The Berlin Case.

The case of Mrs. Lena Wright vs Nellie Berlin was heard and disposed of yesterday afternoon by Commissioner Terion. The Berlin woman was recently arrested in Salt Lake by Sheriff Belnap on the charge of having stolen $100 in cash from Mrs. Wright during the early part of the year.

On Monday last, when the case was first called, the defendant took the witness stand in her own defense, and testified that the $100 which she is charged with stealing was paid her and an accomplice by the name of Ed. Gillen as the price which they were to receive provided they did the job of killing Mrs. Chas. Morris, whom Mrs. Wright was anxious to get rid of, so she, it is alleged, was very fond of Mr. Morris. The death of Mrs. M. was duly announced in the Ogden daily Pod and the reward claimed. Thursday however was denied by Mrs. Wright, and she proved conclusively that she knew Mrs. Morris was not dead, having met her the day following that on which the death notice appeared and as a consequence would not pay $100 for the killing of a woman when she had met the supposed victim on the street alive and in good health. The judge took the view that the story of Nelly Berlin was a fake and therefore fixed her bail at $500 to await the action of the grand jury. Not being able to raise the required bond she will remain in the county jail until her case is disposed of.

District Court Matters.

Business in the Fourth district court was very light yesterday. No cases were heard, but Judge Miner rendered his decision in the case of P. Pohalski & Co. vs. John McManis et al, a suit which was heard last Monday. It was held that the Ogden State bank was the first creditor of McMorris Bros. and, therefore, the money to be paid by the insurance companies would go to the bank.

Becker Wins.

The contest for the Territorial championship between Will Lynch, of Salt Lake, and G. A. Becker, of this city, came off yesterday afternoon at the Ogden Gun club grounds, and resulted in a victory for Becker on a score of 49 to 44.

Under Arrest.

R. M. Spivey, superintendent of the Bear Lake and River Waterworks company, was yesterday arrested on complaint of Wm. Hinford, chief of the fire department. The complaint charges Mr. Spivey with the violation of a city ordinance which requires the said water company to have a man at each fire that may occur in the city and thereby secure a good pressure of water. At the fire at Williams' house last Tuesday the water was so low that the fire ladies were powerless to extinguish the fire as no pressure could be had. The arrest followed as a result. The hearing will take place today.

Liberated.

George Smith, arrested on a warrant sworn out by Mrs. E. A. Lemmers, charging him with assault and battery, was yesterday dismissed, there being no evidence to hold him on the charge.

To Face the Judge.

Phillip Ford, the ex-dog catcher, was last night arrested on the charge of petty larceny, preferred by William Hickenlo, the restaurant man.

David Jenkins (not our old friend, "Uncle David") will have a hearing today on the charge of assault and battery.

J. McClanklin was yesterday arrested on complaint of Mrs. McUinta Colton, she alleging that Mr. M. had given her little boy a thrashing for calling him names.

Fred Jude got on a big drunk at Riverside park and made things quite unpleasant in his neighborhood, and Officers Chase and Hartenstein brought him to the hotel de Davenport where he put in the remainder of the night.

Notes and Personals.

George Thatcher's Minstrel and Extravaganza company gave a very meritorious performance here last night, to presenting their latest hit, Africa.

The great steam road roller commenced operations on Twenty-fifth street yesterday morning, but had not gone far before the big machine found a soft spot in the apparently hard road where it stuck fast for a considerable length of time, but was finally extricated and went to work in great shape.

Orson Smith, president of Cache Stake, returned to his home in Logan today. He has been spending several days in Ogden attending conference and was the Old Folks gathering.

A Good Thing for Summer Complaints.

Mr. J. W. Hager, a well known merchant of Olio, Iredell Co., North Carolina, cured four cases of flux with one small bottle of Chamberlain's Colic, Cholera and Diarrhœa Remedy. This is the most prompt and successful remedy in use for dysentery, diarrhœa, colic and cholera morbus. No other medicine will take its place or do its work in this class of diseases. It is equally valuable for children and adults. 25 and 50 cent bottles for sale by Z. C. M. I. Drug Dept. d&s
