HUBBUT JR. WINNER OF FREE-FOR-ALL

Mixture of Harness and Running Events Proves Popular at State Fair Race Track.

The races at the state fair track yesterday afternoon were among the best of the meeting and were witnessed by perhaps the largest crowd that has attended the races during the meeting. The mixture of running and harness events is proving popular to patrons of the track and the sport is thoroughly enjoyed.

A feature yesterday was the victory of Ramsey's Hubbut, Jr. in the free-for-all trot and pace. The first two heats were taken by Allen's Queen Pomona but the Ramsey horse was equal to the occasion in the following heats and won the race. Francis J took second money.

The 2:10 trot was another interesting race and the result brought joy to the hearts of the Springville turfites. Harmonic showed up in superior form and took the race with comparative ease in three straight heats.

The talent was upset in the first running race, Eel was picked to win and there was considerable betting on the result. Eel did not have the strength to do better than show, while Arthur Hyman outran Robert Mitchel for first. In the second, at one mile, Trocha was a strong favorite and won with ease. In the last, at six furlongs, Bardonia upset the talent, getting off well in the lead and winning from the jump. A summary of the harness events follows:

BOTH TEAMS ARE READY FOR FRAY

Pittsburg, Oct. 6.—Having completed the regular National League schedule the Pittsburg baseball team returned home today from Cincinnati, where the season closed yesterday and from now until Friday attention will be devoted to final preparations for the post season series.

The entire Pittsburg team is in the best possible condition. Pitcher Camnitz, who will work, has been suffering from quinzy, but is rapidly improving.

With the world's championship baseball game but one day off, Pittsburg tonight has practically abandoned business and turned its attention to baseball.

The Detroit American League champions will arrive in the morning and have secret practise on Forbes's field. The Pittsburg team has already put in hours of secret work and will rest until the opening clash on Friday afternoon.

Forbes's field is being enlarged to take in a section of Schenly park, a city property. Bleachers are being erected on the park slope and this in a great measure will eradicate the application of ground rules during the game.

Seats were selling tonight at a high premium.

Great deeds compel regard. The world crowns its doers. That's why the American people have crowned Dr. King's New Discovery the King of Throat and Lung remedies. Every atom is a health force. It kills germs, and colds and la grippe vanish. It heals cough-racked membranes and coughing stops. Sore, inflamed bronchial tubes and lungs are cured and hemorrhages cease. Dr. Geo. BETTER PRICES ARE OFFERED ON KETCHEL

New York, Oct. 7.—The delay of the Ketchel-Johnson fight until Oct. 16, together with reports of Ketchel's condition and his training methods, has materially affected the betting here on the fight. A week ago Ketchel was considered only a 1 to 5 chance, but now bets are being recorded in which his supporters are compelled to give 6 to 10. Not a great amount of money has appeared here yet on the event, but there is a very large sum ready to be wagered when more definite news comes from the coast. The east is apparently taking more interest in the fight than in any other for a long time, and it is probable that it will be overshadowed only by the Jeffries-Johnson fight.

If people with symptoms of kidney or bladder trouble could realize their danger they would without loss of time commence taking Foley's Kidney Remedy. This great remedy stops the pain and the irregularities, strengthens and builds up these organs and there is no danger of Bright's disease or other serious disorder. Do not disregard the early symptoms. F. J. Hill Drug Co. ("The never substitutors.") Salt Lake City.

GOLF CHAMPION KILLS HIMSELF

T. W. Tetley, Formerly of England, Feared He Was Losing His Reason And Commits Suicide.

San Francisco, Oct. 7.—After sending a warning note to his friend Dr. E. Birdsall, T. W. Tetley, former golf champion of England and for several years a wealthy broker of this city, shot himself to death in his office in a downtown office building here last night. Tetley had left his wife at a hotel where they expected to dine and when he failed to return on time she sought his office. Receiving an evasive reply from the elevator boy as to the presence of her husband in the building, Mrs. Tetley ascended to the office and fell in a swoon when she saw Dr. E. Birdsall, to whom the warning note was sent, had hastened at once to the office of his friend, but too late to prevent the suicide. In the note Tetley expressed the belief that he was losing his reason.

WOMEN'S ANNUAL GOLF MATCHES

Philadelphia, Oct. 8.—Developments today in the women's annual national golf championship had a distinctly British cast and many observers are beginning to think that the title will be carried abroad.

Two of the four British women who qualified for the title were put out today in the second round of match play, but the most skilful and prominent of the visiting delegations—Miss Dorothy Campbell and Miss Frances Teacher—remain. As both are in the top half of the draw, should both win tomorrow they must meet in the semifinals.

Mrs. Charles T. Stout of New York, former national and metropolitan champion, held herself in reserve today in beating Miss Frances Griscrome, Philadelphia, another former titleholder, feeling in advance that she must meet the Britisen champion tomorrow. Miss Campbell had a much harder task to defeat Mrs. E. H. Fitler, Philadelphia, who never played so well before. Miss Teacher showed the best quality of the "upsiders" to date by handily beating Miss Vida Llewellyn, western champion.

Mrs. Caleb Fox, Philadelphia, won on the home hole from Miss Mary Adams, Boston, eastern champion, after an amusing round in which both took practically three putts at every hole. Miss Margery Phelps, Boston, had to play out the home hole to win from Miss Temple of England, but managed to keep her nerve at the crucial point. The only extra hole match was that in which Miss Isabella Smith, Chicago, beat Miss Elizabeth Porter, Boston, on the nineteenth with high scoring. Miss Jane Spence of England pushed Mrs. Ronald Barlor, former Philadelphia district champion, the full round for a decision.

This afternoon was devoted to the driving and approaching and putting contests, both of which went to the Britishers. Miss Dorothy Campbell, Scotland, titleholder of Great Britain, led in driving, her total being 541 yards.

VICTORIOUS PITTSBURG PIRATES READY FOR WORLD'S CHAMPIONSHIP BATTLE.

Pittsburg expects the biggest baseball crowd by all odds in its history when the pirates clash with the Detroit tigers in the first game for the world's championship on Forbes field on Oct. 8. To give some idea of the enormous throng that the new stadium will hold it is only necessary to say that the grand stand and boxes alone will seat 24,000 persons. The grand stand seats, reserved, are held at $1.50 each and the box seats at $2. Orders began to pour in for tickets on the very day that Pittsburg had clinched the pennant. Enthusiasm is at fever heat in and around the Smoky city. Carnegie, the home of mighty Hans Wagner, has held public meetings and adopted resolutions complimenting the great shortstop on his work during the season, and it is safe to say that the entire male population of the place and most of the fair sex will be at Forbes field to root for the pirates when the game opens at 2 o'clock on Oct. 8. The management of the Pittsburg team and the national commission are taking every precaution to prevent the tickets falling into the hands of speculators. It is declared that there will be seats for all and that anyone who pays an exorbitant price to see any of the games will have himself alone to blame. The Pittsburg players as numbered in the accompanying group and their positions are as follows: (1) Miller, second base; (2) Hyatt, utility; (3) Lifield, pitcher; (4) Phillippi, pitcher; (5) Sitton, pitcher; (6) Camnitz, pitcher; (7) Byrne, third base; (8) Frock, pitcher; (9) Clarke, left field and manager; (10) Leever, pitcher; (11) Willis, pitcher; (12) Leach, center field; (13) Adams, pitcher; (14) Maddox, pitcher; (15) Abstein, first base; (16) Schriver, catcher; (17) Gibson, catcher; (18) Wilson, right field; (19) Wagner, shortstop; (20) O'Connor, catcher.
