CATARRH

Sneezing Catarrh, Chronic Catarrh, Ulcerative Catarrh, permanently cured by

SANFORD'S RADICAL CURE.

SANFORD'S RADICAL CURE FOR CATARRH is a safe, certain, and permanent cure for Catarrh of every form, and is the most perfect remedy ever devised. It is purely a vegetable distillation, and is applied locally by insufflation, and constitutionally by internal administration. Locally applied, relief is instantaneous. It soothes, heals, and cleanses the nasal passages of every feeling of irritation, obstruction, dilness, or dizziness. Constitutionally administered it renovates the blood, purifies it of the acid poison with which it is saturated, charged in Catarrh, stimulates the stomach, liver, and kidneys, perfects digestion, makes new blood, and permits the formation of sound, healthy tissue, and finally obtains complete control over the disease. The remarkable curative powers, when all other remedies entirely fail, of SANFORD'S RADICAL CURE, are attested by thousands who gratefully recommend it to fellow-sufferers. No statement is made regarding it that cannot be substantiated by the most respectable and reliable references. It is a great and good medicine, and worthy all confidence. Each package contains a Treatise on Catarrh, and Improved Nasal Syringe, Inhaling Tube, and full directions for its use in all cases. Price $1.

An Enthusiastic Friend of Sanford's Radical Cure.

McILVAINE, GRANT & BOWEN'S FIRE AND MARINE INSURANCE AGENCY, 725 Pine Street, St. Louis, Mo., Feb. 1, 1877.

A. A. Sheldon, Esq., Dear Sir—Mr. Wm. Miller: These 8 or more years been troubled with Catarrh, and during past two years have suffered severely with it. Hearing of the merits of SANFORD'S RADICAL CURE, I decided to try it. I have used only two bottles, and as a result I feel so much relieved that I feel impelled to put myself on record in the matter, that others may have such relief as I have. I have recommended it to quite a number of my friends, all of whom have expressed to me their high estimate of its value and good effects with them.

I really think it particularly adapted to wants of St. Louis people, and they all ought to know of it, and those who need it should try it. I will make the assertion that $100 on, viz. (for a sample) to be given away will sell as many bottles.

Try one yourself. Let the people have it; they need it. I believe I could sell 500 bottles myself—of course you could largely increase this number. Why not try it? Yours truly, WM. BOWEN.

Sold by all Wholesale and Retail Druggists and Dealers in Medicine throughout the United States and Canadas. WEEKS & POTTER, General Agents and Wholesale Druggists, Boston, Mass.

LAME BACK AND RHEUMATISM

CURED BY

COLLINS' VOLTAIC PLASTERS

Messrs. Weeks & Potter: Gentlemen,—One year ago I was seized with a severe attack of Rheumatism in my right hip, to which I was subject. I tried the various liniments and rheumatic cures, but without the least benefit, when my son, a druggist, suggested one of your COLLINS' VOLTAIC PLASTERS. The effect was almost magical, for, to my great surprise, I was able to walk immediately all again, and was able to work upon my farm as usual, when, before the application of the Plaster, I could do nothing, and every step gave me pain. A few weeks since, one year from the first attack, the disease returned, but I am happy to say the second Plaster proved as efficacious as the first, and I am now well. My wife wishes me to add that your Plaster will cured her of a very lame back. We think there is nothing in the world of remedies that can compare with the COLLINS' VOLTAIC PLASTERS for Rheumatism and Lame Back, and cheerfully recommend them to the suffering. Yours very respectfully,

CHARLES MILLER, Jun. 6, 1876. SOLOMON COTTON.

NOT A QUACK NOSTRUM.

Gentlemen,—I hereby certify that for several years past I have used the VOLTAIC PLASTERS in my practice, and have never known them to fail in affording immediate relief. In the severe cases they are recommended. They are not a quack nostrum but a remedial agent of great value. Very truly Yours, WM. C. COLLINS, M. D.

BUCKSPORT, Me., May 27, 1874.

PRICE 25 CENTS.

Be careful to obtain COLLINS' VOLTAIC PLASTER, a combination of Capsicum and Vulcanized Rubber, with a highly Medicated Plaster, as seen in the above cut. Sold by all Wholesale and Retail Druggists throughout the United States and Canadas, and by WEEKS & POTTER, Proprietors, Boston, Mass.

Last Night's Dispatches.

EASTERN.

German Celebration.

NEW YORK, 18.—The Germans, to-day, celebrated the triumph of the social democrats in the recent elections in Germany.

Yellow Fever Cases.

NEW ORLEANS, 18.—New cases, 15; deaths 47.

An Appeal for Aid.

Rev. J. K. Guthrie, Edwin I. Kusherdt and other officers of the Hebrew Benevolent Association, make the following appeal: "Sickness, distress and suffering among the poor are in reasing daily. Our funds are nearly exhausted. In this sad calamity we deem it our duty to appeal to the sympathies of our brethren throughout the United States for speedy aid."

Tenement Houses—Sickening Sight.

The *Democrat* will publish an account of a reporter's visit to two tenement houses near Poydras market, and the sickening sight there presented. The houses were principally occupied by Italian chicken dealers. In one house 16 have been carried out dead during the last two weeks, and in the other 10. No. 292 Poydras Street was almost deserted. The bed on which the sick died remaining intact. In the neighborhood eight have died during the last 48 hours. The house of the Italians was almost deserted, there being in it only one sick man and attendants, all the rest, who so far have survived, have fled to the suburbs. The yards of the two houses where the chicken dealers lived, presented a most terrible appearance. The mattresses of the dead, the decaying vegetable matter, and the decomposing refuse offered seeds for disease. The board of health have alloted to members the respective districts in which each is to work.

The Infected Districts Improving.

MEMPHIS, 18.—Notwithstanding the clear sky and warm sun, visitors in the infected districts report the outlook more encouraging, there being only nine new cases reported for the 24 hours ending at 5 p. m. Although there is a slight increase in the death rate, the deaths for the same time number three. The decrease in the number of new cases is doubtless owing to the fact that there is little material left in the infected districts for the fever to work on. All who were able have moved out, and it is expected that the work of moving others to a camp, five miles south of the city will commence to-morrow, 1,000 army tents, for their accommodation, having arrived to-day.

Relief Needed.

A special from Grenada, to-night, says: There are 65 deaths to this date; 100 are sick at present. New cases yesterday were 15. People are dying to-day without an attendant. Relief is greatly needed.

VICKSBURG, 18.—The health officers report 48 cases of yellow fever under treatment at 7 o'clock last night. It is estimated that there are between 14 and 20 new cases. No deaths reported to-day.

Mexican Border Troubles.

WASHINGTON, 18.—Senor Zamacona, Mexican minister, having been asked whether he anticipated war with the United States, replied: "By no means. President Diaz is very anxious to preserve friendly relations with the United States, and is doing everything in his power to put down lawlessness on the border, but the Mexican Government is like this country, it cannot at all times, keep perfect order in the outlying and sparsely inhabited states."

The Explosion—Coroner's Jury Verdict—Killed—Fire.

POTTSVILLE, Pa., 18.—The scene of yesterday's explosion was visited by several thousand persons to-day. The verdict of the jury was that Richard Vough and Andrew Gallicher died from injuries received from stones thrown by the explosion of the powder magazine. They find no persons censurable for the explosion, and believe that it was caused by lightning. Additional discoveries of the wounded make the number 11.

John Richards and Samuel Carl were killed at Cameron Colliery, yesterday, by a fall down the main way.

Last night a block of buildings in the business portion of Lemont were burned.

WESTERN.

Destructive Fire.

SAN FRANCISCO, 18.—A dispatch from Biggs, Butte County, says: A fire here, this morning, destroyed 19 buildings, all the business houses except two; loss about $51,400; insurance $33,200. Several arrests have been made of parties suspected of having started the fire, which originated in an unoccupied building.

FOREIGN.

AUSTRIA.

The Occupation Question.

VIENNA, 18.—A telegram from headquarters to General Philippovich at Tolnitza Cupri, Aug. 19, announces that the Austrian army that day advanced in three columns against the insurgents, who had fortified themselves in a strong position southeast of and near Buzovoca, the column forming the right wing took the insurgents on the flank and rear, and captured their entire camp, with a large number of wagons, ammunition and other property. The other columns were somewhat delayed by the ruggedness of the ground so that the insurgents had time to withdraw with their artillery. They fled *en masse* in a southeasterly direction to Miseljak, near which place the Austrians are now posted.

The insurgents also occupied Visek. Gen. Tzelhof was marching thither, and expected to arrive on August 17th. The Austrian losses in these movements were inconsiderable.

Gen. Szapary was still confronting the insurgents at Dobaja on the 17th inst.

Demonstrations from Dalmatia against Livno, on the 15th inst., compelled the Turkish garrison of 3,000 men, who had started to harass Austrian communications, to return to that town.

A Ragusa dispatch says: Prince Nicholas of Montenegro, formally advised the insurgent leaders in Grahono district to submit to Austrian occupation.

A Belgrade dispatch says: The Christians in Bosnia are flocking to arms in consequence of the heavy fines imposed upon them by the Austrians.

The Mahomedan insurgents receive ammunition from Ports on the Ægean Sea, through private hands.

The Arnovots and Albanians muster in great force in the direction of Mitrovitza.

TURKEY.

The British Fleet.

CONSTANTINOPLE, 18.—Minister Layard has given instructions for the commencement of the withdrawal of the British fleet.

Appointed.

Commissioners to Roumelia and Bulgaria have been appointed by Russia.

Batoum.

The Turkish troops evacuate Batoum within a fortnight.

GERMANY.

Election Riot.

BERLIN, 18.—During the second balloting for a member of Parliament at Hasbung, Hanover, the socialists and guelphists created a riot, which the troops were called upon to quell. One rioter was killed and several wounded.
