Last Night's Dispatches.

EASTERN.

Arrested.

AUGUSTA, Ga., 20.—A dispatch from Sandersville, Washington Co., reports the arrest of Candia Harris, one of the leaders in the plot to massacre the whites. He has made a confession implicating Prince Rivers, Major General of the South Carolina militia, but Rivers emphatically denies the charges. There are seventy negroes in jail at Sandersville. Governor Smith is expected there to-night.

Decrease in Immigration.

WASHINGTON, D. C., 20.—Immigration into the U. S. shows a decrease of 86,000 for the year ending June 30, 1875, as compared with the year ending June, 30, 1874.

Rules Adopted—Increased Fares—In Trouble.

NEW YORK, 20.—At a meeting of the Board of Managers of the Produce Exchange, to-day, the new rules for grading grain, as agreed upon between the Produce Exchange and railroads, were adopted, and the same will go into force after being posted ten days.

An advanced schedule of passenger rates has been agreed upon by the agents of the Erie and New York Central, Pennsylvania and Baltimore and Ohio railroads, to go into effect on Monday; the new schedule of fares is on the basis of $20 to Chicago, $25 to St. Louis, and $36 to Omaha.

There are rumors of trouble with a prominent house in the Cuba trade to-day.

FOREIGN.

GREAT BRITAIN.

Various.

LONDON, 20.—The Vienna *New Free Press* is informed that the British ambassador recently forewarned the Sultan of the action of the three powers, pointing out the significance of the step. A Vienna political correspondent says the action of the powers was a tender of friendly office, and not an intervention, and thinks that the refusal of Turkey to accede to the proposition was not final. A special to the *Standard*, from Vienna, represents that fifty Turkish families perished when the insurgents destroyed Berbir and Svingar.

The *News* correspondent at Paris reports that ex-Prest. Thiers declines to be a candidate for the Senate, preferring to remain in the Lower House.

Banquet to U. S. Naval Officers.

SOUTHAMPTON, 20.—The banquet, to-night, to the American naval officers was a brilliant affair. Among the guests was the American consul and a large number of the leading merchants. Toasts to Queen Victoria and President Grant were drunk with enthusiasm. The speeches were very brief. Admiral Worden, responding to a toast to the American navy, gave expression to his appreciation of the kind feeling which everywhere was entertained by the people of England towards the U. S., and, in the name of his government and his country, he reciprocated the expressions of this good feeling.

FRANCE.

Attitude of Russia, Etc.

PARIS, 20.—*Le Temps* says it has received information confirmatory of *Le Nord's* article, to the effect that Russia, acting in conjunction with Germany and Austria, intends making an appeal to the powers of Europe in favor of settling the Herzegovinian difficulty by an understanding among all the countries interested, thus averting all danger of a European war.

The *Memorial Diplomatique* says that all the powers have agreed upon urging Servia and Montenegro to remain neutral in the present conflict, and this advice will be backed by force if necessary.

SPAIN.

Killed.

MADRID, 20.—The Carlist Colonel, Ripolle, has been killed in Seo d' Urgel.

TURKEY.

Advancing on the Rebels.

RAGUSA, 20.—Dervisch Pacha, with five battalions of regulars and three regiments of infantry, is advancing for the purpose of dislodging the insurgents from their positions between Mostar and Klek.

Will Crush the Insurrection.

CONSTANTINOPLE, 20.—It is officially stated that the news published in the foreign journals in regard to the Herzegovinian insurrection is much exaggerated; the Turkish government will soon have 18,000 men concentrated in Herzegovina, and it has been waiting until it was able to concentrate a sufficient force to crush the insurrection with the least possible effusion of blood. Dervisch Pacha has now been ordered to take offensive steps. Powers entirely friendly have requested facilities to communicate with the insurgents for the purpose of counselling submission to the Ottoman government, and informing them that they have nothing to hope for from the intervention of foreign powers.

Correspondence.

RICHFIELD, Sevier Co., August 11th, 1875.

Editor Deseret News:

Honor to the memory of Bro. Jos. A. Young. We, part of the Sisters of Richfield, who are bound together in the covenant of the everlasting Gospel, and also in the United Order, desire hereby to render our true respect to the memory of our beloved Brother and President, Joseph A. Young. His loss to us is great, and deeply do we feel in sympathise with his bereaved family. For if we, who only love him for his kind care, and fatherly counsel, that so many times has flowed from his lips, do weep, how much more deep must be the feeling of his wives and children, who have so intimately associated with him, and so often received the words of affection from his lips! And yet their hearts may take comfort, for Joseph is not dead—his voice is lost to them but for a short time, and we do pray God to comfort them and bless them, to again be worthy to meet their beloved husband and father. To his venerable father, President Brigham Young:

May the blessing of heaven rest upon him, who sent his beloved son, his first-born, to be our President, Leader and Guide. Little did we expect so soon to lose so noble a friend. He was true to his mission, true to the commandments of heaven. In establishing the United Order among us, he most nobly led the way, offering everything on the altar and laboring early and late for its success. If it may be called a success to make the hearts of the Saints rejoice, then he truly had it.

Joseph A. Young was honored and respected by all true faithful Latter-day Saints throughout his mission. May the work of which he laid so substantial a foundation continue to grow in honor of his memory forever. We feel, know and rejoice that we are co-workers with our brethren in the upbuilding of the Kingdom of God. We pray God to bless the noble leaders of Israel. We love them—they are blessing us all day long.

Peace be to the memory of President Joseph A. Young. We will ever love and cherish his name as a dear, kind brother, and the son of our beloved Prophet. May we again be worthy to meet him and his brethren gone before him, who, like him, have worn out and laid down their lives in the defence and upbuilding of the Kingdom of God, is our humble prayer.

In behalf of the sisters of the Richfield Relief Society who have renewed their covenants preparatory for the United Order.

MRS. M. C. PETERSON, President.

MRS. F. ANDERSON, Secretary.

Our Country Contemporaries.

Ogden *Junction*, Aug. 20—

Yesterday Dr. E. G. Williams successfully removed a cancer from the right arm of Miss Louisa Shupe. It was about half an inch in diameter. The orifice is healing up and will scarcely leave a scar. Dr. Williams makes a specialty of removing cancers without the use of the knife, and has never been known to fail, or have a case returned.

Utah County *Times*, Aug. 19—

We received a call on Tuesday evening from James Bean, Esq., of this city, who has just returned from a prospecting tour south. Mr. Bean brought with him specimens of coal from a bed discovered by him, in company with Geo. W. Bean and Henry Boley, in Spanish Fork Canyon, a distance of thirty-five miles from Provo. There are some seven or eight veins, of a foot thickness each, and the ledge can be traced for half a mile. The specimens show the coal to be of good quality, some of which has been tested by a blacksmith in this city and pronounced capable of giving a good welding heat. The discoverers intend to take immediate steps to develop the bed and, if it turns out well, hope to be able to furnish it in any quantity within two or three weeks.
