REPEAL DEBATE IN CONGRESS.

The Case Involving the Disposition of Church Property to Be Heard Soon in the U. S. Supreme Court.

LONDON, Oct. 2.—A private cablegram announces that the naval fleet at Rio Janeiro bombarded that city all day yesterday, resulting in further damage to the city and great loss of life. The details as to the amount of damage and the number of dead ashore and afloat are not given, but it is presumed from the fact that the firing was kept up all day, the loss must have been considerable on both sides. Emery County Republicans.—The Americans in Denver.—Political Observations.

It has been a matter of current talk among certain politicians with whom the wish is evidently father to the thought, the last few days, that Wendell Benson would bolt the Independent movement; that he would do so for the reason that he failed to secure the nomination for mayor as against Judge Baskin. Such individuals have absolutely no authority for the statements they make and are very much mistaken in their conclusions. [remainder illegible]
