IT HAS DONE ITS WORK AND DIED

The First Legislative Assembly of the State of Utah is Now an Institution of the Past.

HOW MUCH IT HAS COST THE STATE

And The Number of Laws Enacted—The Use of Blended Legislation—Three Hundred and Fifteen Bills in all Have Been Introduced in Both Houses.

The First Legislature of the State of Utah closed its session on Wednesday afternoon last, the Senate going into its long number at 4:55 and the House following its example in just two minutes after. The customary last day extended itself over a period of nearly eighty hours.

This session has cost the State a total of $41,522.65, including all expenses, and the people have received in return 121 enactments, while 194 other bills have been formulated, presented and, in one way or another, killed, making a total of 315 bills which were introduced in both Houses.

HAVE BECOME LAW.

Bills Which Have Passed Both Houses and Been Approved.

The following bills were introduced in the Senate, passed both houses and were approved by Governor Wells, thus becoming law. The figures indicate the number of the bill:
