Mrs. Barbara Christel Lewis, who during the past twenty years, the wife of a merchant tailoring, was born in Nauvoo, Illinois, on June 30, 1845, died at her home in Logan on the 26th, comparatively being one of the pioneers of this county. She was married to Thomas Lewis in Salt Lake in 1866, and is the mother of 10 children, one of whom survives her. Preston Lewis, one of the oldest men in the county, died in Logan last Friday. Funeral arrangements can not be perfected until it is known when the son, Joseph, will arrive, the reason was a mission of Apostles Hamilton and a faithful Latter-day Saint.

PROMISING SUGAR FACTORY PROSPECTS.

Reports from different parts of the county indicate that a large area of beets can be obtained for the purpose of establishing a sugar factory in Cache. Some of Logan's business men have already subscribed liberal subscriptions heavily, and it certainly seems as if the project will be successfully carried through.

looks rather strange to some people and they at once think it should be spelled "Lagger." There is something in the name of the Lager Beer that Calihan lager beer is thought so much of, that every time a man asks for a bottle of beer he means "Keg Calihan" and wishes it so understood by everybody, but to be on the safe side, it is not best to take too much for granted in this neighborhood and you should distinctly state "Keg-a-Calihan" and not take any otherwise either is as good. It's appetizing, it's a tonic as well as full of nourishment.
