LOCAL BRIEFS.

To Choose Runs—The street car motormen and conductors will choose tomorrow what runs they prefer for the ensuing six months, it being the first of June.

Now Dr. Murphy—Arthur J. Murphy of this city has passed his medical examinations at Bellevue medical college, New York City, and will receive his degree June 6.

Decorated Grave—Children from the St. Ann's Orphanage decorated the grave of Patrick Phelan at the Calvary cemetery yesterday afternoon. Mr. Phelan left the Orphanage a large sum of money.

Festival Concluded—The African Methodists finished a three days' festival last evening, which included a debate on the question, "Resolved, That a manual training is better for the young negro than a classical education." Miss M. B. Hillman was crowned queen of the Jubilee, and refreshments were served. The occasion was to raise funds to pay off the church debt, which was done.

He Can Walk Now—William Ross, the colored burglar who was shot in the leg while trying to escape from the city chain gang, and was afterwards sent to the state prison for 10 years, finds himself "up against it." While in the county jail he was apparently unable to walk and so was carried about on a stretcher, his meals even being carried to him. At the state prison Ross tried to work the same game, but Warden Pratt sized the man up and notified him that if he wanted anything to eat he would have to walk to the dining room to get it. Ross concluded not to starve and now walks like any one else.

OPENING OF THE SUMMER RESORTS

Saltair, Lagoon and Salt Palace Eentertained Their Thousands Yesterday.

SOME NEW FEATURES ADDED.

Splendid Train Service Added to the Comfort of the Patrons—Venturesome Bathers.

Despite the fact that it was chilly yesterday all of the resorts were heavily patronized by the holiday crowds. Saltair and Lagoon caught the biggest number, in fact some of the people made pilgrimages to both places to renew their acquaintanceship and revive the pleasant memories of last season. There was a raw wind blowing, but the ladies made a brave showing in semi-summer attire, while their escorts sported straw hats and otherwise announced the arrival of the summer season. The opening of the resorts came somewhat in the nature of a surprise when it came to attendance. Saltair caught 5,000; Lagoon, 4,500, and the Salt Palace an esual number. A big percentage managed to keep comfortably warm by dancing. Some hot-headed youths, to the total of 30, however, braved the breeze and took a dip in the water, thereby making a record for the first into the lake in 1906.

At all resorts there were several new features in evidence yesterday. At Saltair among the innovations noticed was a check stand for babies, or, perhaps, to be more correct, a "baby nursery," where the young hopeful of the family could be left in charge of attendants while the parents took a respite and incidentally enjoyed themselves. Then there is the "old mill," a cave darkened from the daylight, and illuminated by electricity, with the interior decorated with scenery. Nice boats transport the passengers along the mill stream, the water being kept in motion by a large wheel. The "scenic railway," not yet completed, will also be a new feature in the way of a thriller. Then there is "The Cave of Winds," "The House of Trouble," merry-go-round, bowling alleys and the penny arcade. A Japanese curio store has been established on the dancing pavilion, and there are several other innovations. The restaurant in new hands is an improvement on last season, and, taken all in all Saltair this year should do big business. The train service yesterday was excellent, and everything went without a hitch. The crowd was most orderly and the opening day augured well for a successful season at the famous beach resort.

THOUSANDS AT LAGOON.

While the management at Lagoon hardly hoped for the crowd that assembled at the popular Davis county resort yesterday it rose nobly to the occasion and afforded a variety of entertainment for the 4,500 people who made the pilgrimage. The train service was all that had been advertised with its improvement in time and better accommodations for the crowds. The new cars which had been brought from New York where they had been used in the Coney Island service, absorbed 100 passengers each, and, what is more to the point, trains were operated on time to the dot. During the day and evening the best of order was in evidence among the crowds that had rallied from Salt Lake and Davis county points following the opening of the line to Kaysville.

Among the new features this year are the shoot-the-chutes, the roller skating rink, and the fine new restaurant. The chutes which will be completed next week, are as good as can be encountered anywhere. The tower is 65 feet high, and the runway 250 feet long. There are five new solid boats, each built to hold eight persons, and there will be a scream in every foot of the thrilling ride. The roller rink will be ready by next week, when the latest thing in ball-bearing skates will be instituted, and 150 people will be able to glide to the strains of good music. The dancing pavilion was the center of attraction yesterday, and Willard Youngdale and his good orchestra furnished excellent music.

The restaurant, under the management of J. J. Gallicher, made a hit with good service and menu at city prices. This structure adds to the beauty of the grounds, and undoubtedly will prove popular. In addition to the large dining hall there are a number of private rooms with pleasing views from the windows for those who seek retirement.

Among the bookings for the next 10 days at Lagoon are:

Friday—Weber Stake academy from Ogden, accompanied by the state deaf and dumb institute.

Saturday—A special dancing party from Salt Lake, as well as the University athletic excursion.

On Monday the High school cadets will go out to camp on the baseball field all week.

Tuesday—Joint excursion of the Danish Brotherhood and the Norwegian society, with national sports.

Wednesday—Woodbine circle, W. of W., excursion.

Thursday—Fraternal Union of America and the Order of American Yeomen.

Friday—High School day, with grand military ball in the evening.

Saturday—Swedish Brotherhood excursion.

Besides these there are many other excursions booked.

THE SALT PALACE.

At the Salt Palace a large crowd was in evidence, especially when the bicycle races were called. During the afternoon and evening the various amusement features were well patronized. The theater was opened for the season with the afternoon performance and evening show. Aside from the big dance hall the revolving swings seemed to be one of the centers of attraction.

NOT IF AS RICH AS ROCKEFELLER.

If you had all the wealth of Rockefeller the Standard Oil magnate, you could not buy a better medicine for bowel complaints than Chamberlain's Colic, Cholera and Diarrhoea Remedy. The most eminent physician can not prescribe a better preparation for colic and diarrhoea, both for children and adults. The uniform success of this remedy has shown it to be superior to all others. It never fails, and when reduced with water and sweetened, is pleasant to take. Every family should be supplied with it. Sold by all druggists.

SCIATICA CURED AFTER TWENTY YEARS OF TORTURE.

For more than twenty years Mr. J. B. Massey, of 3322 Clinton St., Minneapolis, Minn., was tortured by sciatica. The pain and suffering which he endured during this time is beyond comprehension. Nothing gave him any permanent relief until he used Chamberlain's Pain Balm. One application of that liniment relieved the pain and made sleep and rest possible, and less than one bottle has effected a permanent cure. Mr. Massey relates his experience for the benefit of others who may be similarly afflicted. If troubled with sciatica or rheumatism why not try a 25-cent bottle of Pain Balm and see for yourself how quickly it relieves the pain. For sale by all druggists.
