A WORD or two with the wearers of hats. We have looked through the Hat, Cap and Glove Departments of Dunford, the Hatter, and we do believe a more beautiful and cheap stock of Hats, Caps and Gloves is hard to find in any city in the land. And as for their Boot and Shoe Department, we never saw a better stock in our lives.

Nothing Short of Unmistakable Benefits.

Conferred upon tens of thousands of sufferers could originate and maintain the reputation which AYER'S SARSAPARILLA enjoys. It is a compound of the best vegetable alteratives, with the Iodides of Potassium and Iron, and is the most effectual of all remedies for scrofulous, mercurial or blood disorders. Uniformly successful and certain in its remedial effects, it produces rapid and complete cures of Scrofula, Sores, Boils, Humors, Pimples, Eruptions, Skin Diseases, and all disorders arising from impurity of the blood. By its invigorating effects it always relieves and often cures Liver Complaints, Female Weaknesses and Irregularities, and is a potent renewer of vitality. For purifying the blood it has no equal. It tones up the system, restores and preserves the health, and imparts vigor and energy. For forty years it has been in extensive use, and is to-day the most available medicine for the suffering sick, anywhere.

For all the bitter opposition of salous rivals, no better illustration could be had of this fact than the immense sale already attained by the great Throat and Lung Remedy, Dr. Aug. Kaiser's German Elixir. For the cure of Coughs and Bronchial Affections, it is truly wonderful, even those suffering from Consumption in advanced stages find great relief, and numbers of patients have found, to their delight, not only relief but *cure*. It being perfectly harmless, makes it at once popular with mothers, who of all others have felt the necessity of such a medicine. The genuine bears the Prussian Coat of Arms, the fac-simile signature of Dr. Aug. Kaiser, and has his name blown on every 75 cent bottle. A trial size may be had for 25 cents.

EVENING NEWS.

Friday, - - September 26, 1879.

LOCAL AND OTHER MATTERS.

Thermometer. — The mercury scored 51°, this afternoon.

Amy Sherwin.—The operatic performance in Ogden last night, was barely a success. Miss Sherwin left for the east to-day.

From the East.—Fred Auerbach, Esq., of the firm of Auerbach Bros., arrived home last evening from a business trip east.

Came Back.—Bishop Sharp and Mayor Little returned from the south last night. They did not go to the end of the track, as expected, but remained at Juab.

Not Sandy.— We were misinformed regarding the place of the railroad accident yesterday. It was not at Sandy, as we were told, but at Bingham Junction.

Whose Knife?—If the individual who left a penknife at this office the other day, will call and prove ownership, he may have his property.

Base Ball.—There will be a match game on Washington Square, to-morrow, at 2.30 p.m., between the Brown Stockings of this city and the Fort Douglas club.

The Chicagos.—On the 9th and 10th of October, the Chicago White Stockings will be here to play the Deserets, who will meet them with a stronger team than they took to Denver.

Bar Meeting.— There was to have, could, or might oughtn't to have been a bar meeting — But paradigms are inadequate to locate the coming event. The movement is altogether too promising.

Bangs versus Whiffles.—A game of base ball is being played this afternoon between two nines selected from the banks and offices of the city. Competent judges say there was never such playing known here before.

Mountain Cream Polish. — We have received samples of a commodity bearing the above name, manufactured by Dimmock and Hulbert, six doors west of the Theatre. It is used for cleaning and polishing gold and silver, and is also advertised as a dentafrice.

Police Court. — Yesterday, three persons, a man and two women, were up for disturbing the peace and committing a nuisance. The charge against the latter was not sustained, but the man was found guilty and fined $10.

This morning, one case of drunkenness was fined $5, and a saddle stealing case set for 3 p.m.

Select Social Party.—A select social party, for the benefit of the 12th Ward Sunday school, will be given in the Ward Assembly Rooms this evening. Olsen's quadrille band furnishes the music, Jas. Currie is prompter, and with the names of the committee are inducements that predict a pleasant time.

Temperance Lecturer. — Mrs. I. McHewlings, a temperance lecturer, well known in this city, returned from California yesterday morning. The lady has been delivering lectures in the West for the last four months, two of her efforts having been given in Santa Barbara, on "Life Among the Mormons." She will remain here for several days, visiting her sister, Mrs. E. B. Wells, and other friends, and will then go on to Kansas.

"Dispatch" Notes.—Mr. Pincock, the depot policeman, has been temporarily relieved from duty, on account of sickness.

Col. Fred Grant was in Ogden yesterday morning, on his way to Chicago. He said his father would not accept the presidency of the Panama Canal Company, as it was a foreign institution. The General would journey east by easy stages, taking plenty of time to see the beauties of the West, and would go home to Illinois. The Colonel spoke well of Utah and her prospects.

FAIR ITEMS.

WE are requested to publish the following in relation to the coming Territorial Fair. This is a telegram from the Freight Agent at Omaha to the Superintendent of the Utah and Northern:

OMAHA, Neb., Sept. 24, 1879.

G. W. Thatcher, Logan:

Articles shipped over the Utah and Northern for Utah Territorial Fair will be returned free over said road to point upon same at which we receive them, provided they are shipped back within one week from date of the close of the Fair, and accompanied by a certificate of the secretary of the Fair, showing them to have been on exhibition.

E. P. VINING.

And here is an item from the *California Farmer* of Sept. 18th:

Messrs. W. T. Coleman & Co., California agents for the sale of the "Royal Yeast Powder," offer to give away an entire *car load of this yeast* in samples, at the Fair, and thus help some 10,000 persons to *make a raise* of well kneaded dough into nice bread.

Will any of our princely merchants imitate these enterprising men with special premiums of this or kindred sorts at the Fair next week?

Badly Treated at Pittsburg.—President Flygare, who called yesterday, informed us of a little unpleasantness that occurred at Pittsburg, while the emigrant train was making the transfer previous to departing for the west. It appears that the railroad conductor had not received instructions concerning the company, and, with other officials, not only failed to treat Elder Flygare with the courtesy he was accustomed to receive along the route, but was particularly disrespectful when mildly expostulated with on his unwarrantable demeanor. He knew of no "special accommodations" for the company, mixed them up with strangers indiscriminately and otherwise treated them with neglect. Elder Flygare told him his company was not used to such things, especially on roads supposed to be for the public accommodation, and with which special rates and conditions had been secured by years of extensive patronage; that our companies were not obliged to travel over that road, but could transfer their patronage at will, and that if it was not made right, matters should be reported at headquarters. Elder Staines, Church emigration agent, at New York, will be informed of the occurrence.

Coroner's Inquest.—A coroner's inquest over the body of John T. Hilton, the victim of yesterday's railway accident, was held last evening, at 7 o'clock, at the residence of the deceased in the 20th Ward. Following is the verdict:

TERRITORY OF UTAH,
COUNTY OF SALT LAKE.

An inquisition holden at the residence of David Hilton, in Salt Lake City, in the Fourth precinct, Salt Lake County, Territory of Utah, September 25, A. D. 1879, before Geo. J. Taylor, coroner of said county, upon the body of John Thomas Hilton, there lying dead, by the jurors whose names are hereunto subscribed. The said jurors upon their oaths do say that he died from the effects of being run over by freight cars on the Utah Southern Railroad, at Bingham Junction, at 8.45 a. m., September 25, 1879, and that from the evidence before them, they deem his death entirely the result of accident; so far as they can learn no blame can be attached to any of the employes of the road.

In testimony whereof, the said jurors have hereunto set their hands, the day and year first above written,

GEO. ROMNEY,
HENRY PUZEY, } Jurors
JAS. C. LIVINGSTON,
GEO. J. TAYLOR, Coroner.

Fires in St. Charles Canyon.—Mr. C. Merkley writes, under date of the 18th, of the fires that are raging in the vicinity of St. Charles. They originated in Cub Creek, Cache Valley, and worked over the mountains. On the 8th inst. the saw mill in the cañon was only saved by the men flooding the yard. Two of them remaining too long at the mill, got surrounded by fire and were burned a little, but saved themselves by running into the creek. A band of Mr. Merkley's horses were coming down the cañon, but becoming frightened at the smoke, turned back and were surrounded by flames. His son went up and drove them through the circle of fire. Eight of the animals were badly scorched, and an equal number missing. The fire was still going and doing much damage.

Behind the Scenes. — A little misunderstanding occurred in Ogden last night, back of the curtain, during the progress of the opera of "Martha," etc, Herr Gorlitz, a "Cherman chentleman," somewhat known here, in a fit of offended dignity, ordered the scene shifter, a sprightly son of Ethiop, from the stage, to "get away off now." His swarthiness rebelled and threatened to "knife" his Teutonic highness, when the managers of the performance interfered and prevented the further shedding of words. Some say Gorlitz turned white, but his opponent retained his color with the most surprising tenacity.

Extinguished in Time.—What might have been a serious fire in the rear of Z. C. M. I., yesterday, was promptly put out by the employes of the establishment forming a bucket brigade and extinguishing the flames. An ash pile, fanned by the wind, set fire to a lot of rubbish, and the blaze was communicated to the fence dividing the Co-op from Morris & Evans' yard. It was going ahead rapidly when discovered, and had it been night, with such a breeze blowing, the consequences might have been serious.

Crushed Again. — The Deserets have lost the third and decisive game of the Denver series, and are completely disheartened over their triple defeat. The score at the conclusion of Saturday's game, stood 19 to 24, favor of the Browns. So much for carrying the war into Africa.

"Junction" Jots.—Ogden has developed two more livery stable horse thieves. Not caught yet.

A little four year old son of Levi Taylor, of Harrisville, had his leg broken the other day by a wagon wheel running over it. The little fellow was trying to put a rock in the wagon, when the cattle started off and he was knocked down between the wheels.

Untimely Death.—We are called on to record the untimely departure of Brother John A. Jenkins, son of Thomas and Ann Jenkins, who died yesterday, after a five days' illness, of inflammation. He was a young man aged but 22 years, 6 months and 3 days, was well esteemed by all, and leaves a young wife and numerous relatives to mourn his departure. The funeral will be held on Sunday at 10 a.m., at the 4th Ward School-house. Friends invited to attend.

ORIGIN OF THE EXPRESS BUSINESS.—Once upon a time a man sailing between New York and Norwich, said to the captain of the steamer, "I wish I had something to do," whereupon the captain, Colt, replied, "Do you see those bundles and packages in the berth of my stateroom? Their number is increasing with every trip; they are in the way, and the care and attention I have to give them consumes more time than I can afford. Suppose you collect and take charge of these private packages for a fair compensation. I think you can easily build up a paying business." The man, whose name was Adams, took the hint, and from such a beginning originated the Adams' Express Company.
