NEWS OF THE WEST.

Several Wives to Claim a Dead Man's Property.

NARROW ESCAPE FROM BURNING.

Crowded Waits in a Tip—Fell Forty Feet—Strange Elopement—Other Items.

The Mormons which have made arrangements to take part in the contest at Hanford on the 10th of October, are going to make a land grab for the prize of $50 offered.—Idaho Falls Times.

Wm. Van Dabbey, a young man who resides near Hopland, Cal., was injured considerably Friday while attempting. With a companion he was ferrying on the bank of the river, when he fell and was discharged. The bullet struck the zip home and ran diagonal round the spine beneath the skin. It is not thought the wound will prove fatal.

Thursday evening, while getting out of the way of a load of hay at Ager, Cal., Mrs. J. H. Ager and her child and Mrs. Williams, in a buggy, were hurled over a bluff forty feet high. Mrs. Ager was not badly hurt, but the child and Mrs. Williams are quite seriously injured. The buggy was crushed to splinters, but the horses were not injured.

News has been received that William Trout, a mining and cattle man of Eye county, Nev., was drowned at Kanosh hot springs, seventy miles from this city, last Tuesday. Trout was subject to epileptic fits. While taking a bath with others at the springs a crowing noise was heard coming from the bath. Others came to his relief, but efforts to resuscitate him failed. It is supposed he was taken with a fit while in the water.

Victoria, B. C., is excited over the elopement of Agnes Harris, aged 17, the daughter of a corporation company, who disappeared on Sunday afternoon with Jeannie Jones, aged 20, the stepson of a special police officer. Jones returned to the city Monday after food, and has not been seen since. The couple are supposed to be somewhere in the woods between Spring Ridge, a suburb of Victoria, and the one of Saanich peninsula. The police are searching for them.

A peculiar case is on trial in the superior court at Los Angeles. F. W. Kind, an aged German who lived at Azusa, Cal., died a short time ago. He left $1,000. His son applies for letters of administration. Now come two women, one from St. Louis, Mrs. Louisa Kind, and one from Azusa, Mrs. Mary Kind, both claiming to be widows of Kind. The son states that his mother was neither of them; that she is dead, and that she married Kind at Peoria, Ill. There is evidence among the old man's papers to show that he had still another wife in Germany.

Ed Davis, a Nez Perce Indian, was almost turned to dough last week at his home on Clear river, Idaho, six miles above the agency. He had carried several hundred dollars in gold coin home with him and the musical ring jingling of the yellow metal seemed to fascinate him. He would count and recount it, and handle it and let it drop through his fingers. The sight and sound of the coin wrought a magic spell about him. His room caught on fire, but he heeded it not. He could not tear himself away from handling his money. The flames enclosed to feed and grow and soon approached Davis, but though they began to scorch and burn him he stood not move. Finally some of his neighbors, attracted by the flames, came to the place and found him about to be burned alive while handling his gold. They dragged him out and saved his money, but half of his face was burned away and his home and its contents were totally destroyed.

Heber city, Wasatch county Wave. A serious accident happened near the mouth of Heber Creek in Lake creek Friday morning. A man from Midway by the name of Gleysinger was on his way to the canyon when his team ran away. As near as can be ascertained he fell through the running gears of the wagon, his feet catching in the lubber in some way, and he was dragging. How far the horses ran is not known, but when Mr. Creek got to him his head was cut in a terrible manner. He was immediately brought to Dr. Alder's office and he was dead. The doctor does not consider his injuries of a dangerous nature, though they will be very painful for some time.....David and Emma McDonald went to Salt Lake last week to attend the Utah University. We wish that more of our young people would avail themselves of the opportunities offered for higher education. A good education is the only sure foundation of success in life.

Woolen Goods a Trifle Higher Than Last Fall, Cotton Fabrics and Sewing Silks have Also Advanced in Price.

We have elected each this fall with the idea that we are to have an improvement in trade. And that we can more will want to be sold, that they have been buying for the last three years. You are to be purchased from the usual $15,000 to $20,000. All cases ordered to-day. Latest patterns of new goods in dress silk suits and new goods of last year's designs. We have also made some big changes in our manufacturing department. Those among them is using by the purchase of one of the most reliable and best knitting cotton in the city, so our customers are getting an equal to buying orders with us.

With regard to prices we still adhere to our motto of giving our customers the greatest value possible for their money, being satisfied with very small profits.

We have also looked after the interests of our less fortunate countrymen, who do not feel that they can afford to invest $10.00 or more in a suit, but still like to dress in well fitting, well made, tasteful appearing clothes, and for this trade have purchased a very carefully selected line of American made goods. These goods are equal in freshness of patterns and general appearance to those of foreign manufacture, and are of excellent wearing qualities and we can sell them by many dollars less than we can imported, and offered for sale by them as such at prices much lower than the imported goods can be sold for, but a trifle higher price than we are offering the same goods for. From these goods we are ready to fill orders at from $10.50 to $25.00 and give the purchasers the benefit of having them cut and made by the best skilled workmen in the city, a privilege we trust will be appreciated.
