A MISSISSIPPI MOB.

Turned from Its Purpose to Drive Out the Mormons.

MEETING HOUSE WAS BURNED.

But That Did Not Prevent the Saints Holding Conference—The Work Progressing.

The Elders of the Mississippi conference met at Hominy Ridge, in the northeastern part of Franklin county, April 13th and 14th. The Saints of the Franklin county branch had labored industriously to erect a meeting house in time for the occasion. It was built of pine logs and was so far completed that the Saints had met in it twice. During the night of July 4, our enemies took occasion to set the building on fire, thinking no doubt to stop the holding of conference in the neighborhood. The meeting house was almost ruined, only the charred logs remaining, which were somewhat green. The Saints then set to work and erected a bowery.

Saturday morning, the Elders twenty-two in number, met in this bowery together with a few friends and visitors. On account of sickness Elder E. S. Kimball, president of the mission, did not arrive the first day of conference. The meetings were held and remarks were made by Elder Frank T. Pomeroy, president of the conference, and the following traveling Elders: F. C. Ree, William M. Kerr, William Martin, M. H. Porter, J. W. Chipman, George A. Ure Jr., Lee C. Woolley, David Fuddes, John C. Lovell, R. W. Brown and Axel Nielsen. The principal subjects treated on were the first four principles of the Gospel.

Sunday morning conference continued with quite a good number of Saints and visitors. Elder Kimball was with us, although in a somewhat enfeebled condition, having arrived [illegible]

[illegible]

Hinds counties; Wm. M. Martin and W. W. Buchanan, Perry and Lamar counties; Geo. F. Shelley and John F. Ashe, Covington and Simpson counties.

After the labors have been completed in the old counties a list of the Elders and their addresses will be sent for publication.

After the adjournment of the council meeting the Elders repaired to a stream of water near by, where two persons received baptism, and today three others were added to the Church. The prospects in this state are excellent for a great amount of good to be accomplished. The missionaries are a bright, energetic lot of young men, and all are greatly encouraged at the good advice and instructions received at conference. They go out with renewed determination for good.

Hoping and praying for the prosperity of the work of God, in all parts of the world, we remain, your brethren in the cause of truth,

FRANK T. POMEROY,
President.

GEO. F. SHELLEY,
Clerk of Conference.

FRANKLIN CO., Miss., July 17, 1895.

WEATHER AND CROPS.

Report of Utah Weather for June—Idaho Crop Bulletin for the Past Week.

U. S. Department of Agriculture, weather bureau, report of the Utah Weather Service for the month of June, 1895.

Temperature—The mean temperature for the Territory was 62.8 degrees, which is [illegible] degrees below the normal; highest monthly mean, [illegible] degrees at [illegible]; lowest monthly mean, [illegible] degrees at Soldier Summit; maximum, [illegible], at St. George on the 23rd; minimum, [illegible], at Soldier Summit, on [illegible]; greatest monthly range, [illegible], at [illegible]; least monthly range, [illegible], at [illegible]. The warmest days were the [illegible], and the coldest, [illegible].

Precipitation—The average for the Territory was [illegible] of an inch which is about [illegible] of an inch below the June normal. The greatest monthly amount, [illegible] inches, was received at [illegible] and [illegible], and the least a trace at [illegible].

ment in the condition of the growing crops during the past week. Potatoes and corn were especially benefitted by the favorable weather, and are reported as looking remarkably fine in all sections. Harvesting operations continue and during the next ten days will become general throughout the Territory. The first cutting of lucern is now about all in stack, and the second cutting is in progress. Hay crops will fall below the average yield as will most of grain and fruits. Considerable of the rye has been cut, and barley, wheat and oats are rapidly turning [illegible]. The prospects for an average crop of nearly all kinds of fruit continues excellent. Garden stuff, where irrigated is doing remarkably well; in districts where the water is scarce it is looking somewhat poor.

HOW WAS HE HURT?

Says He Was Held Up But the Police Refuse to Believe the Story.

Last evening about 10 o'clock, a man whose name could not be learned, staggered into Godbe, Pitt's drug store, revealing the fact that he had been subject to an assault which had had its effect. Besides his head being badly bruised, there was a hole in the left side of his nose from which the blood was flowing very profusely. Dr. McAdams was called in and fixed up the wound, which he says must have been inflicted with a knife or other sharp instrument.

When questioned as to how he came into possession of the bruises, he stated that he had been held up at the corner of First South and First West streets, and upon showing his resistance, his assailants dealt him a blow which felled him to the ground, and while in that position they went through his clothes and relieved him of his gold watch, but inadvertently left the cash, of which there was a considerable sum in his pockets, alone.

This statement, however, could hardly be swallowed by the police, as the man had been drinking so freely that scarcely any credence could be put in it, it being generally believed that he had become mixed up in a free-for-all [illegible], and came out of it with the results above stated.

City Abstracts.

The work of bringing the city abstracts down to date has been awarded to the Utah Title Insurance and Trust company. Out of the three companies bidding they made the lowest bids.

I Am Glad

To tell what Hood's Sarsaparilla has done for me. I had the grip and its ill effects settled all over me. I had cramps in my legs and frequently I had to get up at night and walk to relieve the trouble. I also had stomach trouble. I then took Hood's Sarsaparilla. One bottle cured the cramp, and another has helped my stomach trouble greatly. I have taken 3 bottles and use Hood's Pills which are the best I ever took." H. A. MELVIN, [illegible], Oregon.

Hood's Sarsaparilla Is the Only True Blood Purifier
