome forecast will prove true.

Elders B. Cluff, Jr., Jacob F. Gates and John Giles have returned from Josepa, where they attended the quarterly conference of the Hawaiian colony. They report having a very enjoyable meeting with the Hawaiian Saints. President W. W. Cluff of Coalville was also one of the visiting Elders, who attended the conference.

Astounded the Editor.

Editor S. A. Brown, of Bennettsville, S. C., was once immensely surprised. "Through long suffering from Dyspepsia," he writes, "my wife was greatly run down. She had no strength or vigor, and suffered great distress from her stomach, but she tried Electric Bitters, which helped her at once, and, after using four bottles, she is entirely well, can eat anything. It's a grand tonic, and its gentle laxative qualities are splendid for torpid liver." For Indigestion, Loss of Appetite, Stomach and Liver troubles it's a positive, guaranteed cure. Only 50c at Z. C. M. I. Drug Dept.

Saved Him From Torture.

There is no more agonizing trouble than piles. The constant itching and burning make life intolerable. No position is comfortable. The torture is unceasing. DeWitt's Witch Hazel Salve cures piles, at once. For skin diseases, cuts, burns, bruises, all kinds of wounds it is unequalled. J. S. Gerall, St. Paul, Ark., says: "From 1865 I suffered with protruding, bleeding piles and could find nothing to help me until I used DeWitt's Witch Hazel Salve. A few boxes completely cured me." Beware of counterfeits. Godbe-Pitts Drug Co., corner First South and Main streets.

Special Correspondence.

Lindon, Utah Co., Feb. 24.—The citizens of this place have just passed through a scourge of measles, only about two families escaping.

OLD FOLKS MADE GLAD.

Last Friday, the 21st, our old people had their annual good time. In the morning they were taken to the meetinghouse in carriages, where a program was rendered until 12:30 p. m., when they were taken to the Social Hall, where three tables, the entire length of the hall, were loaded with the good things of the earth. After the banquet another program was rendered, where many of our pioneers spoke of their early experience interspersed with songs and instrumental music.

In the evening the "Green Bushes" was given by the Home Dramatic company for the old folks. After the performance the old people were taken home by the same carriages that had been at their services all day.

On Feb. 21 Mrs. Samuel Kirk passed to the great beyond, leaving husband and seven small children, the oldest 11 years old, and the youngest 2 weeks. The funeral was held on Sunday in the meetinghouse where many could not get in. The president and counselor of the stake were present, each spoke in the highest terms of the departed, as also did members of the ward.

This evening Mrs. Gustaveson, an elderly widow, slipped down and broke her arm in two places. A doctor was called in who set the broken member, and she is doing as well as can be expected.
