FROM A LIVING DEATH

Jumped From a Third Story Window. ---One Burned to Death.

REV. W. W. TOTHEROH SUSPENDED.

No Anarchists in Illinois!—The Daily Train Robbery.—Reilly's Torpedo Boats.

MEMPHIS, Tenn., Nov. 13.—The Tennessee block went up in a blaze tonight. The fire communicated to other buildings and for a time a general conflagration was threatened. It was a scene of wild confusion and horror. Men jumped from the windows to save their lives and several were injured seriously.

The fire originated in Schumacher's store, caused by the explosion of a lamp. Frank L. Montgomery and John Mignold rushed through the flames to the open air and were painfully scorched. The flames licked their way up the stairs, which was the only means of exit from the top stories.

Attention was attracted by cries from the third story, in the rear, which was occupied by the Young Men's Christian association. Several times were seen at the windows to the shifting smoke appealing for aid. Before the firemen could locate the imperiled men the heat became so intense that they were forced to jump, and fell on the sagging trapdoors.

Four made the leap. They were Charles E. White, arm broken and internal injuries; E. E. Beard, arm broken, severely bruised; Fred Hoke, wrist and arm hurt; Secretary Smith, internal injuries, leg broken, may die.

Two men remained at the windows until relieved by the hook and ladder brigade. They were almost suffocated. Two men were seen in the rooms at the second story a few minutes before the fire broke out. As there was no means of escape, it is thought that they perished.

Schmaterer Stove Company's building and stock is a total loss, $70,000 insured for $34,000.

Lemon & Gale, wholesale dry goods stock, $150,000, building, $60,000; loss on building by fire, $2000; loss on stock by water, $100,000; insured for $100,000.

Lobre—It is now known that Thos. H. Beard was burned to death in the Schmaterer building.

REV. W. W. TOTHEROH.

Has Concluded to Defend Himself Before the Presbytery.

CHICAGO, Nov. 13.—In spite of his statement that in view of being found in company with Mrs. Hamilton in a hotel in the city he would make no defense before the Chicago Presbytery to the charges of immoral conduct with the same woman at Portland and Tacoma, Rev. W. W. Tetherob, of the Hyde Park Presbyterian church, appeared before the presbytery this morning in his own defense. He declared he had made no confession whatever; that he met Mrs. Hamilton at the hotel merely to confer with her concerning the pending charges and that he would continue the fight. He declared that he signed the alleged confession under duress and from fear that he would be arrested and imprisoned on a criminal charge. After six hours' discussion the presbytery censured Tetherob and suspended him from the ministry of the church. Both before and after the result Tetherob denied that he was guilty of the offense charged. He strenuously opposed the reading of the confession which he signed, claiming that it was obtained from him under duress.

Telegraphed for His Arrest.

MINNEAPOLIS, Nov. 13.—Barrett's Washington secretary telephone has sent a cablegram to the United states minister at Guatemala asking for the arrest of L. F. Menage, a fugitive. He is president of the Discount Northwestern Guarantee Loan company of Minneapolis.

GOVERNOR ALTGELD

Says There Are No Anarchists in His State.

SPRINGFIELD, Ill., Nov. 13.—Governor Altgeld was asked today if it was true that one of the conditions of the pardon of Fielden, Neebe and Schwab was that they should make no anarchistic speeches in the future, and he replied: "In granting the pardons I did so because I thought the men were not guilty of the crime for which they were sentenced, and I placed no condition upon the pardons. You may say that there are no anarchists in the entire state of Illinois, not one. If the newspapers would stop talking anarchy the matter would never be again heard of. That laboring men have a right to their own views on all matters and are entitled to express them is conceded by all citizens."

REGULAR AS DAY.

This Time in Illinois.—Brakeman Tom Ray Die.

DECATUR, Ill., Nov. 13.—An attempt was made tonight to hold up the Peoria, Decatur & Evansville passenger train, due here at 10 p. m. Three men, masked with handkerchiefs, got on at the Lincoln coal shaft when the train pulled out. They started with the conductor, who, in the express part, Brakeman George Tom and some passengers tried to stop them. Three shots were fired by the robbers and one hit the brakeman in the stomach. He is expected to die. The robbers left the train at Salt Creek bridge. They got nothing. Sheriff Hayes of Logan is after them.

Six miles from Lincoln the men presented revolvers at some passengers in the coach and demanded money. The conductor pulled the bell cord and the train soon stopped. Brakeman George Tom made a brave struggle with the robbers, endeavoring to knock one of them down and overpowering him. He succeeded in getting the letter of one, and another took him, scated above, and it is not thought he can live.

The robbers held the other people in the car in check with revolvers until the train was near Mount Pulaski. Then one of them jumped off the train, which was running about twenty-five miles per hour. He completely threw himself to start again after the train had stopped. The others got off at Mount Pulaski and up to 1 a.m. nothing had been heard of them. They did not succeed in getting any money or valuables from the passengers.

Heavy Commanding.

NEW YORK, Nov. 13.—The World's Rio dispatch says: The situation is adverse and without the city it is extremely complicated. Fort Villegagnon has completed its batteries today on St. John's woods and heights. Shells burst around the drawbridge at the quarries and several shots fell into the bottom of Villegagnon, destroying the trenches and batteries.

There was heavy cannonading from Morengue, Santa Ana, Mahoney and Ilhara Lourenco. The rebel monitors brought a military school launch. Forces from Villegagnon was attacked the land force at Santa Luzia.

The Herald's correspondent at Montevideo cables: Word comes from Rio that of the torpedo boats Tiradentes Peixoto has just purchased five were bought in Germany and steel a double screwed class. Private cable dispatches received here from Lisbon convey the information that Mello is winning lots of friends in Europe, now, however, from among the followers of the deposed royal family.

It is reported that Mello is going south now and will have a Brazilian claim. Use Dr Sauer is commanded of the fleet in Rio bay.

To Increase the Gold Reserve.

WASHINGTON, D. C., Nov. 13.—A plan is just perfected whereby the gold reserve in the treasury may be increased to the legal limit, $100,000,000, by an understanding with the banks that they increase the proportion of gold in deposits at the New York subtreasury to cover the certified checks presented by importers in payment of customs duties. The system now in vogue is for the banks to keep special deposits at the subtreasury for this use, and heretofore the gold has not averaged more than 1 per cent. The bulk of the payments are made in treasury notes. As the result is the gold reserve is now only $75,000,000, and the associated banks of New York have on hand fully $70,000,000, it is brought the scheme, which is the result of the visit of the secretary to New York, will carry through.

Attempts to Extradition—Gladstone in the Commons—Russia and the Jesuits.

LONDON, Nov. 13.—Philip Schlig, the defaulting paying teller of the Bank of Minneapolis, and Frank Floyd, his accomplice, were arrested at Southampton tonight on board a steamer from New York. Mr. Gilg of the Bank of Minneapolis identified the men. Schlig and Floyd made violent resistance and Schlig tried to use a revolver. Two revolvers were found on each man. They were handcuffed, locked in jail and will be brought to London tomorrow. The background of the men, supposed to contain the bulk of the stolen money, was seized.

LONDON, Nov. 13.—A Standard correspondent at St. Petersburg says: As a strategic measure to secure the shipment of the three principal railways in Russia, in the event of a mobilization of troops, the government has decided to start fund of a claim in the concession granted by the private company which built the roads, and pay a compensation in the sum of $200,000,000. The roads run from St. Petersburg to Moscow, from St. Petersburg to Warsaw, and from Moscow to Nijni Novgorod.

PITTSBURG, Nov. 13.—E. E. Roberts of the City of Mexico, is in Pittsburg. He says today: "There is a great deal of dissatisfaction among the Mexicans over the rule of Diaz. He is sending a more liberalistic attitude each year and trying to establish himself as strongly as to defy all revolutionary movements. A strong party is growing up, however, that will, unless stopped by some strategic turn in affairs, immediately bring about a revolution. Such results have heretofore been successfully checked, because very few followers were united, but the day is coming when enough people will come and make it unanimously interesting for the administration."
