OGDEN NEWS.

OGDEN, - - - - - SEPT. 1, 1900.

LABOR DAY FESTIVITIES.

Elaborate Preparations for a Grand Gala Day—Amusements of Every Description.

Netherlanders' Reunion—Wm. Sewell's Residence Burned—Police Court—Big Haul of Hoboes.

Next Monday, September 3rd, Labor day, promises to be one of the most important days in the history of Ogden, in the way of parades, sports and general amusements. The International Association of Mechanics has arranged one of the biggest events that Ogden has ever had to take place at Glenwood Park. The local lodge, No. 127, will be joined here by the Salt Lake lodge, 106, Evanston lodge 207, and Pocatello lodge 198. Each of the lodges entered into the celebration with great enthusiasm and are now beginning to realize that their celebration promises to be a grand one. Governor Heber M. Wells has accepted the invitation of the committee and will favor the celebration with his presence. Arrangements have been made with the various railroad companies to run excursions from all parts of Utah, Idaho and Wyoming and it is expected that fully 5,000 people will come to Ogden from various parts of these States.

Mayor M. S. Browning has issued a proclamation relative to the celebration and the closing of business houses, calling upon all citizens to join in making the celebration a grand success, and the day one of pleasure to visitors. Most of the places of business have agreed to close for the day and join in making it a thorough success.

There will be all kinds of amusements and sports for the pleasure of the public. In the morning at 10 o'clock a grand parade will take place commencing at Twenty-sixth and Washington avenue, and go north to Twenty-fifth street, thence West to Union depot, counter march to Washington avenue, thence North along Washington avenue to Sixteenth and then East to Glenwood Park.

At 11 a. m. a game of baseball will be played at the park between the Fuji Tea and Salt Lake bankers for the sum of $100.

At 1:30 p. m. there will be a race meet at the Ogden Driving park which promises to be interesting, entries have been made of some of the finest race horses in Utah, Idaho and Wyoming.

During the afternoon there will be two games of ball at the Glenwood ball park between the Ogden and Rio Grandes, games to be played at 1 p. m. and 4 p. m. Besides these interesting sports there will be all kinds of amusements at Glenwood, such as foot racing, jumping, boat racing, swimming contests, dancing and many other kinds of pastime for young and old. There will be about ten bands in town from the various States to furnish sweet strains of music.

There will also be excursions up Ogden canyon to the Hermitage and Winslow's, also to Malin's Heights, so that everybody can find plenty of pleasure in all lines of sports and pastimes.

NETHERLANDERS' REUNION.

The Hollanders of the State of Utah, with the missionaries who have labored in the Netherland mission, had a grand outing to the Lagoon yesterday. There were eight carloads of excursionists from Ogden, they were joined at the resort by many from Salt Lake and other parts of the State. It is estimated that over 1,000 excursionists were gathered together and enjoyed one of the most delightful outings in the history of the Dutch in Utah. The event was in commemoration of Queen Wilhelmina's birthday, and the Hollanders had a queen who was selected by popular vote. Miss Dina Sanders, who was crowned in the morning at 11 o'clock. The day was spent in merry making and a more joyous crowd would be difficult to find. One thing that is worth special mention is a remark made by some of the proprietors of the Lagoon, to the effect that during the entire season there has not been so "little" beer and intoxicating liquors sold to any lot of excursionists as was sold yesterday to the Hollanders. This speaks very much for the people of Queen Wilhelmina.

There were a number of contests had, and the prizes were won by the following persons:

Declamation contest by Mrs. J. Kragt of Ogden; lady solo contest by Mrs. J. J. Debry, of Ogden; children's solo contest by Miss Irine Tuckett, of Salt Lake; Miss Minnie DeHoge, of Ogden, was given second prize; comic recitation contest by Mr. W. J. Debry, of Ogden; Comic song contest by H. Bell, of Ogden; Dramatic recitation contest by J. Dolebout, of Ogden; cake-walk contest by Irine Tuckett and Annie Meyer, of Salt Lake; waltzing contest, first by Mr. Thomas Burdell and Miss Seiboldt, of Farmington; Dutch waltzing contest by N. Tandt and Mrs. J. Deboy, of Ogden.

ANOTHER ABSTRACT COMPANY.

Articles of incorporation of the Ogden City and Weber County Abstract company, were filed with the county clerk yesterday afternoon. This company has incorporated to do a general abstract and real estate business and also insurance. The officers of the company are: Charles Meighan, president; R. C. Brownell, vice president; George J. Kelley, secretary; F. B. Devota, treasurer; these, with E. Mattes Kelly, constitute the board of directors. The capital stock of the company is of par value of $100 per share and there are 80 shares of stock in the company.

RESIDENCE BURNED.

The residence of Wm. Sewell of Wilson Lane was destroyed by fire this morning. The fire was discovered by some of the young ladies who are working at the canning factory. The Ogden city fire department was called and made a good run, but upon arriving at the fire had to attach the hose to a flowing well near the house. After this was done they did good service in saving the out-buildings and surroundings, but the house was destroyed, only the walls standing.

BOARD OF EDUCATION.

The board of education held their regular meeting this evening and transacted routine business; nothing of any importance coming up for discussion.

IN POLICE COURT.

A. J. Anderson was fined $5 for driving over the hose when the firemen were at the Utah and Oregon Lumber company's fire.

Assault and battery case of one Ryan was called and sentence suspended.

One Kane had sentence suspended for getting drunk; he was told to go and sin no more.

BIG HAUL OF HOBOES.

The police department made a big haul last evening; they arrested twenty-six hoboes. For some time past the merchants around town have been missing articles from their stores, and some petty robbery has been going on. The police were informed of the facts and started out on the hunt; for several days they have shadowed the gang which was run in last night, and they think they are the parties who have been committing the little petty crimes.

Apostles Heber J. Grant and Reed Smoot were in Ogden yesterday.

R. F. Neslen of Salt Lake was in Ogden yesterday.

MOUNT PLEASANT.

Coal Mine Jumped by Emery County Rustlers—Trouble Feared.

Special Correspondence.

Mt. Pleasant, Sanpete Co., Aug. 31.—For the past few days there has been much confusion and excitement regarding a certain coal mine twelve miles east of here owned and worked by Peter A. Larsen and Jens C. Christensen of this place. From all evidences obtained it seems that just at a time when the coal road was completed and a sale of the mine was about to be made to the company that is just being formed at this place to be known as The Mt. Pleasant Coal Company, that a few restless and unprincipled citizens of Emery county entered the mine in the dead hours of night, armed to the teeth and deliberately took possession of the mine.

The party, as far as can be learned, that took the lead in the matter of jumping, was Andy Smith, of Castle Dale, who claims to have discovered the mine about eight years ago but had performed no work on it for the last four years. And it seems that he had hired or otherwise secured Charley and Hy. Hyde to stand guard at the tunnel. When the boys came up to work last Wednesday and found these at the tunnel and defying them to enter it made them feel rather "hot in the collar."

A crowd of enraged citizens left town last night at about midnight to make a demand for surrender. If no surrender is made trouble no doubt will ensue.

The Bravery of Woman

Was grandly shown by Mrs. John Dowling of Butler, Pa., in a three years' struggle with a malignant stomach trouble that caused distressing attacks of nausea and indigestion. All remedies failed to relieve her until she tried Electric Bitters. After taking it two months, she wrote: "I am now wholly cured and can eat anything. It is truly a grand tonic for the whole system as I gained in weight and feel much stronger since using it." It aids digestion, cures dyspepsia, improves appetite, gives new life. Only 50c. Guaranteed, at Z. C. M. I. Drug Dept.

COALVILLE.

Wasatch Coal Mine Working Nearly Full Time—Jap Robbed.

Special Correspondence.

Coalville, Summit Co., Aug. 31.—Prof. Paul will lecture in the Stake Tabernacle conjoint meeting of the M. I. associations next Sunday evening.

Much sympathy is felt here for Prof. John H. Miles for the bereavement he has sustained in the death of his son, George. Prof. Miles presided over the Stake academy of this Stake last year.

Mr. John Mumford, a prominent woolgrower, of Coalville, will remove to Salt Lake City shortly with his family, where he will, in future, reside.

A telegram was received yesterday by County Attorney Callis from Wyuta, a small station near the Wyoming boundary line, stating that a "Jap" had been robbed of $90. The sheriff is in pursuit of the culprit.

The Wasatch coal mine is working nearly full time. This state of activity is unusual for this time of the year, but it is nevertheless welcome and the miners appreciate the good times.

FARMINGTON.

PARADISE.

Death of Richard R. Howells—The "Smallpox" Scare.

Special Correspondence.

Paradise, Cache Co., Aug. 31.—Richard R. Howells died on the 28th inst. of diabetes after an illness of more than a year, bearing his affliction with great patience and courage. Bro. Howells was nearly 41 years old and leaves a wife, seven children and many friends to mourn his untimely departure. He was a member of the church and lived an upright life. He was kind and loving to his family, and an agreeable neighbor and associate. The funeral was held yesterday. A large number of vehicles gollowed the remains to their last resting place.

SMALLPOX SCARE.

The "smallpox" scare will soon be over if the people are prudent. There are no new cases reported and those who have the contagion are recovering rapidly. The health of the people generally is good. "Smallpox" doesn't seem so bad when it is near by as when it is at a distance. Judging from the talk of some people one would think they were suffering from it more than those who already have it.

The hum of the thresher is heard and the farmers' crops are good considering the drouth.

ELSINORE.

Disastrous Fire—A Widow's Home Burned—Subscription List Begun.

Special Correspondence.

Elsinore, Sevier Co., Sept. 1.—Last Tuesday night at 9:30 a fire started in Mrs. Shaw's house, Brooklyn, and in less than two hours was totally destroyed, there being no water within a mile, although the Brooklyn and Elsinore people were there in force with buckets. Nothing could be done and nothing of any consequence was saved. The woman and two little children were sleeping in the house and were rescued at the last moment, after the fire had nearly consumed the roof. The woman is poor, with four children; she lost her all. Elsinore has taken up a collection for her, and in a few hours Mr. H. P. Hansen rustled nearly $70. Monroe is also exercising their charity, and Brooklyn will not stand back. Sister Shaw shall not lose anything by her misfortune.

Alma Jolley's little six-months-old baby died last Monday from summer complaint, and was buried Tuesday.

Seventeen cars of sheep have been shipped this week from Elsinore by Woodard of Elsinore and Smith of Monroe.

BEAVER.

Mark Roberts Attacked with Virulent Smallpox—Academy Opening.

Special Correspondence.

Beaver, Beaver County, Aug. 31.—Mark Roberts, a resident of Minersville in this county, is the victim of a virulent atack of confluent smallpox. It is a puzzle how he contracted the disease as he has not been away from home in any place where the exipemic exists. He is under quarantine regulations, and it is hoped that the efforts of those in charge, to hold the disease in check, will be successful.

Mr. Louis Schuab, an old resident of Minersville, died last week.

B. B. B. Y. ACADEMY.

The Beaver Branch of the B. Y. A. commence the season's work on Monday next, under flattering prospects. A large attendance is promised.

PROVO.

ANOTHER PIONEER GONE.

Death of Mrs. Elizabeth Young Van Wagoner—Court Notes.

Special Correspondence.

Provo, Utah Co., Aug. 31.—Mrs. Elizabeth Young-Van Wagoner, one of the pioneers of this State, passed away this forenoon at 9 o'clock. The deceased was stricken with what the doctors pronounced strangulated hernia on Sunday night, August 19th, and on the Monday evening following an operation was found to be necessary to save her life. Mrs. Van Wagoner rallied well from the effects of the operation, and great hopes were entertained as to her immediate recovery. But in her weakened condition the lady could not withstand the shock, and after enduring great suffering, passed to the great beyond surrounded by her family.

Mrs. Van Wagoner was born in Henry county, Tenn., April 6th, 1839, and while a small child her family embraced the Gospel and removed to Nauvoo. In 1847 the family removed with the Saints to Winter Quarters and from there removed to Utah the following year. As a child 9 years old, the deceased walked almost the entire distance, carrying a pet kitten, which is supposed to be the first domestic cat brought to Utah. The family located at Cottonwood, but soon afterward moved to Provo where the deceased has resided most of the time since.

On April 7th, 1856, the deceased was married to John H. Van Wagoner at Salt Lake; there are now living three daughters and two sons and twenty grandchildren.

Funeral services will be held at the First ward meeting house Sunday afternoon at 2 o'clock.

Hostetter's Stomach Bitters

Make Flesh and Blood

HON. J. H. FLETCHER, formerly Governor of South Dakota, but now a resident of Salem, Ore., says:

"For over two years my daughter had been declining from a strong, healthy, rosy-cheeked girl to a pale, weak and helpless invalid. She was afflicted with terrible headaches, and gradually grew weaker and more languid, apparently without cause. I tried several doctors, but all without avail. One day to please a friend, I bought a box of

Dr. Williams' Pink Pills for Pale People

and to our surprise, before it was used up her headaches ceased, the color began to return to her cheeks and lips and her strength began to assert itself. I bought five boxes more, and by the time she had finished them she was completely restored, and to-day she is a robust, rosy, healthy girl, instead of a pale, tired and sickly one."

There are two or three cases of typhoid fever in the neighboring ward to the south (Timpanogoe); an elderly lady died this week of that disease; and now Brother John J. Wolfenden has lost a nine-year-old boy; only two days before his death, he rode horseback to the postoffice.

Lindon is a prosperous ward, spread over a large area of well cultivated farming and fruit lands, the people are scattered out on their homesteads, but flock together at their neat little house of worship on all occasions.
