EVENING NEWS.

Monday, - August 6, 1883.

BY TELEGRAPH.

FOR WESTERN UNION TELEGRAPH LINE.

FOREIGN.

The Monarchist Plot.

LONDON, 4.—Paris correspondents of London Papers do not consider the plot to restore the monarchy in France of a serious character. Two coachmen who were arrested had papers in their possession which indicated the existence of a secret Legitimist committee of action. The *Standard* says this committee consisted of servants and small tradesmen. The Paris *Temps* treats the matter as without importance.

The Tonquin Trouble.

A dispatch from Paris says: Chanzel Lacour, Minister of Foreign Affairs, has had an interview with Marquis Tseng, Chinese Ambassador, and it is reported that the former demanded the withdrawal of Chinese troops from the Tonquin frontier.

Challenging Hanlan.

Melbourne, 4.—Laycock, the Australian sculler, has issued a challenge to Hanlan to row a race for the championship of the world on the Paramatta, New South Wales, course. Stakes £1,000 a side.

British Briefs.

LONDON, 4.—Great excitement prevails in Hungary over the result of the trial of the Jews accused of murdering Esther Sallymosi at Pressburg. A mob of anti-Semitics gathered and became so hostile in their demonstrations against the Jews that the authorities were compelled to order out the military to disperse them.

The *Times* publishes a letter which states that the Irish National League has decided to call a series of conventions in all the counties of Ireland, with a view of choosing a central executive council. Arrangements are being made to resume the propaganda for securing an Irish parliament, peasant proprietary, and the adoption of other measures desired by the Irish. It is also intended to hold in the autumn of 1884 a general convention of Irish societies throughout the world.

Another earthquake was felt at the towns of Forio and Ischia on the Island of Ischia at half past two o'clock this afternoon. Several houses collapsed. Three persons who were buried in the ruins were extricated alive to-day.

Queen Victoria sent a telegram to King Humbert tendering her sympathy with the Italian people over the recent catastrophe in Ischia. King Humbert in reply thanked the Queen for her sympathy, saying that the Italians regarded the English with feelings of the warmest friendship.

The Indian Government will send to Egypt seven doctors and forty assistants.

Liverpool, 4.—The new Red Star Line steamer *Western Land* was launched successfully here to-day. She is the largest vessel ever built on the Mersey. She is made of steel, and is 6,000 tons burthen; 410 feet long, 47 feet wide and accommodates 1,340 passengers.

London, 4.—The *Mark Lane Express* says the weather has not been favorable for crops. Rust is spreading rapidly, and the red maggot is seriously prevalent. The acreage of wheat is much smaller than in 1882. The barley crop, however, will probably be good. Oats are in a forward state. Flour this week was difficult of sale. Trade in foreign wheat was of lethargic tendency, and was against buyers. Maize slow and unaltered. Oats dull. Off coast wheat had little inquiry.

General Items.

PARIS, 4.—Pierre Auguste Cot, French painter is dead.

The *Temps*, referring to the plot to restore the monarchy in France, says the official police report declares that a political organization, possessed of various means of action, exists in France, apparently patronized by Legitimist Chiefs. The public prosecutor has been instructed to conduct the trial of the arrested conspirators. Several Legitimists will be examined.

Count Foucher de Caseil has been appointed French Ambassador to Vienna.

Vienna, 4.—A prominent journal announces that an interview is about to take place between Count Kilnoch, Austro-Hungarian Minister of Foreign Affairs, and Prince Bismarck, for the purpose of deciding as to the prolongation of the treaty of alliance between Germany and Austro-Hungary.

Rome, 4.—Negotiations between the Vatican and France in regard to religious affairs have through the letter of Prest. Grevy, resulted in accord on the principal questions at issue. Instructions in accordance with the arrangement made have been sent to the Papal Nuncio at Paris.

Melbourne, 4.—Laycock, Australian sculler, has issued a challenge to Hanlan to row a race for the championship of the world, on the Paramatta, New South Wales, course; £1,000 a side.

Alexandria, 4.—Five deaths occurred here yesterday from cholera.

Constantinople, 4.—The International Sanitary Council will impose a 25 days quarantine on vessels which have had cases of cholera on board. Other rigid restrictions will be enforced.

SUNDAY NIGHT'S DISPATCHES.

The Plague of Egypt.

LONDON, 5.—The total number of deaths from cholera in Egypt on Saturday was 870, including 170 at Cairo, 27 at Rosetta, 187 in the province of Garbieh, 105 in the province of Dakaleh and 14 in Benisuef. The deaths in Egypt Sunday were 725, including 160 at Cairo, 22 at Rosetta, 169 in Garbieh, 44 in Dakaleh, and 93 in Beniseuf. The Sunday return is somewhat incomplete but seems to be an improvement since Saturday.

Insurrection in Spain.

Lisbon, 5.—It is reported that a military rising has taken place in the Spanish province of Badajos on the Portuguese frontier and that the regular authorities have been arrested. Telegraph and railway lines between Badajoz and Portugal are interrupted.

BRIEF TELEGRAMS.

PHILADELPHIA, 4.—A commandery of Knights Templars left to-day for San Francisco.

Providence, R. I., 4.—Milton H. Langford, turfman of New York, died in New York last night.

Chicago, 4.—Chicagos 5, New Yorks 3.

Cleveland.—Bostons 7, Clevelands 3.

Buffalo.—Buffalos 16, Providences 11.

Detroit.—Philadelphias 5, Detroits 0.

Minneapolis, 5.—A wager of $200 a side between Hanlan, the oarsman, and a man named O'Brien, that the latter could not take Plaisted's shell, depeived of outriggers, and sit or stand in it and paddle around one minute without upsetting, was won by O'Brien, who succeeded in managing the shell, both sitting and standing.

Denver, 4.—Eugene Field, well known as poet and paragrapher, resigned his position on the Denver *Tribune* to accept a flattering engagement on the Chicago *News*. His friends banqueted him at the Windsor Hotel this evening.

Lima, 4.—Garcia Leon, Peruvian ex-minister, has been liberated.

Providence 4.—The United States steamship *Dispatch*, with the President's sister and daughter on board, has arrived at Newport.

San Francisco, 4.—It is decided to make the inauguration of the Garfield monument, at Golden Gate Park, August 14th, an occasion of great ceremony, which will be under the auspices of the Grand Lodge of Masons of California. The procession to the park will be one of the largest ever seen, comprising all Knights Templar, Masons, Grand Army of the Republic, National Guard, United States troops, naval officers and all persons holding civil appointments.

New York, 4.—Troubles between cigar manufacturers and employes seem likely to break out afresh to-day. The Progressive Union men employed in Otterberg's shop quit work because the employers engaged 10 men belonging to the International Union. This action of Otterberg's men is not commenced by the employees of other manufacturers, as under the late agreement the latter were to employ men from either union.

SEEK

health and avoid sickness. Instead of feeling tired and worn out, instead of aches and pains, wouldn't you rather feel fresh and strong?

You can continue feeling miserable and good for nothing, and no one but yourself can find fault, but if you are tired of that kind of life, you can change it if you choose.

How? By getting one bottle of BROWN' IRON BITTERS, and taking it regularly according to directions.

Mansfield, Ohio, Nov. 26, 1882.
Gentlemen:—I have suffered with pain in my side and back, and great soreness on my breast, with shooting pains all through my body, attended with great weakness, depression of spirits, and loss of appetite. I have taken several different medicines, and was treated by prominent physicians for my liver, kidneys, and spleen, but I got no relief. I thought I would try Brown's Iron Bitters; I have now taken one bottle and a half and am about well—pain in side and back all gone—soreness all out of my breast, and I have a good appetite, and am gaining in strength and flesh. It can justly be called the *king of medicines*.
JOHN K. ALLENDER.

BROWN'S IRON BITTERS is composed of Iron in soluble form; Cinchona the great tonic, together with other standard remedies, making a remarkable non-alcoholic tonic, which will cure Dyspepsia, Indigestion, Malaria, Weakness, and relieve all Lung and Kidney diseases.
