SCHOOL BOARD MEETING.

Financial Statement for the Past Six Months Submitted.

CHANGE OF NIGHT SCHOOL.

More Furniture Ordered.—List of Appropriations.

The municipal school board met in regular session last night with President Scott in the chair.

The trustees in attendance were Messrs. Young, Pratt, Raybould, Duke, Dowdy, Nelson and Newman.

TO BE IMPROVED.

The committee on sites reported as follows:

We recommend the removal of partition in the upper room of the old building of the Fourth district school to enlarge the room on one side and make a recitation room on the other. We also recommend that the partition be constructed of brick and plaster and wainscoted up to the blackboard. Also to convert a window into a door from the corridor to open into the hall also, to wainscot the old hall also, to construct a division fence twenty feet in length and six feet high also, to move the gates and to convert the old window into a cupboard, to paint all the outside woodwork, and to replace broken glass in one window. We have obtained bids for said work, and asked to be authorized to accept the bid of W. J. Toddingham & Co. for said work, they being the lowest bidders. The bid is $[illegible].

The same committee reported that the addition to the Twenty-first ward school had been completed, in accordance with the plans of Architect Spoth, and the contractors, Toddingham & Co., were entitled to $4,937. Adopted.
